

**Bullard ISD**  
**Title 1 Parent Involvement Policy**  
**2021-2022**

**Parent Involvement:**

Parent involvement is the participation of parents in every facet of education and development of children from birth to adulthood, recognizing that parents are the primary influence in their children's lives. Parent involvement takes many forms, including parents' shared responsibilities in decisions about their children's education, health and well-being, as well as parents' participation in organizations that reflect the community's collaborative aspirations for all children.

**Purpose:**

Bullard Independent School District embraces parent involvement and understands its importance in providing a quality education to every child. The concept of educating children is understood to be a partnership that includes students, parents, teachers, administrators, and community members. All partners have a responsibility in the academic success of students.

**Parent Participation in the Development and Yearly Review of the Policy:**

The original policy was developed by a committee of parents representing all Title 1 campuses. This policy is reviewed each spring at the annual federal programs meeting. Members are invited to give suggestions for revising and updating of the policy. The policy will be available on the Bullard ISD webpage.

**Evaluation of the Parental Involvement Programs:**

Parents will be asked to give input on the parental involvement activities for the year as well as perceived barriers to parental participation.

**Parent Involvement Policy:**

Acknowledging that parents/guardians are a student's first teachers and that this continuing support is essential for academic success. Bullard Independent School District is committed to the following parent involvement policy:

- Parents will annually receive information concerning the implementation of the Title 1 Schoolwide Program and will be encouraged to attend an annual meeting to offer suggestions for improving/strengthening the program.
- Parents will be given timely information concerning overall student performance standards and expectations (TEKS).

**Parent Involvement Policy Continued...**

- Parents will be given timely information concerning overall campus/state assessment instruments: local assessment measures, Texas Primary Reading Inventory (TPRI), TELPAS, STAAR and any other state or local testing.
- Parents will be offered opportunities for learning how to foster improved academic performance for their child(ren).

- Parent representatives will be involved in the development, review and evaluation of the campus improvement plan.
- Parents will be involved annually in the review/revision of the Teacher/Student/Home Compact.
