Discussed Hold and Secure and how Secure Drills went at each building.

- In secure, remember to lock windows and put signs on the doors.
- Announcement of SRP went out on the DW Channel. Staff notified by PA announcement. Some schools had assigned people to lock and some had it zoned.
- OFI's- during drill a student was allowed in and someone was allowed to leave for an appt. An outside gym class did not hear the announcement.
- Solutions- classrooms by doors should have extra door signs, radio checks every week.

Coming up:

- A tabletop exercise will be conducted at an in-person meeting.
- SRP and ALICE training for students- for remainder of 22-23 SY, it will be pushed out via videos.

Discussed possible training for coaches and extra-curricular activity staff.

Discussed what would you do if the recent Steelton incident happened to STSD.
