

PROCEDURES FOR EMPLOYEES TO REQUEST A VOLUNTARY TRANSFER TO ANOTHER SCHOOL FOR THE 2023-2024 SCHOOL YEAR

February 15th – April 1st: Any teacher wishing to voluntarily transfer must complete an APSB Transfer form, which includes notifying your current principal of your desire to transfer. Any employee that has completed this process would be free to accept a position offered at any other school. No additional approval would be required. **Note:** The Transfer form MUST be complete including your principal's signature.

Where an opening or position becomes available after **April 1st**, any teacher [even a teacher who has not previously filed an APSB *Request for Transfer Form*] shall be permitted to request a transfer for that opening/position. Teachers submitting APSB *Request for Transfer Form* after **April 1st** and before or on **June 30th** shall have both school principals submit a written statement providing their permission to the transfer.

After **June 30th**, a teacher has to be permitted in writing by both principals in order to transfer. The teacher must also have superintendent approval and may be required to remain in his/her current position until a certified and qualified replacement teacher is found.

A teacher transferred to a school or position must be certified and qualified for the position to which transferred. Should a person request reassignment to a lesser position, such personnel, upon reassignment, shall be placed in the salary schedule at the level of the new position.

A teacher on Intensive Assistance is not eligible for transfer. Temporary hires (One Year Only, One Semester Only) are not eligible for transfer.

Please send your completed forms to human.resources@apsb.org.
