

PLAN YOUR DAY AT SUMMER LAB

Summer Lab enrollment is open to all rising Nursery 3–Grade 8 students who will be in the Chicago metropolitan region this summer.

This document is designed as an aid to assist you and your family in creating Summer Lab schedules for students entering grades 3-8. You can either choose a class you would like to enroll in that fits your schedule, or you can mix-and-match classes from each time slot to create a whole-day experience! Below you will find guides for each of our three sessions for both Grades 3-5 and Grades 6-8. Descriptions for each of our courses can be found [here](#).

Registration opens Wednesday, February 15 at 9 a.m.
