To the **Janet Malser Humanities Trust** for their ongoing donations to the Bartlett High School Art Department. **We recently received our 7<sup>th</sup> grant in 9 years, totaling over \$89,000!**

"Janet Malser was a lifelong resident of Dudley and Webster. She established this Trust so that the causes she was involved with would continue to be supported when she was no longer with us. Her love of art, history, nature, and music inspired her to champion causes related to the arts and humanities, community service, and conservation. Through this Trust Janet's generosity of "self" will continue to be realized for years to come. This is her legacy."

The Bartlett ART Department has been awarded on \$8,297 grant from the Janet Malser Humanities Trust. This grant will be used to purchase clay and glaze to help with our Bartlett Empty Bowls event. We will also purchase new digital cameras and 3-D printer supplies, AND fund our Spring 2020 field trip to New York City! Bartlett artists: Victoria Mann, Vinessa Tankis, Duncan McIntyre, Zachary Kraal, Amanda Rivernider, Bradley Markiewicz, Scott Richard, Lexi Balducci, John Shealy, Brandi Mercer, Sean Harrington, Katelyn Picard, Sam Coombs, and Allison Grzembki.
