PRINCIPAL'S MESSAGE

Dilworth Family,

We had our "Dragon Den" school store opening last Friday. We had our Kindergarten, 1st and 2nd grades come through to see the items they could buy with their Dragon Dollars. We also had many purchases and most importantly happy and excited students. Our older grades will go through the store this coming Friday for their first time. We will rotate each week for students to come make purchases. We would like to thank our volunteers who came in and helped run the store. Our Dilworth community is always so great to come in and help. We appreciate you all so much.

As a reminder we will be having our STEM night this Thursday night from 6:00 to 8:00 pm. Please come have some fun with us!

Kind regards,

Richard Squire, Principal
