*Thank you* to all our Veterans who have served our country.

*Thank you* to all the parents and guardians who joined me for the roundtable discussions at each of the schools. The forums were very informative and helpful in learning more about what parents want to see in the Webster Public Schools. I have attached a brief survey for parents and ask that you take a few moments to share your ideas. <https://goo.gl/forms/woFBKMoBbTyx4fcg1>
