Dr. David Buck
Superintendent

Mr. Matt Brooks
A+ Coordinator

A+ TUTOR CONTRACT

Tutoring is to be done for at least 50 hours. This requires a minimum of one complete semester and shall be considered as a semester class. If a student completes his/her 50 hours (or more) of tutoring within the semester time frame, his/her schedule will change at semester. If a student has not achieved the full 50 hour tutoring required in one semester, he/she will continue through the entire following semester to complete required time. Schedule changes will not be made mid-semester so a student may have additional tutor hours credited to his/her A+ status.
