

JA In A Day

A one-day commitment where volunteers enter the classroom in the morning and wrap up by early afternoon. Our volunteers take over the classroom for the day. It is an intense packed day, but a lot of fun! All of the sessions are set up the same where the volunteer introduces a topic or idea (about 10-15 min) followed by a game or activity that reinforces what was just taught (20-25 min). Lunch is provided. Join us for a fun-filled day at a local school!

Mintonye Elementary School

Friday, March 24th

Entire School, K-5th
