

Summer Program 2023

- ❖ *Full Day Camp from 9:00 a.m. to 3:00 p.m. is possible by enrolling in both a morning and afternoon camp. Children who are enrolled in both a morning and afternoon camp should bring a healthy, non-refrigerated nut free lunch for our lunch and recess period between camps.*
- ❖ *Grade eligibility is determined according to the grade students will enter for the 2023-2024 School Year. Graduated 6th Graders are eligible to participate in offerings available to 6th Grade students. (JK classes are designed for children who will be 4 years old by August 1.)*
- ❖ *Camps that do not meet minimum enrollment requirements will be canceled and refunded, and you may enroll in an alternate camp with available space.*

June 5 – June 9

Morning Camps

COCA's Broadway Magic

Grades: JK - 2nd

Cost: \$200

Date: June 5 to 9

Time: 9:00 a.m. to 11:30 a.m.

Min Class Size: 8 **Max Class Size:** 12

Come join COCA at Rossman for Broadway Magic! Students will dance to songs from some of Broadway's most beloved musicals such as The Lion King, Annie, and Peter Pan. On the final day, our emerging stars will share what they have learned with family and friends.

iFiesta Camp!

Grades: JK - 2nd

Cost: \$200

Date: June 5 to 9

Time: 9:00 a.m. to 11:30 a.m.

Min Class Size: 5 **Max Class Size:** 15

What does it take to plan a really great party? We'll find out in this fun Spanish language and culture camp with Señora Garcia, where we will spend the week preparing all the elements we need to throw ourselves a party. We'll start each day with a bilingual book about various party traditions in Spanish-speaking countries, and then we'll focus on party preparation - including food, games, piñatas, and music. On the last day, we'll invite parents to join us for our fiesta!

Wings and Things Aerodynamics

Grades: SK - 2nd

Cost: \$200

Date: June 5 to 9

Time: 9:00 a.m. to 11:30 a.m.

Min Class Size: 10 **Max Class Size:** 20

Is it a bird? Is it a plane? It's everything that flies! (Superheroes Excluded) ...

From the earliest flying machines to the first rocket flights, this hands-on program focuses on aerodynamics and the world above us! Campers build many different flying devices and put them to the test! Traveling further up, campers investigate the wonders of our very own Milky Way. They join their fellow "astronauts" as we send an awesome Mad Science rocket to the moon...well at least into the sky. Offered in partnership with Mad Science.

Discovery Days

Grades: 1st - 3rd

Cost: \$200

Date: June 5 to 9

Time: 9:00 a.m. to 11:30 a.m.

Min Class Size: 5 **Max Class Size:** 15

Come have fun at Discovery Days, taught by Ms. Duvall and Extended Day Staff. Each day of camp will be based on a fun new theme, including under the sea, space, zoo animals, Lego, and more! We will enjoy different activities based on the day's theme, creating and playing games that include reading, cooking, art projects, experiments, and more!

Tennis the Menace and Dinkasaurus Pickleball

Grades: 1st - 3rd

Cost: \$200

Date: June 5 to 9

Time: 9:00 a.m. to 11:30 a.m.

Min Class Size: 8 **Max Class Size:** 20

Join us for Tennis the Menace and Dinkasaurus Pickleball, where Tennis and Pickleball combine into one! Games and music keep the energy high while children learn the basic strokes of tennis and pickleball. Your child will have loads of fun learning the many differences and similarities between Pickleball and Tennis. No standing around in long lines—we are moving and grooving from start to end! We tailor each class to the age and ability level of our campers.

Full S.T.E.A.M. Ahead

Grade: 3rd-4th

Cost: \$200

Date: June 5 to 9

Time: 9:00 a.m. to 11:30 a.m.

Min Class Size: 5 **Max Class Size:** 15

Join Mrs. Boyd for Full S.T.E.A.M. Ahead! Students will enjoy a variety of S.T.E.A.M. based activities including an exploration of Rossman's nature trails with portable hand-held microscopes, dabbling

into coding with programming and robots, engineering experiments, building projects with unusual supplies, extending artistic abilities with wax creations, and much more!

Project-Based Math

Grades: 4th - 6th

Cost: \$200

Date: June 5 to 9

Time: 9:00 a.m. to 11:30 a.m.

Min Class Size: 5 **Max Class Size:** 20

Keep your math skills sharp this summer through a variety of engaging projects covering topics such as probability, geometry, and art! Whether your student loves math or wishes they could leave it behind for the summer, this class will bring new purpose and enjoyment to their math experience. Throughout the week, students will soak up short concept lessons followed by the opportunity to make their learning meaningful through projects. Taught by veteran math teacher, Mrs. Price. Project options include creating your own board game, experiencing "the game of life" by imagining all the money you might want to save (or spend!), planning a geometric sand castle design, and more!

Ancient Worlds Archaeology

Grades: 4th - 6th

Cost: \$200

Date: June 5 to 9

Time: 9:00 a.m. to 11:30 a.m.

Min Class Size: 5 **Max Class Size:** 10

Join Ms. Fuller as we explore several ancient civilizations! We will talk about daily life, influence, and more. The class will be filled with more than just stories, though, as there will be actual archaeological artifacts for students to examine and handle! Come look into the archaeology of the ancient worlds.

Backyard Sports and Games

Grades: 4th - 6th

Cost: \$200

Date: June 5 to 9

Time: 9:00 a.m. to 11:30 a.m.

Min Class Size: 10 **Max Class Size:** 20

Kickball? Wiffle Ball? GaGa Ball? Yes, to all! Join Mr. Mouw for an exciting week of outdoor fun in which you will compete in both team sports and individual sports and learn the official rules of each game!

Aim Field Hockey

Grades: 4th - 6th

Cost: \$200

Date: June 5 to 9

Time: 9:00 a.m. to 11:30 a.m.

Min Class Size: 10 **Max Class Size:** 30

For more than 17 years, Aim Field Hockey has been fostering a love for the sport of field hockey and helping athletes achieve their unique individual goals. At this camp, all levels of experience are welcome, from those who've never picked up a stick to those seeking to raise their game to the next level. The passionate coaches of Aim will teach the fundamentals of the sport with an emphasis on FUN!

Afternoon Camps

Tennis the Menace and Dinkasaurus Pickleball

Grades: JK - SK

Cost: \$200

Date: June 5 to 9

Time: 12:30 p.m. to 3:00 p.m.

Min Class Size: 8 **Max Class Size:** 20

Join us for Tennis the Menace and Dinkasaurus Pickleball, where Tennis and Pickleball combine into one! Games and music keep the energy high while children learn the basic strokes of tennis and pickleball. Your child will have loads of fun learning the many differences and similarities between Pickleball and Tennis. No standing around in long lines—we are moving and grooving from start to end! We tailor each class to the age and ability level of our campers.

Brick Jungle!

Grades: SK - 2nd

Cost: \$200

Date: June 5 to 9

Time: 12:30 p.m. to 3:00 p.m.

Min Class Size: 6 **Max Class Size:** 20

Come along on a LEGO jungle adventure. We will create a jungle out of LEGO® Bricks and include daily building of motorized Anacondas, Elephants, Crocodiles and more. So pack your adventure bags and treasure maps, and get ready to explore the Brick Jungle! Offered in partnership with Bricks for Kidz.

COCA's Popstar Superstar

Grades: 1st - 3rd

Cost: \$200

Date: June 5 to 9

Time: 12:30 p.m. to 3:00 p.m.

Min Class Size: 8 **Max Class Size:** 12

Come join COCA at Rossman for Popstar Superstar! Time to celebrate each child's uniqueness and superstar potential through movement, drama, vocal music and art as well as through reading books like 'Incredible You!' Our superstar kids will creatively dance to family friendly pop music with fun props they create for a sharing on the last day of class.

Full S.T.E.A.M. Ahead

Grade: 1st-2nd

Cost: \$200

Date: June 5 to 9

Time: 12:30 p.m. to 3:00 p.m.

Min Class Size: 5 **Max Class Size:** 15

Join Mrs. Boyd for Full S.T.E.A.M. Ahead! Students will enjoy a variety of S.T.E.A.M. based activities including an exploration of Rossman's nature trails with portable hand-held microscopes, dabbling into coding with programming and robots, engineering experiments, building projects with unusual supplies, extending artistic abilities with wax creations, and much more!

Arts, Crafts, and Keepsakes

Grades: 1st-3rd

Cost: \$200

Date: June 5 to 9

Time: 12:30 p.m. to 3:00 p.m.

Min Class Size: 5 **Max Class Size:** 15

Art is for function and for fun! The hands-on experience of grass-weaving a matt or basket and hand and machine quilting a patchwork pillow cover is just the beginning of an eventful week. We will make paper and then matt the project to be wall-hung. Finally, we will end a week with kite-making. Gathering sticks from Rossman's own nature trail, we will use paper and cloth straps to assemble a flying symbol of our creative efforts. Join Miss Victoria and let your imagination free for a week of art that you will craft into keepsakes!

Wings and Things Aerodynamics

Grades: 3rd - 5th

Cost: \$200

Date: June 5 to 9

Time: 12:30 p.m. to 3:00 p.m.

Min Class Size: 10 **Max Class Size:** 20

Is it a bird? Is it a plane? It's everything that flies! (Superheroes Excluded) ... From the earliest flying machines to the first rocket flights, this hands-on program focuses on aerodynamics and the world above us! Campers build many different flying devices and put them to the test! Traveling further up, campers investigate the wonders of our very own Milky Way. They join their fellow "astronauts" as we send an awesome Mad Science rocket to the moon...well at least into the sky. Offered in partnership with Mad Science.

iSpanish Cocina!

Grades: 4th - 6th

Cost: \$200

Date: June 5 to 9

Time: 12:30 p.m. to 3:00 p.m.

Min Class Size: 5 **Max Class Size:** 15

Do you like to cook, learn about different cultures, and try tasty food? If so, this camp is for you! Join Señora Garcia as we tackle a new cultural cooking project each day while learning about the people and traditions behind it. We'll follow recipes and keep track of our favorites with comprehensible Spanish, and enjoy related music, videos and reading in Spanish to reinforce new Spanish vocabulary.

Vertical Voyages: Tree Climbing

Grades: 4th - 6th

Cost: \$300 **Please note this camp offering requires a higher enrollment fee*

Date: June 5 to 9

Time: 12:30 p.m. to 3:00 p.m.

Min Class Size: 8 **Max Class Size:** 12

Seasoned climbing instructors from Vertical Voyages are coming to Rossman to help students climb large trees on our campus! Tree climbing is a safe, active, meaningful, and unique outdoor experience that allows participants to explore the canopy of a giant living organism. Vertical Voyages can be a catalyst for learning and growth by providing participants the challenge and opportunity to engage in transformative outdoor experiences. In this immersive camp, students will climb trees using ropes, learn about forest ecology, identify trees, and build skills needed to climb like tying knots. (Vertical Voyages waiver required to participate)

Spike Prime Robotics

Grades: 4th - 6th

Cost: \$200

Date: June 5 to 9

Time: 12:30 p.m. to 3:00 p.m.

Min Class Size: 6 **Max Class Size:** 20

Try out the newest Robotics LEGO® has to offer, SPIKE Prime Robotics™. Campers use an intuitive drag-and-drop coding language based on Scratch, to think critically and solve complex problems in a fun and interactive environment. Offered in partnership with Bricks for Kidz.
