2023-2024 Calendar Survey

MVCSC Staff and Parents: Please review [these proposed calendar options for the 2023-24 school year](#) and **vote once per staff member/parent**. The motivation behind considering other calendar options compared to our current model is simply to add a few extra days over the summer. We are asking you to consider the three calendars provided in the survey below and rank them in order of preference. The majority rule will eliminate one calendar and the final two will be sent back out to staff and parents in late February to select the final calendar (by majority rule) before taking a recommendation to the school board for approval in March. The deadline for responding to this survey is Friday, February 11th. Click the image below to begin taking the survey.

MV Reads: News from the Library

Reading books with your child can be a great way to connect while helping them learn valuable lessons. Author of *The Read-Aloud Handbook* Jim Trelease says in this article "[Don't Stop Reading to Your Kids Once They Learn How to Read](#)" "If you read a book about a kid who gets in trouble by hanging out with the wrong crowd, your child is going to experience that directly, and she's going to experience it with you at her side, and you can talk about it together. You can ask questions like: 'Do you think the boy made the right choice?' 'Do you think that girl was really her friend?' When you talk about a book together, it's not a lecture, it's more like a coach looking at a film with his players, going over the plays to find out what went right and what went wrong."

Reporting Absences

Please assist us by being sure to call our office at 317-894-7667 or email dianna.mccarty@mvcsc.k12.in.us if your student is going to be absent. Families will now receive a Parent Square message at 9am if your child was marked with an unexcused absence for the day. You can reply to the message on Parent Square to report the reason for the absence. Thank you for your help!
