How can class reps help teachers?

- Communicate with teachers what is happening in Almaty. Example: circus, fairs, conserts, etc. could be possible field trips
- Something that can help the units of enquiry.

Field trips must be: unit relevant, age appropriate and safe. Field trip is any trip out of main campus

- Other ideas:
 - Guest speakers
 - Fun events
 - Taking pre-k and toddlers somewhere.

- Questionnaire (Google form) will be shared between teachers and class reps – to find out what is needed by teachers .
- Ms Nina confirmed it is a good idea for teachers.

What important information should be shared / reminded by class reps

- Fridays: post OBs letter
- Tuesday: post divisional letters
- All other info is on Seesaw
- teach parents where to find this information
