

Your student is eligible for Hazel Health virtual physical and mental health services at school or at home regardless of immigration or insurance status

Scan me!

With Hazel, your student can get the health care they need, when they need it – at school and at home, **at no cost to you.**

Cold or flu symptoms

Headache

Anxiety

Abdominal pain

Allergies

Depression

Academic stress

Bullying

And more

Any student, regardless of citizenship status, can use Hazel Health

Documentation is not required for students to access Hazel Health services, and Hazel Health will not ask you or your student to confirm immigration status.

Providers deliver care in the student's native language

Hazel Health mental health and physical health providers speak a diversity of languages with the ability to deliver care in almost 200 languages.

All student health and insurance information will stay confidential and in compliance with HIPAA, Hazel's Notice of Privacy Practices, and state privacy laws.
