II Superintendent's Report

Shaye Parker, a Bartlett HS senior, was recognized for being awarded the National Merit Scholar for obtaining a high score in the 2017 SAT test. Dr. Cushing presented her with the letter of designation and flowers. Her mother was also present.

Chairman Hurton, on behalf of the Committee, congratulated Shaye on being “one of the best” at Bartlett High School

1. Personnel Update

Since the last reported we have received three resignations – BHS Paraprofessional Jennifer Pepe
BHS ABA Jane Walsh
WMS Paraprofessional Amy Sheeran

Additionally we just received three letters of retirement at the end of this year: Linda Millet
Susan Plasse
Roberta Craig

2. ILT (Instructional Leadership Team / DLT (District Leadership Team) Data Meeting

The ILT and DLT members met as a district team to review how to best to facilitate our data. We have begun the process to determine specific students in need, looking at instructional practices and how best to close the gap.

3. Town Meeting Update

The School did not have any warrants on for this Town Meeting. Article 11 vote failed that would stop marijuana sale in town. Mrs. Goguen publically stated as the lead educator in town she is worried about the impact this will have.

4. Mapfre and Boston Children's Hospital Partnership

Continuing to build partnership with Mapfre Insurance and Boston Children's Hospital. Started this week at Park Avenue Elementary with a presentation titled "Think First". They are using our school to film for a promotional video. The WMS will have a presentation titled "Brain Presentation". BCH will be at our Open Houses for parents to stop by, as well as members of the Opiate Task Force. Members of the BHS marketing class are working on a flyer for the Opiate Task Force. An information meeting will be held Nov. 15th at the Webster Library.

5. Blackstone Valley Educational Foundation – Middle School Students to Waters Corporation

Twenty WMS students along with students from Douglas are going to Waters Corporation in Milford on October 30th. This is being sponsored through our affiliation with Blackstone Valley Education Foundation.

6. Other Updates

- District wide Flu Shot Clinic was offered at all of our schools. Thank you to Lori Glennon and Walgreens or arranging this.
- Mrs. Goguen has completed her SEI course, it prompted a closer look at our ELL families / students. Kathy Baris and Mrs. Goguen have begun to assess how to reach out to our ELL students and families, taking necessary steps to be in compliance.
- BHS students took a trip to UNUM where our business students spent the day learning more about entering the job market. Thank you to Sheila Blythe for arranging this.
- Leslie Baker and Mrs. Goguen had a conference call with Kellogg Foundation regarding partnering and obtaining a free app for ELL students to help send them positive messages using English.
- There is a 90 year old man from California called the "Post Card Man". He collects antique post cards and sends them to the area they're from to "spread happiness". He sent us two post cards from the early 1900's – one of the Filmer Building, the other of the Town Hall.

Chairman Hurton asked what the status is of the Administrative Assistants contract negotiations. Concerned over the length of time to renew. Superintendent Goguen said there has been ongoing meetings that included Member Chenevert, Monique Pierangeli, our attorney and herself with the administrator assistants' team. Scheduled to meet again 10/29 – starting from scratch, each side presenting their proposal. Hoping to come to a conclusion soon.

B. Business Manager Report

1. Grants Update

Mrs. Pierangeli provided a list of grants with a breakdown of fund received, funds expended, funds returned, status of grants. There is a new process for closing out grants with DESE. There was clarification given on some grants.

2. Food Service Update

Mrs. Pierangeli gave an update on the Food Services Program. Ellen Nylen is making great connections with the community. On Oct 12th she presented at the Mass Farm to School Institute in Pittsfield. We are in year one of this program. On Oct 19th she attended a tasting event at Auburn Public Schools. Today she presented with the Worcester Food Bank at DESE on the topic of "Keeping it Local Workshop". On December 6th along with Bartlett High School students will present to the Mass Farm to School panel.

3. Communication Update

The District purchased a new communication (walkie-talkie) system for the district wide use. There was a delay waiting for proper licensing, should have within a week. We currently have four walkie-talkies strictly for AA Transportation, this gives us the ability to communicate if we can't reach anyone in the main office for AA transportation. There will be 33 walkie-talkies throughout the district.

C. Principal Report – Peter Cushing - Bartlett High School

- Inclusive Tier 1 Instruction Academy
Prior to joining Bartlett, Janice Daniels and Jill Chapdelaine obtained this program. The process provides targeted supports for students while providing a team of teachers that are trained and it enables them to bring back to rest of staff. This is a three year project.
- Homecoming Dance
Very impressed. Students well behaved,
- Field trips to Unum, Art Exposition, NY Art Museum
These field trips offer experiential learning and hope that we can expand them as much as possible. One of the barriers is transportation costs so any community support is always welcome. The field trips are great opportunities for students to visit places they haven't been before. Over 50 students went to NYC
- MCAS November re-takes
Tests have been ordered. Working with Janice Daniels to begin the Title I YouNiversity to help students prepare for the test.
- Hall of Fame Dinner is this Saturday night at the Raceway
- CPM Math Training – new curriculum training this Friday and Saturday for BHS math staff. This is the first of four Saturday trainings that will happen this year.

There was additional conversation on increasing student engagement to provide support in hopes of increasing the number of students that graduate. Dr. Cushing said that providing a strong relationship with students and attempting to understand the reason for their behavior will improve student attendance and engagement.

III. Student update : Mariah Belletti
