

It is the policy of this district that military recruiters shall have access to secondary school students, in the same manner and to the same extent as is provided to postsecondary educational institutions and prospective employers.

Except as provided herein, upon request made by military recruiters for military recruiting purposes, the district will provide access to secondary school student names, addresses, electronic mail addresses (which shall be the electronic mail addresses provided by the school, if available), and telephone listings, notwithstanding the requirements of the Family Educational Rights and Privacy Act. The district will not release such information if a parent of a high school student, or a student 18 years of age or older, has submitted a request to the district that the student's information not be released.
