Update: 2019/2020 Fundraising Events

Ms. Abraham said due to the COVID-19 global pandemic and the Governor's "Safer at Home" mandate all of The Foundation's fundraising events have been placed on hold. She said any future fundraising events will be scheduled in adherence with state and local safety mandates.

The Committee discussed possible virtual fundraising options while continuing to be sensitive to the decline in the local and state economy and its effect on our community. The Committee felt this could be a good time for celebrities in our community to lend their voice in support of local schools considering the severe loss in revenue and its impact.

Update: The Event

Ms. Abraham said the Event which was scheduled for June 1, had a contract drafted but no deposit had been made. The Event is postponed until the "Safer at Home" order is lifted and it is safe to resume planning.

Update: Community/Business Outreach

The Committee discussed how local businesses can be creative and donate a percentage of their sales to LVUSD.
