Meteor Minutes with Mrs. Moyer February 2023

February- A month of love and kindness

January was a quieter month that found students working through benchmark middle of the year diagnostics and getting back into the groove of being at school. On January 27th we welcomed Jared Campbell to CVES for two assemblies, one for K-2 students and one for 3-6 students. It was a huge hit with our students!

Jared's message was empowering for both audiences and very much tailored to fit whichever age group he was working with at the time. Students want him to come back already and have been listening to his music. Jared's message centered around how everyone is deserving of kindness, being a bully-free zone, and how to be respectful and responsible. For the older students he talked about how much every person matters and the impact we can have on the world. If you are interested in checking out some of the songs he shared with students, see the links below!

Students right now are competing during the month of February for the "Golden Spatula". Students in grades K-6 during lunches can earn the Golden Spatula each day (one of the classes out of the grade level) with exceptional cafeteria and lunch time behavior. I can't wait to see who will win. The winning classes will get a special surprise at the end of the month.

February feels like it is full of celebrations. Students were just very excited in anticipation to see what would happen for Groundhog's Day... still more winter. Students will celebrate this week the

100th day of school and Valentine's Day, all falling on the same day. We celebrated National School Counselor week last week, thanks for all you do, our guidance counselor, Mrs. Tomeo! This week Wednesday is National SRO recognition day, thank you Officer Totino.

Parent/Teacher Conferences are on Friday, February 17th and we are making up a snow day on Monday, February 20th (pending Board Approval at the February Board Meeting 2/13). This Thursday, Ms. Rosenkrans will have our students participating in Jump Rope for the Heart. Our Gertrude Hawk Chocolate sale is up and running.

A huge thanks to Mrs. Ferencik and the PTO for getting the program: One School, One Book here at Choconut Valley. It has been really exciting seeing the whole school a buzz over Appleblossom the Possum! If you haven't checked out the google site that Ms. Casey did, see the button below or it can be accessed through students LaunchPads. Every family received a book and a reading calendar. This will all culminate in a family night in March. We can't wait! (More details to follow) Thank you to Mrs. Springsteen and Mrs. Leonard for helping to read chapters aloud for the google site as an added resource for our students and families. Thank you to Mrs. Burchill and the Morning Show students for putting together a skit for our kick off assembly! CVES has really embraced this project and I can't wait to hear about the experience you and your family have with this story.

5th and 6th grade Boys and Girls Travel Basketball is up and running as well as youth wrestling. These seasons are wrapping up. Congratulations to all of them for their hard work this winter! 4-6th grade archery continues as they prepare for the state tournament coming up at the end of March. Practices are now on Tuesday's and Thursday's. Saturday Morning Hoops has been in progress and Little League sign ups are officially open.

Looking ahead, there is no school on Friday, February 17th for Parent/Teacher Conferences. We had a CVYAA/PTO Meeting scheduled for Thursday, February 9th at 6:00 PM in the Library. Our Food Pantry pick up is on Tuesday, February 21st from 3:30-5:30 PM.

If you have any questions/concerns, please don't hesitate to reach out.

Sincerely,
Mrs. Moyer
