STUDENT WELFARE
WELLNESS AND HEALTH SERVICES

FFA
(WELLNESS PLAN)

<ul style="list-style-type: none">• School staff shall not use food as a reward, incentive or punishment for students	
---	--

- ☐ Recommended change to wellness plan:
 - ☐ Guidelines for Using Edible Reinforcers • Conduct formal preference and reinforcer assessments (include non-edibles) • Ensure medical clearance and/or parental consent has been obtained • Use only the amount necessary to be effective • Always pair edible with praise/other natural positive feedback • Outline and follow plan to fade the use of edible.
- ☐ Proposed Change:

Edibles being used as a reward or incentive or reinforcer must follow these guidelines:

 - ☐ Conduct formal preference and reinforcer assessments (include non-edibles)
 - ☐ Ensure medical clearance and/or parental consent has been obtained
 - ☐ Use only the amount necessary to be effective
 - ☐ Always pair edible with praise/other natural positive feedback
 - ☐ Outline and follow plan to fade the use of edible.

Discussion of rationale for change is that it is geared towards behavior/intervention teams, not general education. Edibles are still to be foods with some nutritional value, no candy or sodas. Tyra to add an example of an assessment/plan, Lacy to add smart snack food list and smart snack calculator, will send proposed change to Tyra to send to SHAC for an electronic vote.

- ☐ Esteem Curriculum viewing on the 28th of February @ 5 pm in the Board Room.
- ☐ Apr 22, 2023 Bubble Run and Health Fair. Confirm that it's a free event.
 - ☐ Will the Chief get the first responders to come
 - ☐ Will Tim Hoey order Trophies

The firm date of 4/22 - time will be adjusted pending Mr. Hoey schedule of combining age groups, suggest starting early due to temperature.

No Bubbles - change to a FUN RUN.

The event does NOT charge.

Dynamo Dash confirmed attendance.

Nurse Moss has had first aid tent in past, need to find out if she can do this again.

Mr. Hoey - to get with coaches at HS to map out route, send Tyra the run schedule from previous fun runs, get with Good Promotions on a quote to order Ribbons, ask Transportation for the possibility of transporting kids from south to fun run with school coach.

Need more vendors for fair.
