

Directions for showing your TERM grade on the parent portal

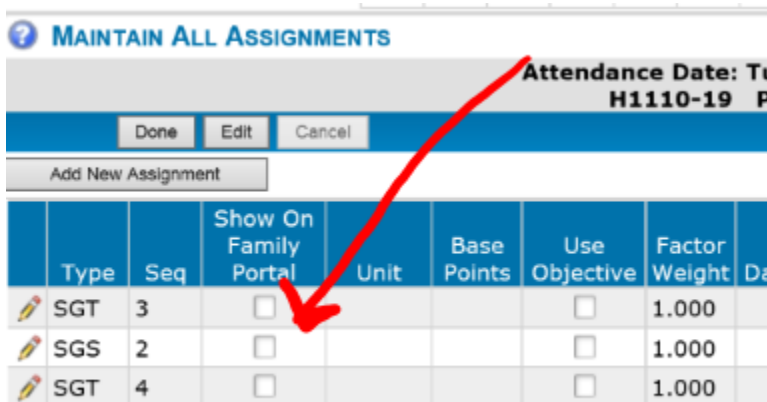

Open your gradebook (you have to do this in each gradebook, each term)

Click on Edit Properties of all assignments

On this screen, find you SGT3/4 and SGS2 and click the box that says SHOW on PORTAL

Please click EDIT and that will allow you to check those boxes.

Click done. Your grades will now show on the portal. You can do this with all or none of you regular categories.
