Summer School Session Information

The 24-day session teaches course material normally covered in an 18-week semester. Some students may find this condensed schedule too challenging. We strongly encourage you to consider your student's ability to handle a concentrated learning experience before registering for Summer School classes.

24-Day Session Schedule

Mon., June 12 - July 20, 2023

Period 1: 8:00 a.m. – 10:15 a.m.
One semester credit

Period 2: 10:25 a.m. – 12:40 p.m.
One semester credit

Period 3: 12:50 p.m. - 3:05 p.m.
One semester credit

Repeat Courses

If students do not pass a course during the school year, and must repeat it in Summer School, they will need to register for Summer School **through their counselor**. It is not possible to register online for repeat courses. All of the repeat Summer School classes are computer-based classes created for credit recovery. There is no cost for credit recovery classes during the summer. These classes are available only to OPRFHS students.

Attendance and Tardy Policy

Because the accelerated pace of Summer School instruction covers an entire semester of curriculum, daily attendance is mandatory. If a student is going to miss class because of illness, please inform Ms. Hayes (lhayes@oprfs.org) or Ms. Lucas (clucas@oprfs.org) as early in the day as possible. If a student is absent and no contact is made with the Summer School Director, the student may be dropped from the class without a refund of tuition and fees. If a student requires an absence due to serious illness or death in the family, the parent/guardian must immediately notify the Summer School Director at 708-434-3423 or jlee@oprfs.org. If the director and teacher can determine that the time and assignments can be made up in a feasible manner and time-frame, the student may be allowed to continue toward gaining credit in the course. Students are expected to be in the classroom at the beginning of each session, and when breaks are over. Excessive tardiness in number and time lost may result in the student's removal from the class without a refund of tuition and fees. **Any student who misses 2 classes will be dropped from that class without a refund.**

Class Cancellations

Class cancellations are possible due to lack of enrollment. Students will be notified of any changes or cancellations. Every effort will be made to re-schedule the student for another class, if available.

Tuition and Fees

- Tuition is \$250 per credit. Unless otherwise specified, all courses carry one credit.
- Additional lab fees vary and are noted in the course description.

When paying by check, the check should be made out to OPRFHS and must have the name and address of the signer imprinted on the front. Please note the student's name and I.D. number on the check.

Financial Assistance

All families that qualify for Free and Reduced Lunch will have their academic Summer School fees waived. Please contact Ms. Hayes (lhayes@oprfs.org or 708-434-3504) or Ms. Lucas (clucas@oprfs.org 708-434-3108) for an FRL application and to register for classes.

Refunds

- **No refunds will be issued after Wednesday, June 14, 2023.**
- Students dropping a class on or before June 14 will receive a refund of tuition, minus a \$50 processing fee per class dropped.

Athletic Eligibility

Reminder: IHSA Scholastic Standing Rule 3.020 states that all students must pass 25 semester hours (five classes) of high school work in the second semester to be eligible for fall and winter sports. Summer School credit can be used to enhance second semester credits.

Summer School Services

- **Bookstore:** Students will come for orientation the week before Summer School starts. At that time, they will get their school IDs and books. All textbooks will be checked out to the student's ID number, and must be returned in good condition to the Bookstore on the last day of class. Otherwise, a \$5 late fee and the new textbook replacement cost will be charged. All other materials received will become the property of the student. The Bookstore summer hours are 7:30 a.m. – 3:00 p.m. Contact 708-434-3740 with any questions.

Summer School Regulations

Summer School hours are from 7:45 a.m. to 3:05 p.m.

Discipline: School policies in effect during the regular school year also apply in Summer School. Violation of certain infractions of the Behavior Expectation Plan will result in immediate dismissal from Summer School with no refund of tuition or fees. Other infractions that may be less serious but committed multiple times may also result in dismissal from Summer School with no refund of tuition or fees. Certain violations may also result in suspensions or actions that carry over to the start of first semester.

Human Dignity/Diversity Statement

The Board of Education recognizes the diverse character of the Villages of Oak Park and River Forest and asserts that, in a society characterized by that diversity, it is important that persons in the school community understand both their own heritage and the heritage of others. Respect for the rights of others encourages understanding and interaction necessary to good citizenship. There shall be no discrimination against any individual because of race, religion, nationality, gender, disability, physical characteristics or sexual orientation. *

Each individual shall be considered as unique with individual strengths, talents, skills, and shortcomings; shall have equal access to all school-related opportunities; shall be regarded in the same high esteem; and shall equally be encouraged to fulfill his or her potential as a human being. OPRFHS is committed to providing an inclusive education for all students where racial and economic predictability are eliminated in student achievement and success.

Negative or discriminatory behavior in violation of this policy shall be challenged wherever it occurs and dealt with appropriately.

**Civil Rights are defined by local, state and federal laws. For purposes of this statement, "sexual orientation" is defined as the actual or perceived state of heterosexuality, homosexuality, bisexuality, or gender expression.*

NOTE: This catalog is updated periodically. Check the course schedule before you register, to ensure that the time of the class has not changed.

History Division

S155 Pre-AP Strategies and Practice

Open to Grade(s): 10-12

9:00 – 12:00

Credit(s): 1 (Pass/Fail)

Recommended for students who will take their first Advanced Placement class in the fall. Through close reading and textual analysis, students will examine interdisciplinary topics, identify and analyze arguments, and construct responses that synthesize evidence and points of view. Students will also have the opportunity to discuss time management, workload, and expectations with peers who have successfully completed AP classes. By practicing these skills and interacting with those who have been part of the AP curriculum, students will be prepared for the college-level reading, writing, and expectations they will encounter in their AP classes. This class is pass/fail.

*****Registration will open in March. In the meantime, please contact Jonathan Silver with any questions at jsilver@oprfs.org or 708-434-3725.**

Mathematics Division

NOTE: All OPRFHS students enrolled in a freshman math class will be required to use a Texas Instrument TI-Nspire with touchpad calculator or a TI-Nspire CX. The Bookstore offers the TI-Nspire CX for sale. Please check with Bookstore staff for pricing.

S200 Pre-Algebra 8

Open to Grade(s): 9

Period 1: 8:00 a.m. – 10:15 a.m.

Period 2: 10:25 a.m. – 12:40 p.m.

Credit(s): 1

Students may take this course to better prepare for Algebra. This course is for students recommended for Algebra, or students recommended for Pre-Algebra (200) who wish to move up to Algebra (211).

S201 Pre-Plane Geometry A

Open to Grade(s): 9

Period 1: 8:00 a.m. – 10:15 a.m.

Credit(s): 1 (Pass/Fail)

Summer School only

This course is intended for mathematics students who have covered Algebra in 8th grade. It begins with the basic concept of signed numbers and works its way through algebraic expressions, equation solving, polynomials, etc. The purpose of this course is to prepare math students for Plane Geometry A. This course is for students recommended for Plane Geometry A or students recommended for Algebra, who have completed the Algebra pre-requisite, and who wish to move up to Plane Geometry A.

S202 Pre-Geometry A

Open to Grade(s): 9

Period 2: 10:25 a.m. – 12:40 p.m.

Credit(s): 1 (Pass/Fail)

Summer School only

This course is intended for mathematics students who have covered Algebra in 8th grade, and desire a rigorous experience that integrates conceptual learning with procedural math. Included in the review are the studies of integers, rationals, irrationals, number properties, expressions, equations, inequalities, polynomials, factoring, graphing, systems, functions, and quadratics. Students should not take this course unless they have studied all (or most) of the topics in the preceding list. This course must review the entire year of freshman algebra. This course is for students recommended for Geometry A or students recommended for Intermediate Plane Geometry A who wish to move up to Geometry A.

S2231 & S2232 Plane Geometry I & 2

Open to Grade(s): 10

Period 1: 8:00 a.m. – 10:15 a.m.

Period 2: 10:25 a.m. – 12:40 p.m.

Credit(s): 2

Students must enroll in Period 1 and Period 2. This course is designed to accelerate an entire year of Plane Geometry over two sessions. The purpose for this course is to allow students who show extraordinary desire and work ethic to move from the college preparatory level to the honors level. **This course is only open to students who are currently taking Algebra 1 - 2 (211) and are recommended by their teacher.** This course will cover explorations of inductive reasoning through the study of traditional relationships from Euclidean geometry including points, lines, planes, triangles, polygons, circles, areas and volumes. Problem solving skills and proof writing are emphasized. A graphing calculator is required. This class will be graded.

S2501 Introduction to Computer Science

Open to Grade(s): 9-12

Period 2: 10:25 a.m. – 12:40 p.m.

Credit(s): 1

This course provides an introduction to computer science programming. Students will discover the theory and power of computers by learning to write computer programs to conduct experiments and solve practical problems. The course will focus on several programming languages to facilitate students' learning of computer programming solutions. Languages include Scratch, Android App Inventor, and Python. The course prepares students for the more rigorous AP Computer Science or Honors Computer Science courses. Most of the work for the class will be done during class time in a computer lab setting under the supervision of the teacher. Some laboratory time outside of class may be required; a home computer with Internet access can serve this purpose. A Google Chromebook is required. Successful completion of this course will fulfill the applied arts graduation requirement. This class will be graded.

Special Education Division – No Online

S1177 Elements of Reading

Open to Grade(s): All

Period 1: 8:00 a.m. – 10:30 a.m.

Credit(s): 1 (Pass/Fail)

A student must have an exceptional characteristic of LD/ED on his/her OPRFHS IEP in order to qualify. The course targets the student's need areas and provide instruction and remediation. Instruction is based on multi-modal strategies with a

strong emphasis on visualization. This class is offered through the IEP process for students who have identified regression in the area of reading, and are eligible for Extended School Year. **(ESY – free of charge.)**

S2177 Applied Math

Open to Grade(s): All

Period 2: 10:40 a.m. – 1:10 p.m.

Credit(s): 1 (Pass/Fail)

A student must have an exceptional characteristic of LD/ED on his/her OPRFHS IEP in order to qualify. This class is offered through the IEP process for students who have identified regression in the area of math, and are eligible for Extended School Year. **(ESY – free of charge.)**

TEAM Program

S1999 T.E.A.M. (Transitional Education with Access to the Mainstream)

Open to Grade(s): 9-12

Period 1: 8:00 a.m. – 12:00 p.m.

Credit(s): 1

This course is designed to provide support in the application of a variety of academic areas. Students will acquire a basic knowledge of community resources, self-determination, current events, activities of daily living, and a variety of necessary life skills. Students will apply classroom skills in a variety of school and community settings for the purpose of skill generalization.

CITE Program

S9707 C.I.T.E. (Community Integrated Transition Education)

Open to Grade(s): 9-12

Period 1: 8:00 a.m. – 12:00 p.m.

S920 Driver Education (residents of Oak Park and River Forest have priority)

Driver Education Summer School will start on **June 7 and end on July 7**. Students will be required to pick one of the following class times. Section A will run from 8:00 a.m. to 11:00 a.m. and Section B will run from 11:30 p.m. to 2:30 p.m. Classes will be held **Monday through Friday**. DE class will not be in attendance June 19, July 3 and 4. Attendance is extremely important and students are expected to be in class every day. In order to participate student must be at least 15 years of age by June 7.

There is no pre-registration or online registration. Everything needed for Driver Education registration and for acquiring instruction permits is done only on the dates listed below and not before. Please do not send/mail anything at this time.

To take Driver Education during Summer School, you must attend **BOTH** of the two special sessions described below.

- Session 1: Tuesday, April 11, 2023 – 7:00 p.m. Initial registration for Summer School Driver Education will be held in the North Cafeteria. At this meeting, students will complete the appropriate forms and will review for the Rules of the Road test in order to obtain a Learner’s Permit. Applicants must bring a black pen.
- Session 2: Tuesday, April 25, 2023 – 7:00 p.m. At the final registration in the North Cafeteria, students will procure a Learner’s Permit, complete forms, and pay fee. Students will then sign up for a specific Driver Education class.

If you have questions, contact Daniel Kleinfeldt at dkleinfeldt@oprfs.org.

Total Fee: \$250

The fees are to be paid on the second night of registration by non-OPRFHS students, anyone retaking the course, or OPRFHS students who have not yet paid sophomore fees. Credit/debit cards, checks and money orders only.
