E. Updates and Discussion:

1. Porch Conversations, Echats, Website

Echats - Amy McGlashan need to facilitate rescheduling Caitlin's Echat. Maybe someone from the state level to talk about the connection between our work and state funding structure. Connection with student's in Amy's course. Q&A with ACSD students. Are they getting views? Vicki Wells 34, C & E 29, History 55, Mary 64. Move Vicki's higher on the page, Caitlin's on top when completed.

Porch Conversations - no more scheduled.

2. What's Next?

Porch Conversations/Website - promised sharing board conversation of what was discussed post Mary's letter and powerpoint with opportunity to ask questions. Update FAQs with some questions that came up, and point people to review them. Offer one final zoom for people who weren't able to or not comfortable with an in-person event with moderator. Could record

and have Mary and Victoria present powerpoint.

What else do we need? More engagement with school staff? Discuss with board - where have staff been involved and where/when should we ask them to re-engage? Could add to the timeline on the website. Ask Peter if we could offer a specific 'what did you miss while you were busy keeping the schools running' online conversation. Mary and Victoria share their presentation and offer Q&A in a recorded zoom town hall.

Concrete next steps: Prepare board newsletter, news portion of website, update FAQs (Amy will share notes from each meeting in google doc). Amy and Erika will connect offline to layout tasks, timeline and assign point people for each.
