The event starts at 5:00 p.m. and tickets can be purchased at, www.webstermusicboosters.com or can at the door. Our talented students will AMAZE you!

CONGRATULATIONS to the BHS Cheerleading Squad for coming in 4th in States!

Congratulations to the DECA team on their performances at the DECA competition in Boston last weekend! Connor Brennan and Dylan Thomas placed 3rd in their category and are eligible to go to the National Competition in Atlanta.

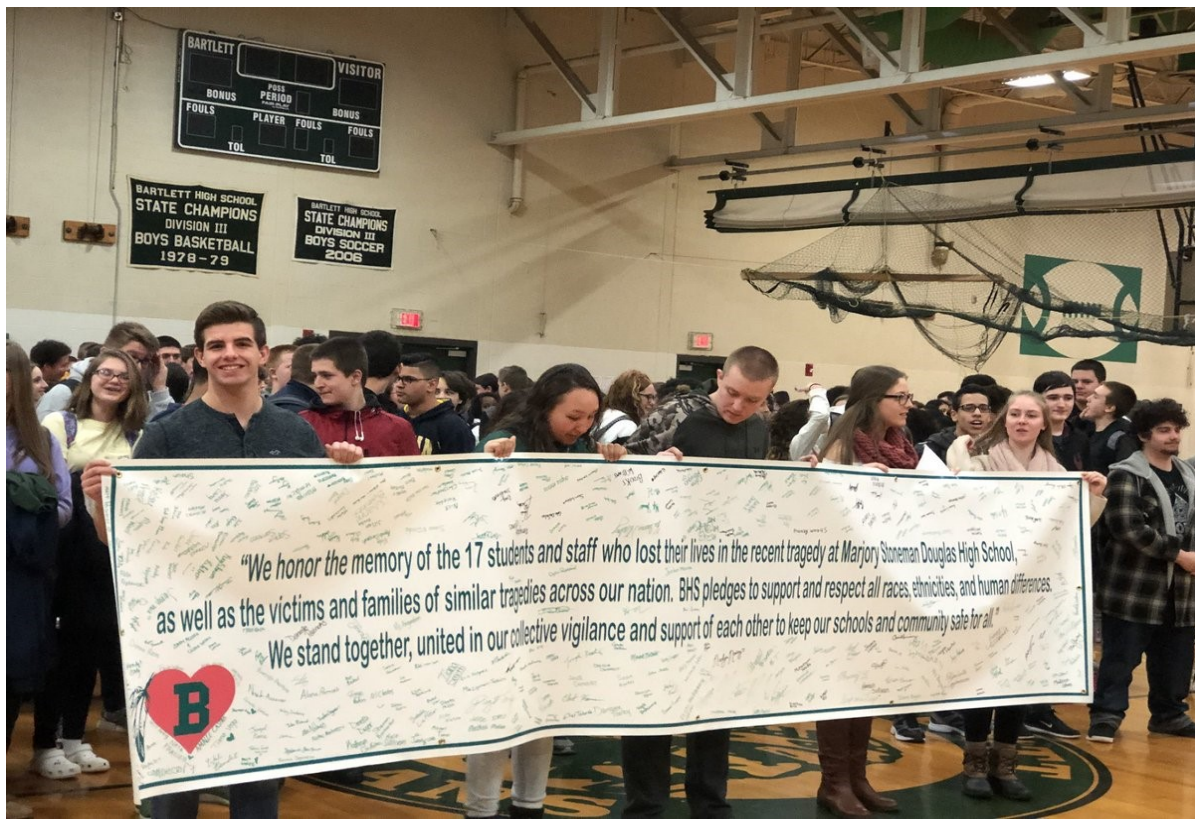

Congratulations to the BHS Student Council on participating in the Student Council Leadership conference in Hyannis and participating in the Special Olympics plunge!

This week we began a district wide initiative of spreading kindness and all students and staff were given wrist bands that read, In WEBSTER, Kindness Matters. These were given out on National Walk out day which our students participated in. Students at BHS organized a vigil and moment of silence honoring the 17 victims of the Parkland tragedy. Students at WMS brainstormed ways to increase peace in our world and schools and students at PAE focused on random acts of kindness. The Webster Schools made the news:

Starting Monday, March 19th Eric Tracey, Dean of Students at Bartlett High School, will be splitting his day between Webster Middle School and Bartlett High School. This decision was made after review of higher enrollment numbers and the increased needs at WMS. This will also benefit students transitioning to Bartlett, giving them clear expectations and familiarity.

Warm Regards,

Superintendent Goguen
