This document contains the information regarding the dress code found in the SLCA Parent-Student Handbook.

The Parent-Student Handbook is the prevailing authority.

General Expectations for All JK – 12 Students

- School faculty and administration reserve the right to determine the appropriateness of items worn to school. School administration has the final say in making a fair and consistent determination about clothing standards.
- Student dress should always be neat in appearance. All articles of clothing should be worn appropriately.
- Particular attention should be given to the appropriate fit/size/length of all items.
- Students should avoid wearing outdated uniform items, or those that are excessively worn or faded. Clothing with rips, tears, and/or holes is not allowed.
- Friday is “Spirit Dress”, students may wear any SouthLake polo or SouthLake t-shirt with appropriate jeans or school uniform shorts or pants.
- Shoes must be appropriate for use in PE and Recess. *Birkenstocks, Flip flops, Crocs, athletic slides, shoes with lights or wheels, and house slippers are not allowed.*
- Students are not allowed to wear sunglasses, hats (including hoods), or other kinds of headwear while inside school buildings.
- Only SLCA-affiliated outerwear may be worn inside school buildings at any time of year.
- No writing should be visible on any shirt worn under a school polo.
- Heavy winter jackets and outerwear not SouthLake-affiliated should be kept inside a school locker during the day. Students may retrieve and wear these jackets only when outside of the school buildings.
