

ON-LINE COURSE REQUEST INSTRUCTIONS

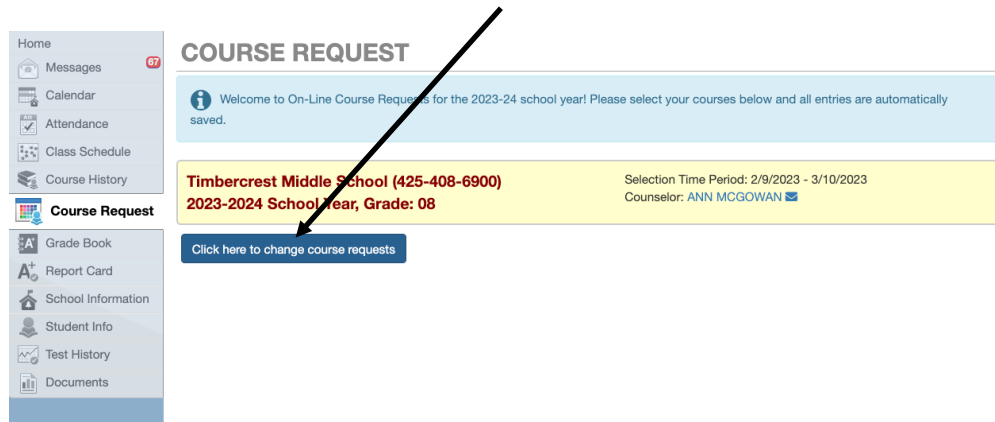

During the course request window, the course request screen allows students to view, add and/or edit course requests for next school year. Students should have a total of 15 courses selected (9 Core, 3 electives, 3 alternate electives). Selected courses will save automatically when you log out. Once the on-line registration window closes you will not be able to make any changes.

1. Login to StudentVue

2. Double Click Course Request

3. Select “Click here to change course requests”

- At the top you will see courses already selected for you. All courses available to select will appear in a list. Select your courses need and 3 Electives courses for a total of 12 course requests.
Remember – you must choose both A & B selections for full year classes.

* See the ONLINE COURSE REQUEST SHEET for course codes.

Search Courses
 Enter a search value to filter any of the applicable course fields.

TO REMOVE A COURSE

To remove a selection, click the remove button and it will no longer show in your selections.

Note: The course request is limited to 12 requests and 3 alternate selections. If a student needs to change an entered selection, the first selection may need to be removed prior to the entry of the replacement course. If a full year course is to be removed, remove both selections.

Total	4.500
