

# DID YOU KNOW...

## CAIU HAS 2 NON-PROFITS

Volunteers have the opportunity to work side-by-side with other professionals, peers, and community members to achieve common educational goals. Volunteering provides a vehicle for networking and building relationships in the community that promotes a stronger and healthier professional and personal life.

Capital Area Intermediate Unit (CAIU) Champions for Children exists to improve the lives of children with special needs who are currently receiving services from the Capital Area Intermediate Unit. The Capital Area Intermediate Unit has the capacity to gain the resources within our communities to meet the needs of our children. We consider it an honor and a responsibility to reaffirm the worth and dignity of our country's children, to champion their cause, and through them, to create an enlightened citizenry.

CASTL provides advisory services, grant consultation, training opportunities, and community connections to support educators who need or desire to enhance student learning and educational environments. We believe learning is a lifelong process; teachers and students deserve an educational environment where they can thrive, and community involvement positively impacts education. We partner with Dolly Parton's Imagination Library to bring free books to Dauphin, Cumberland and Perry Counties preschool children.
