

# Superintendent Goguen

Dear Students, Families and Staff,

## **WEBSTER PRIDE!**

Congratulations to the Bartlett Indians on their victory over Southbridge at the 99<sup>th</sup> Thanksgiving Day Football Game! The team was surrounded by dedicated fans and a very special thanks goes out to our Band members and Cheerleaders for performing on this bitterly cold but special day! The wind chill factor could not keep Bartlett Pride away! We are grateful that the Fire Department also allowed us to have warming pits for our fans!

## **Other updates:**

### **North Village: After School Tutoring to start in January 2019**

We will be hosting an informational brunch on December 10<sup>th</sup> at 11:30 a.m. for parents/guardians living at North Village interested in learning more about our NEW after school Title I Tutoring that will begin in January. We hope to see many parents/guardians in attendance.

## Our traditional pep rally before the Thanksgiving Day Football Game was the BEST one ever!

A special thank you to Cheering Coach, Ms. Arelis Stawecki and Athletic Director, Tony Paranto for organizing an interactive and fun rally. The Cheerleaders and Band members wowed us with their talents and everyone was cheering on the Indians prior to their Thanksgiving Day Football Game.

GO BARTLETT

## Community Partnerships:

### Mapfre:

We would like to thank Foundation Mapfre and Boston Children's Hospital for the safety trainings they have provide to all the students at Park Avenue Elementary and the Webster Middle School. We were asked to produce an educational video with Mapfre to demonstrate the benefits of the safety trainings and this video is now posted on our website, [www.webster-schools.org](http://www.webster-schools.org)

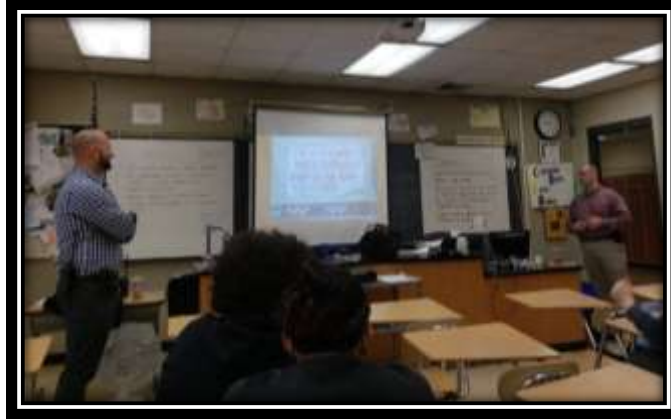

I am pleased to share that our partnership with Mapfre is expanding and on December 25th high school students will be participating in a Leadership program. Students will be going to Mapfre to learn more about goal setting and their planning for their future successes.

### Life Long Learners!

This week DESE Consultant Jennifer Appleyard presented information on the Early Warning Indicator System to our middle and high school counselors. We also had counselors from Auburn join us for this training!

**A special thanks to Officer Whiting and Sgt. Wentworth for presenting to Ms. McCarthy's Forensics class!**

**Our New Teachers Workshop series was facilitated by Principal Parmley, Principal Zajac and Curriculum Director Daniels!**
