Out-of-District Transfer Application Windows

Students who live out-of-district and wish to transfer into Mt. Vernon Schools must complete an online application during either of the designated windows listed below. Also, all students who are currently attending a Mt. Vernon school (excluding Mini-Marauder Preschool) and do not live within the school district boundaries are also required to submit an application during either of these selected windows to attend during the 2022-2023 school year. (If you live in any MVCSC enrollment area, you do NOT need to complete this application.) As Superintendent Dr. Parker has previously shared, once you are a Mt. Vernon student/family, those students who submit an application will remain part of the Mt. Vernon family, unless there are major discipline or attendance issues. Please note that Fortville Elementary, McCordsville Elementary, and Mt. Vernon Middle School are currently closed to new transfer families.

Applications will be accepted during the following windows:

Window 1 - Friday, April 15 at 4 p.m. through Monday, April 25 at 8 a.m.

Window 2 - Friday, May 6 at 4 p.m. through Monday, May 16 at 8 a.m.

Camp Invention-This Summer at MCE

My name is Jessica Buell, and I am a second grade teacher at Mt. Comfort Elementary. I am so excited to be the Camp Director this year for Camp Invention.

We will be having Camp Invention this summer at Mt. Comfort Elementary! June 6-10th 9am-3:30pm

Camp invention is a week long STEM summer camp. It provides all-new, hands-on activities that will launch your child's imagination and get their confidence soaring as they explore STEM fun from the oceans to outer space. All kids entering Kindergarten- 6th grade are welcome to join us!

See this link for additional information.

(<https://invent-web.ungerboeck.com/programsearch/moreinfo.aspx?event=38057>)

New families can save \$25 with promo code EXPLORE25 now through March 31st.

Please let me know if you have any questions Jessica.buell@mvcsc.k12.in.us. I hope to see your child/children at Camp Invention this summer!

Sincerely,
Mrs. Buell

National Inventors Hall of Fame®

Camp Invention® is coming to Mt Vernon Community School District!

In partnership with the National Inventors Hall of Fame® (NIHF), **Mt Comfort Elementary School** is pleased to offer the nationally acclaimed Camp Invention® program to children entering **K** through **6th** grade. This exciting, weeklong summer adventure provides opportunities for open-ended, hands-on exploration of science, technology, engineering and more! Rotating through a variety of exciting activities each day, children have fun collaborating with friends, thinking creatively and inventing their own solutions to real-world challenges.

The week begins on **June 6, 2022** with **Jessica Buell** serving as Director. The all-new 2022 Explore program will thrill both new and returning campers with an expedition full of far-reaching explorations, fascinating discoveries and exhilarating “a-ha” moments!

During this dynamic, high-energy program, young innovators will:

- Dive into cutting-edge ocean research as they adopt their own robotic fish, design and patent aquatic plants, and take their fish friend home in a mini tank.
- Discover real space exploration technology when they create Space Packs and AstroArm devices, mine an asteroid and observe erupting ice volcanoes.
- Combine science and art to build their own robotic artist, engage in design thinking, make spin art and learn how inventions can change the way people create.
- Experiment with the fun of physics, engineering and gaming as they design, build and test their own mega marble arcades.

Early registration discounts available! Register using SUM25 by March 31 to save \$25, or SUM15 by May 18 to save \$15 off the \$245 registration fee.

Availability is limited, so visit invent.org/mylocalcamp or call 800-968-4332 to secure your child's spot today!

EXPLORE A TYPICAL DAY AT OUR ALL-NEW 2022 PROGRAM

A.M. BASE CAMP

Drop off your camper with certified local educators who start each day with games that spark creativity.

ROBOTIC AQUATICS™:

Campers create a habitat for a robotic fish — complete with a symbiotic friend — and then take their fish home in its mini tank!

SPACECATION™:

Inspired by real space exploration, campers construct Spacepacks and Astro-Arm devices, mine asteroids and observe ice volcanoes!

GAMES & LUNCH

Half the campers head outside to play action-packed games while the others eat lunch — and then they switch.

NIHF'S THE ATTIC™:

Combining science and art to build their own robotic artists, campers make spin art and learn that everyone can be creative!

MARBLE ARCADE™:

Campers get their game on as they experiment with the fun of physics and engineering to build their own mega marble arcades!

P.M. BASE CAMP

The day wraps up as campers wind down with problem-solving games.

All images feature actual campers enjoying our new 2022 program.
