

Illinois School Report Card Update

Second Release - SAT Data

Overview - ISRC Second Release

Early December: Release of Illinois School Report Card (ISRC) Part 2

- SAT Data with Illinois achievement categories

■ Partially Meets ■ Approaching ■ Meets ■ Exceeds

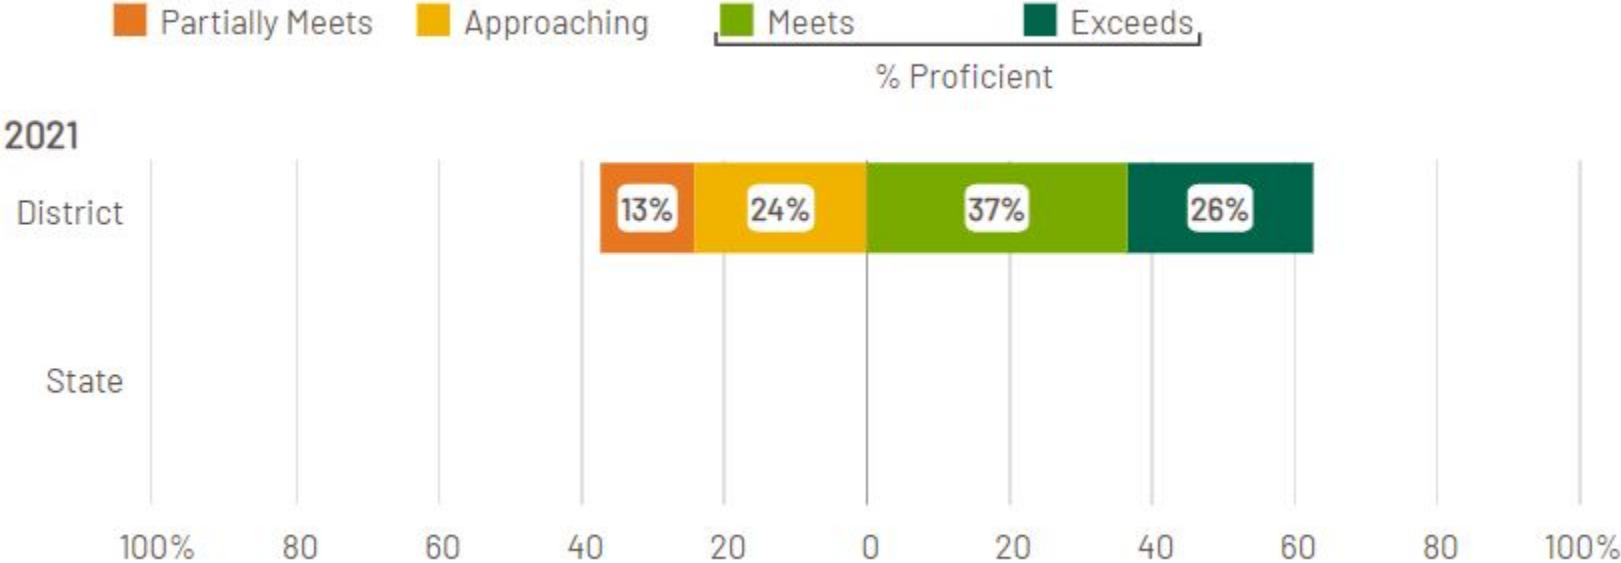

- Illinois Benchmark is higher than College Board
 - 60 points in ELA; 10 points in Math
 - Result: More students are in the Approaching Category in this report than in the October report
- No Official State Comparables (expected in April). All State comparables and scatter plots provided by Curriculum Area Directors' statistician.
- College Career Readiness Indicator (CCRI) was expected, but removed due to insufficient data

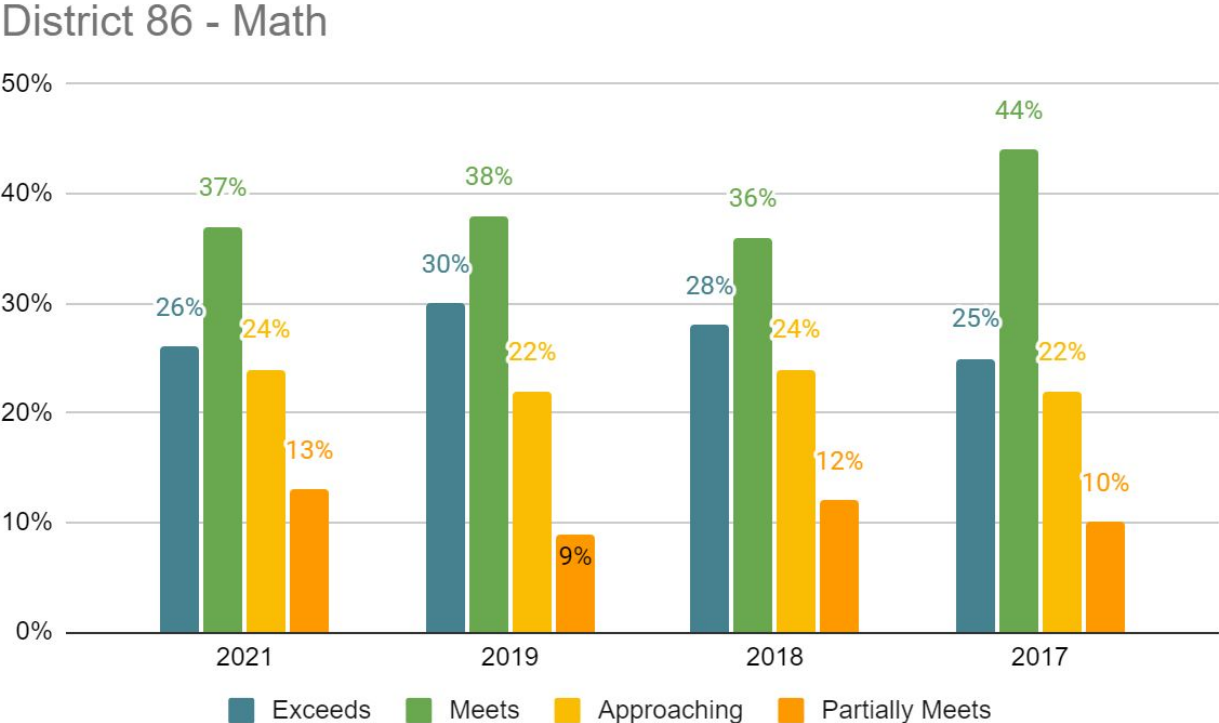

2021 Data unavailable

District 86 - Mathematics

Meets/Exceeds = 63%
Est. State Average = 30%

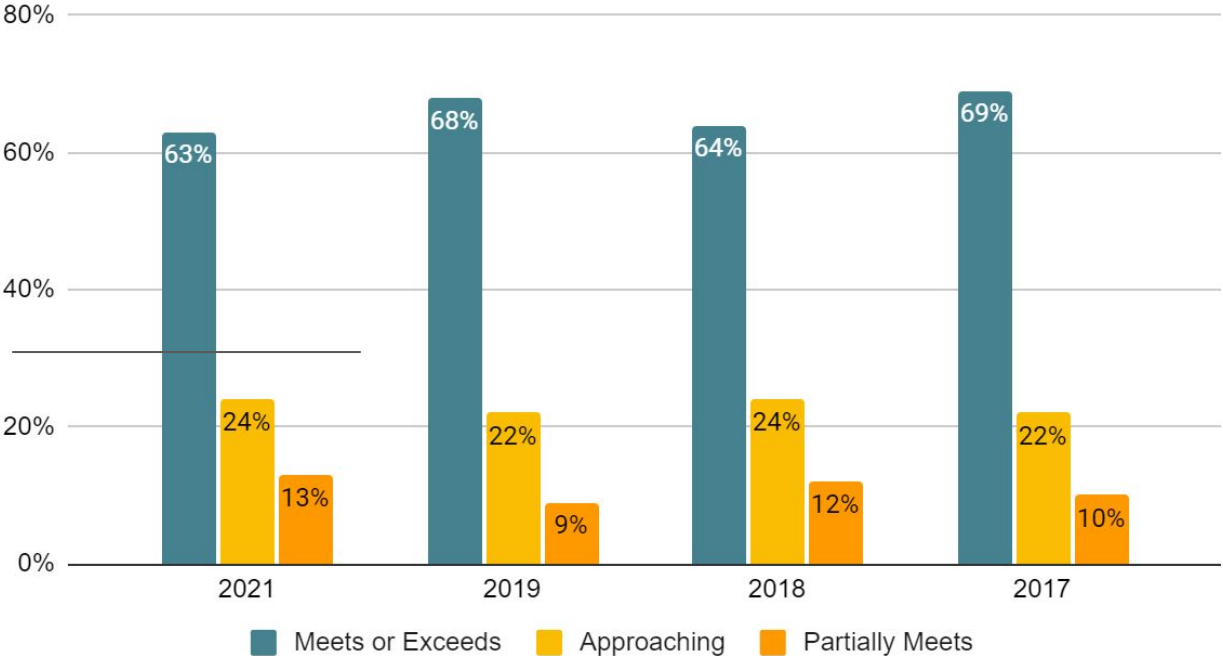

District 86 - Mathematics

District 86 - Mathematics

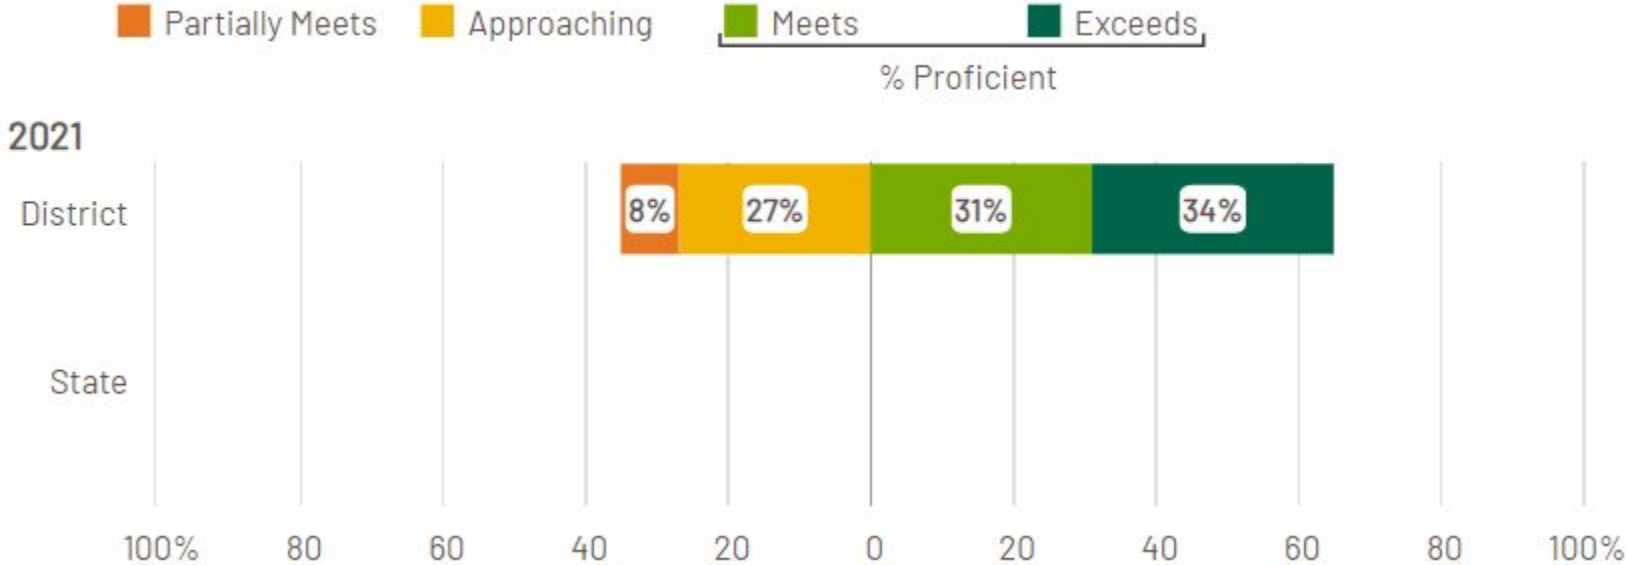

District 86 - Math

2021 State Ave.
Meets/Exceeds:
29.5%

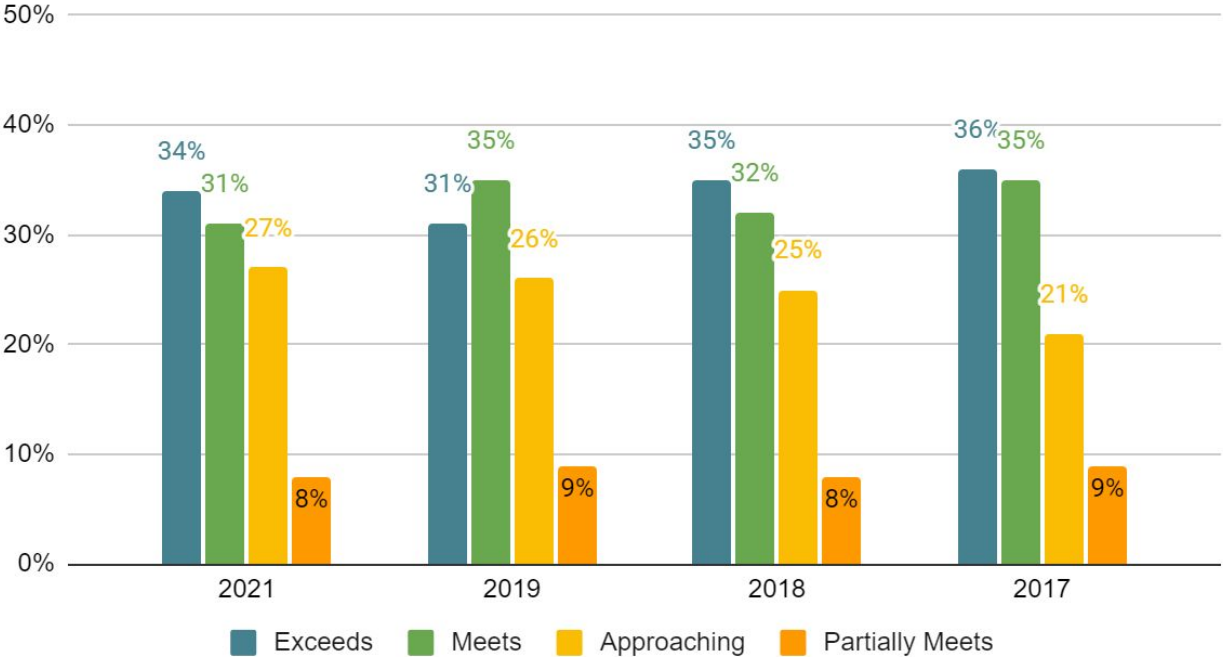

District 86 - ELA

Meets/Exceeds = 65%
Est. State Average = 33%

Current State Comparison (not Official)

2019 to 2021 SAT % Meet/Exceed READING Proficiency

2019 to 2021 SAT % Meet/Exceed MATH Proficiency

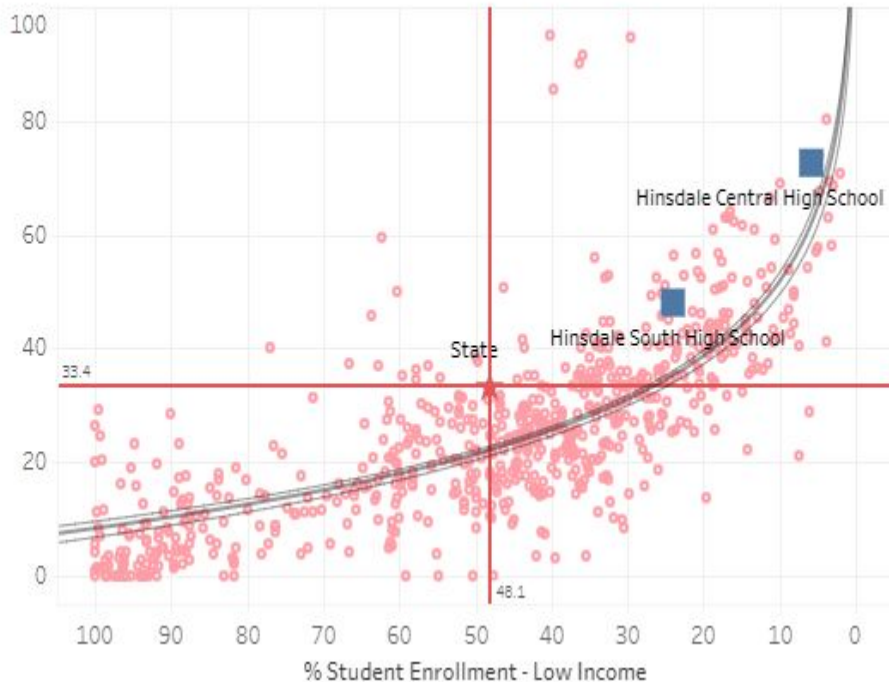

Red Lines = State average (x=2019; y=2021)

Orange Line = Reference line indicating if 2019 and 2021 scores were the same

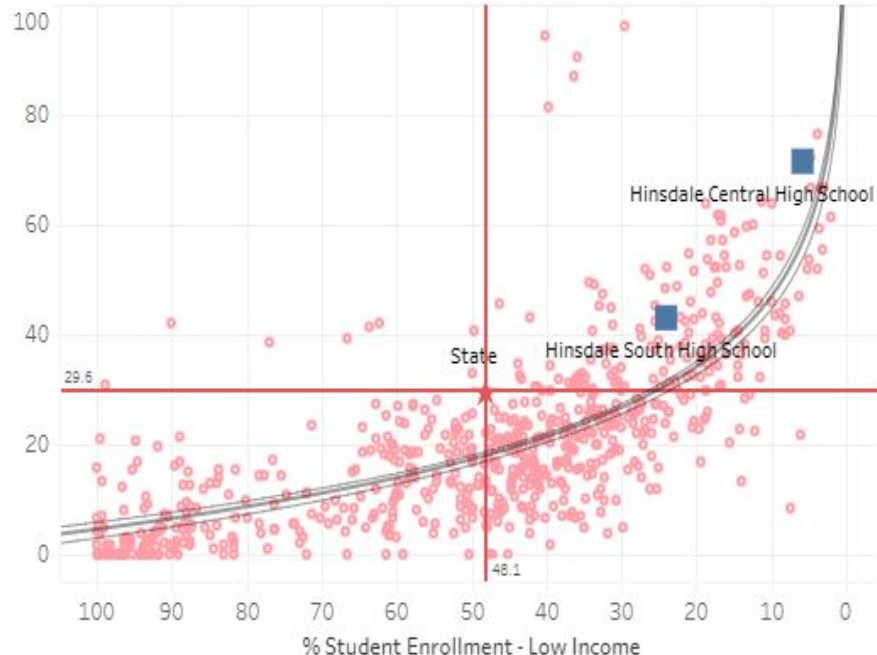

Grey (dark line) = Reference line indicating average Meets/Exceeds across the State

Current State Comparison - Low Income (not Official)

2021 % Low Income by 2021 SAT % Meet/Exceed READING Proficiency

2021 % Low Income by 2021 SAT % Meet/Exceed MATH Proficiency

Red Lines = State average (x=Low Income %; y=2021 Meets/Exceeds Proficiency)

Grey (dark line) = Reference line indicating average Meets/Exceeds across the State

Next Steps

April

- ISRC Update # 3
 - SAT with official State comparisons
 - College and Career Readiness (TBD)
 - Access
 - Illinois Science Assessment
- Growth data from PSAT administration

June

- Strategic Plan Goal 1 Update
