February 2023

PTO Newsletter

A parent-teacher organization (PTO) gives parents and teachers the opportunity to work together to supplement and enrich the educational experience. Our SMPTO will work collaboratively to meet the needs of all students and support full inclusivity.

Message from the PTO President:
Hello Shale Meadows Parents!
February came quickly and we are already starting to plan end of year activities. Time flies when you are having fun!
Some events to look out for: Talent Show, Flower Sale, Donuts w/Grownups, and the 5th Grade Celebration.
With that being said, all of the events listed will need volunteers. Volunteers are very important to the PTO and the school. We will not be able to put on a successful events without your help.
Please check out for the signup geniuses for the events listed above. Have a Happy Valentine's day and stay warm!
Sincerely,
Jennifer Lukas
