

Infinite Campus

Frequently Asked Questions

Why do online registration?

To help ensure schools and students are ready for the first day of school, parents are encouraged to register their child or children online. It's more convenient for you. It also helps our schools to be ready to make each student's first day pleasant and productive because the necessary documents and information will already be complete.

What will parents/guardians need to do for Online Registration?

You simply need a Parent Portal account on Infinite Campus to complete Online Registration for your child(ren).

What if parents/guardians don't have a Parent Portal account?

Email Kris Karls, District Registrar at karlskr@lodischoolswi.org and request an account.

Can parents register from home?

Yes, you can register anywhere with an internet connection as long as you have a parent portal account. Online registration doesn't work on Smartphones; please use a laptop or a computer.

What if a family does not have access to a computer?

Contact Kris Karls at 608-592-1053 or karlskr@lodischoolswi.org to set up a time to complete the online registration at the District Office. Computers will also be available at the high school during the on-site Picture Day August 3rd. Staff will be on hand to help.

How long does it take a returning parent/guardian to complete registration?

This will take approximately 15-20 minutes for each family.

Will this be offered in other languages?

Yes. Online Registration is currently in English and Spanish.
