

MEMORANDUM

Academic Office

Date: December 16, 2021

To: Ms. Tammy Prentiss, Superintendent
District 86 Board of Education

From: Dr. Chris Covino, Assistant Superintendent for Academics

Re: Academic Report Update - Local SAT Scores on Illinois School Report Card

During the District 86 Board of Education meeting on October 28, 2021, the Academic Department provided its [annual report of the state of academics in District 86](#). Unlike previous years, the October release of the 2021-22 Illinois School Report Card (ISRC) did not contain comprehensive assessment information due to COVID 19 complications with State testing. As indicated during the initial report, the State plans three separate ISRC release dates for the 2021-2022 school year. The information scheduled for released on the remaining dates is listed below:

December 2021 - No state-level data will be released.

- SAT (local)
- College and Career Ready Indicators (CCRI)

April 2022 - These data will be reported at the school, district, and state levels.

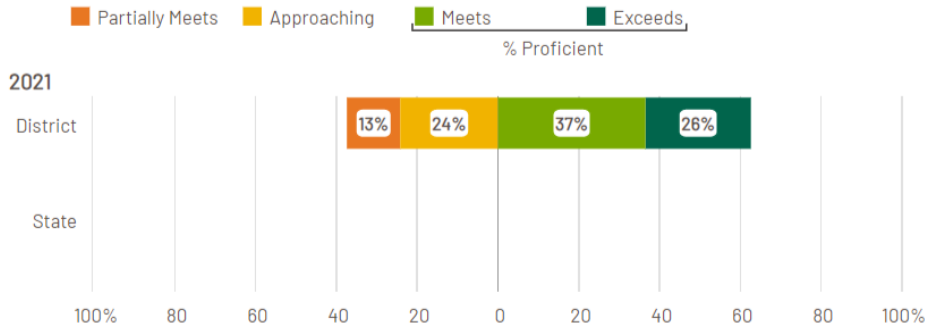

- SAT
- ACCESS
- Illinois Science Assessment
- College and Career Ready Indicators (CCRI)

Since the State released this timeline, they discovered several complications with the College and Career Readiness Indicator data. Like so many other data sets, the COVID pandemic affected the veracity of the data. The result is that CCRI results at the local and State level have been postponed. A new release date has not been determined.

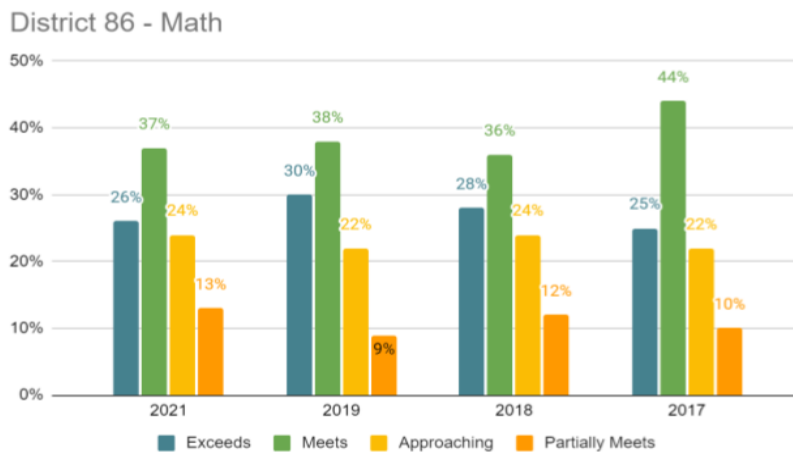

SAT Data Update - The following graphs indicate Illinois School Report Card results for District 86 performance on the Mathematics and ELA sections of the SAT for SY 2021-22 (class of 2022). Subsequent graphs indicate comparable performance in the three prior reported school years (no data on ISRC for 2020).

District 86 - Mathematics

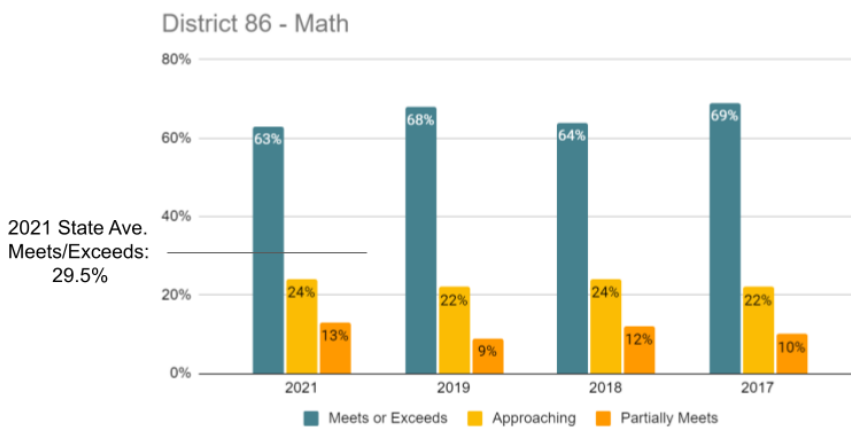

Meets/Exceeds = 63%
Est. State Average = 30%

District 86 - Mathematics

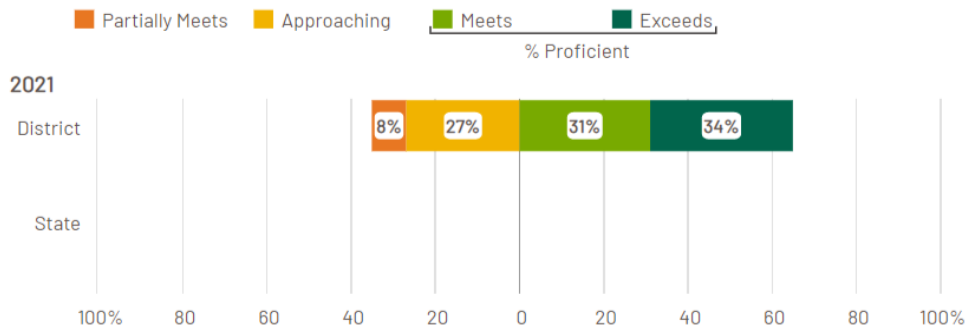

District 86 - Mathematics

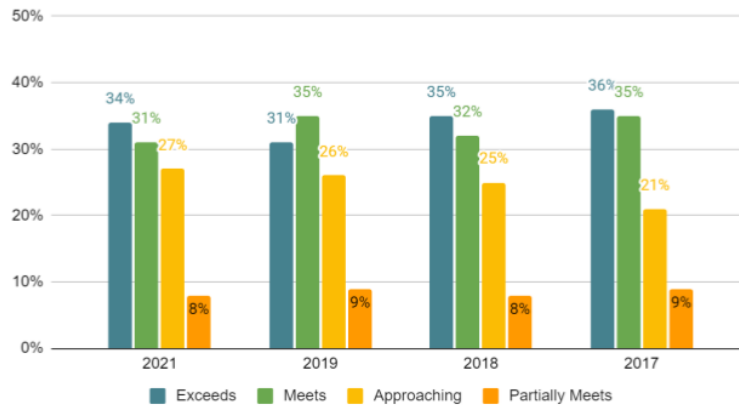

District 86 - ELA

Meets/Exceeds = 65%
Est. State Average = 33%
