## Student Drug Testing Self-Referral Agreement

I, \_\_\_\_\_, choose to self-refer for a potential non-negative drug test.

- I understand that the Canfield Local School District Drug Testing Policy defines a self referral as, "The decision by a student to seek assistance or counseling for suspected substance abuse. Policy violations already reported or pending violation with law enforcement cannot be self-referred."
- I understand that a self-referral can only happen before I am tested and that I may self-referral one time prior to a positive result.
- I understand that counseling and additional testing are required, but no other punitive action will be taken.
- I understand that I may be tested monthly for the remainder of my qualifying activity involvement at the expense of my parent/guardian.

The drug(s) I may test non-negative for are as follows:
