HOLLIS BROOKLINE HIGH SCHOOL	830	12.2%	20.2%		

The Average Daily Attendance for each school district is calculated annually for the State of New Hampshire. State aid is determined by each district's ADA. Research has shown that schools should strive for as high as possible ADA to optimize student achievement and graduation rates. Therefore, SAU41 monitors student attendance closely for the warning signs of truancy or chronic absenteeism to assure that the necessary interventions and supports are in place for families so as not to negatively impact a child's future success.

SUPERINTENDENT'S REPORT

I join with the administrators in the SAU Office and across the schools in celebrating the hard work and much success of our students, families, staff, Boards and extended communities. Over the last two years, the majority of our time has been devoted to the pandemic and the development of protocols and procedures that have allowed us to maintain an in-person learning environment. The SAU administration has also prioritized the development of the SAU and individual school district budgets. We have participated in and supported the collective bargaining agreements being negotiated. Our Leadership Team has also coordinated professional development opportunities for staff, analyzed student performance data, and prepared for school board meetings, while ensuring that all schools have the appropriate level of qualified staff to deliver the high level of instruction expected by our communities. I want to recognize and thank our students, staff and families whose support is to be commended as we continue to overcome the "virus" together while placing the needs of our students first and foremost.

The SAU41 Strategic Plan is in the process of being reviewed and updated as we enter this spring. Historically, our plan has served as a guide in the planning, implementation, and evaluation of the Mission, Goals, and Objectives approved by the SAU Governing Board. Articulation of curriculum, instruction, assessment strategies, and actions related to each of these areas have been discussed and the Leadership Team is responsible for providing the "deliverables" outlined as a means of informing the boards of progress in each area. In addition, the Strategic Plan provides direction to the Leadership Team as it relates to evaluation of technology and infrastructure, building maintenance and future planning. The Strategic Plan is therefore used as the starting point for our annual budget discussions.

The construction of the fiscal year 2022-2023 budgets has not been an easy task. Each budget has encountered a number of stressors including increased health costs, care an influx of new special education

students, a new transportation agreement, voter approved increases to staff salaries and benefits, New Hampshire retirement rate increases as well as costs needed to maintain our physical plants. That stated, I asked the administration to construct budgets that allowed us to continue to meet our strategic goals and objectives in a financially responsible manner. Our audits over the last two years have shown the SAU returning 1.9 million to the taxpayers in fiscal year 2020 and 3.2 million in fiscal year 2021 to offset the tax rate in both towns. One area of continued focus for the administration and our Boards is to review our operational procedures to determine how best to deliver services to all students. We have examined our staffing levels in regard to enrollment trends provided to us by NESDEC and made appropriate increases and reductions to best serve our students. We focused our efforts on a review of our special education mandates while using our established curriculum review procedures to examine our standards and curriculum. In each area we have aligned our budget priorities to meet the goals and objectives outlined in our Strategic Plan. The fiscal year 2023 budget sees us proposing an increase in staffing at the Coop level in order to maintain our current class sizes. To this end, we will be increasing two part-time staff members to full-time while adding a social worker to enhance our guidance department's supports for students. At the elementary level we will have proposed budgets that allow us to meet the class sizes recommended by both our Hollis and Brookline School Boards. Many of our schools continue to move forward with security upgrades for their buildings. Over the last few years we have increased our security cameras, reconfigured our entry ways, installed new doors and addressed a number of other items identified in our security plans. Our fiscal year 2022 budget(s) contained the funding for two roofing projects as well as technology items outlined in our on-going replacement cycle. In Hollis, this summer we installed new boilers, classroom heating units, and provided Hollis Primary School with a fire suppression system. In Brookline, we completed several

flooring upgrades and are currently recommending a major renovations project to address our aging infrastructure while enhancing our current educational spaces. I want to thank Lance Finamore, our Facilities Director, and everyone else who was involved in making these projects a reality.

While challenged by the pandemic, we continued to build and upgrade our technology infrastructure, to support and extend learning, to create efficiencies in our work, and enhance communication with parents and the communities. We are continually looking to upgrade and expand our student informational

system. As our administrators often point out, it is essential for us to utilize and gather data to support required state filings, analyze demographics and most importantly provide our families and staff with current assessment data which also drives our instructional practices.

On a regular basis Assistant Superintendent Gina Bergskaug and I have made time to visit our buildings and teachers' classrooms. We find this to be the most rewarding part of our positions. On these numerous occasions we have been impressed with the instructional practices of our staff. The children are engaged in their education while having positive experiences with their peers. Gina and I have also attended a wide variety of school events such as plays, whole-school gatherings, robotics events, athletic contests, induction ceremonies, and a host of other activities which have allowed us the opportunity to get to know our staff, our students, their parents, as well as many members of our community.

The support that the individual school boards have provided has been greatly appreciated. The frequent communication that Administrators across the SAU have shared with community members, school board members, budget committee representatives, students, families and our professional staff has allowed us to focus our efforts on our ongoing response to the pandemic and the impacts it has had on student learning. During the upcoming months we will continue to provide the Boards and our communities with data presentations to ensure our students are making the appropriate educational progress. Together, the SAU administration and the committed and dedicated individuals that serve on our Boards, will take the necessary steps to ensure that SAU 41 continues to be one of the premier school districts in New Hampshire.

Respectfully Submitted, Andrew Corey Superintendent

2021 HB COOP SCHOOL DISTRICTWARRANT SUMMARY

WARRANT ARTICLE 1

To see if the School District will vote to authorize the School Board to enter into a 15-year lease purchase agreement for **\$2,886,491** to finance the acquisition and installation of energy efficient heating and cooling equipment at Hollis Brookline High School to replace aging

equipment, bring comfort to staff and students and to improve energy efficiency; and to raise and appropriate the sum of <u>\$235,471</u> for payments due under the lease purchase agreement during the 2022-2023 fiscal year. This lease purchase agreement will contain an escape (non-appropriation) clause. (Majority vote required.) The school board recommends the appropriation 6-0-0. The budget committee recommends this appropriation 8-0-0.

WARRANT ARTICLE 2

To see if the school district will vote to approve the cost items for the second year of a three-year collective bargaining agreement reached between the Hollis Brookline Cooperative School Board and the Hollis Education Support Staff Association for the 2021-22, 2022-23 and 2023-24 school years, which calls for the following increases in support staff salaries and benefits at the current staffing levels:

Fiscal Year Estimated Increase

2022-23 \$88,523

and further to raise and appropriate a sum of \$88,523 for the second fiscal year (2022-23 school year), such sum representing the additional costs attributable to the increase in support staff salaries and benefits required by the new agreement over those that would be paid at current staffing levels. The school board recommends this appropriation (6-0-0). The budget committee recommends this appropriation (7-0-1).

EXPLANATION:

This warrant article represents a contract that was bargained in good faith between the Hollis Brookline Cooperative School Board negotiating team and the Hollis Education Support Staff Association. Those employees covered under this agreement include dishwashers, food service workers, cooks, custodians, para-educators, secretaries, and building maintenance supervisors.

Some of the benefits in this negotiated agreement include adjustments in wages for custodians in an effort to become more competitive in the challenging job market, increased management rights, and establishes flexible spending accounts (FSA) for employees at no cost to the

district. For year two of this agreement, employees will receive a wage increase of step + 2% or a 2.5% increase for those off of the step table. There are minimal changes to the health insurance caps, as they increase by only \$50/month for single and two-person and \$25/month for family plans.

WARRANT ARTICLE 3

To see if the school district will vote to raise and appropriate a sum of \$25,278,502 for the support of schools, for the payment of salaries for the school district officials and agents and for the payment of statutory obligations of the district. This appropriation does not include appropriations voted in other warrant articles. The school board recommends this appropriation (6-0-0). The budget committee recommends this appropriation (8-0-0).

EXPLANATION:

New features to the FY23 proposed budget are driven by both the strategic plan and the desire of the school board. The primary program goals and initiatives that drive the discretionary portion of the budget are as follows: increases in 0.2 FTE for a school counselor and a math teacher, the addition of a social worker, additional instruction in ESOL per new regulations, additional textbooks, resources and items in academics, additional computer equipment, and additional paraeducators at HBHS to support student programming needs. Other increases are noted in a shared food service sub, a shared vehicle for facilities use, and replacement athletic equipment. The budget notes decreases in replacement computer equipment from the prior year's budget, health insurance benefits, and regular education equipment.

WARRANT ARTICLE 4

Shall the District vote to raise and appropriate the sum of \$1,070,947 as the Hollis Brookline Cooperative School District's portion of the SAU budget of \$2,107,176 for the forthcoming fiscal year? This year's adjusted budget of \$2,018,210 with \$1,025,645 assigned to the school budget of this school district will be adopted if the article does not receive a majority vote of all the school district voters voting in this school administrative unit. The school board recommends this appropriation (6-0-0). The budget committee recommends this appropriation (8-0-0).

EXPLANATION:

This article requires both a secret ballot vote as well as a majority vote by all the voters in the three districts. Results will be tabulated at the conclusion of all of the school district annual meetings as well as the all-day voting session (known as "SB 2") in Brookline.

WARRANT ARTICLE 5

To see if the school district will vote to raise and appropriate up to the sum of \$200,000 to be added to the previously established School Building and Facilities Maintenance Expendable Trust Fund. The sum to come from the Hollis Brookline Cooperative School District's June 30, 2022 unassigned fund balance, available on July 1, 2022. The school board recommends this appropriation (5-1-0). The budget committee recommends this appropriation (8-0-0).

EXPLANATION:

The School Building and Facilities Maintenance Expendable Trust was established previously to help defray the costs of big ticket maintenance items. This fund alleviates the existence of major

financial spikes due to non-routine maintenance costs. The funding source of this article is the unassigned fund balance, or surplus, that may exist at the end of the current fiscal year, June 30, 2022. If surplus funds are not available, this article will not be funded.

The purpose of this fund is to carry forward funds for major building maintenance. Major expenditures are proposed by administration to the school board. The school board then evaluates and approves the expenditure after holding a public hearing.

CAPITAL IMPROVEMENT PLAN UTILIZATION

FY23	Cost
BEGINNING BALANCE	\$99,625
FY23 PROPOSED FUNDING	\$200,000
HBHS ROOF (PHASE 7)	(\$70,000)
HBHS ROAD PAVING (PHASE 2)	(\$70,000)
HBMS - HVAC	(\$60,000)
ENDING BALANCE	\$99,625

WARRANT ARTICLE 6

To see if the Hollis Brookline Cooperative School District will vote to raise and appropriate up to the sum of \$25,000 to come from the June 30, 2022 unassigned fund balance available for transfer on July 1, 2022 to be added to the previously established Special Education Expendable Trust Fund. No amount to be raised from taxation. The school board recommends this appropriation (6-0-0). The budget committee recommends this appropriation (8-0-0).

EXPLANATION:

The Hollis Brookline Cooperative School District established a Special Education Expendable Trust Fund in 2017. The purpose of this fund would be to help defray the cost of sudden, unanticipated significant costs that were unknown at the time of the development of the budget. Special Education aid reimburses roughly 10% of the total Special Education costs, and it is received over one year after the funds are expended. This trust is an important fiscal tool for managing risk. The funding source of this article is the unassigned fund balance, or surplus, that may exist at the end of the current fiscal year, June 30, 2022. If surplus funds are not available, this article will not be funded. All voter approved articles will fund in order of their appearance on the warrant.

Expenditures are proposed by administration to the school board at a noticed Public Hearing. The school board then evaluates and approves the expenditure. If the money is not expended, any funds are maintained in the trust until they are needed. The fund currently has \$200,000 and the passage of this article will bring the total to \$225,000. The agreed upon cap on this fund is \$225,000.

WARRANT ARTICLE 7

<u>Petitioned Warrant Article.</u> Shall we adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Hollis Brookline Cooperative School District on the second Tuesday of March? The school board voted to not recommend this article (0-6-0).

EXPLANATION:

Separate public hearings will be held on February 16, 2022 at Hollis Brookline Middle School and on February 23, 2022 at Captain Samuel Douglass Academy.

WARRANT ARTICLE 8

<u>Petitioned Warrant Article.</u> Shall the Hollis Brookline Cooperative School District rescind authorization under RSA 198:4-b II so that the Hollis Brookline Cooperative School District returns 100% of year-end unassigned general funds to the taxpayers? The school board voted to not recommend this article (0-6-0). The budget committee voted to not recommend this appropriation (0-8-0).

WARRANT ARTICLE 9

Petitioned Warrant Article. Shall the Hollis Brookline Cooperative School District direct the Hollis Brookline Cooperative School Board to adopt and implement a policy to ensure that each textbook or other assigned book used in the Hollis Brookline Cooperative School District as well as a copy of all professional training materials provided to teachers, administrators, and staff of the district paid with school district funds be made available to the public at the Hollis Social Library and at the Brookline Public Library in hardcopy or electronic form, organized by grade or teacher? The school board voted to not recommend this article (0-6-0).

WARRANT ARTICLE 10

<u>Petitioned Warrant Article.</u> Shall we adopt the provisions of RSA 32:5 V-b, requiring that the annual budget and all special warrant articles having a tax impact, as determined by the school board, shall contain a notation stating the estimated tax impact of the article? The determination of the estimated tax impact shall be subject to approval by the governing body. The school board voted to not recommend this article (0-6-0). The budget committee voted to not recommend this appropriation (1-8-0).

WARRANT ARTICLE 11

To transact any other business which may legally come before said meeting.
