

# SCG-1050A - School Facilities Districtwide Survey

1	Select "SCG-1050" for your LEA.	SCG-1050_EAST LYME
	Unique response identifier.	1
2	Form Status	Submitted

3	RESC member of	LEARN
---	----------------	-------

4	Is the required district-wide long-term school building program plan required under CGS Sec. 10-220 complete and up to date, does it project out at least five years and has it been approved by both the town and the school board as the official plan?	True
5	Is the long-range building plan implementation on schedule with the necessary projects underway or imminent?	True
6	Does the district have a written plan for the repair and replacement of equipment based on useful life and other appropriate factors, and is this plan most often followed in the fiscal planning of the board? The useful life and appropriate factors would generally be the manufacturers' recommendations on replacement or major repair, but can also be the industry averages on useful lifetimes.	True
7	Does the plan for the repair and replacement of equipment cover all major plant and operational equipment?	True
8	Is the plan for the repair and replacement of equipment most often funded at a reasonable level? Funding is to be considered at a reasonably level if it is sufficient to provide for replacement and repairs within these useful life timetables.	False
9	Does the district have a written building maintenance plan which includes general cleaning schedules, major cleaning schedules, service system maintenance schedules for all major building components including roofs, and which takes into account fiscal cycles and prioritizes activities to accommodate funding constraints?	True
10	Is there reasonable funding in each annual board budget and town appropriation to provide for completion of all maintenance plans?	True
11	Has the BOE adopted and implemented an IAQ program in accordance with CGS Sec. 10-220, with reasonable funding to sustain the program?	True
12	Has sufficient funding to carry out the IAQ program been approved at each annual board budget and town appropriation?	False
13 to 19	Reserved for future use.	
20	Has the district established a formal reporting/response procedure for IAQ issues?	False
21	Are all facilities air conditioned?	True
22	Reserved for future use.	
23	Does the district have a green cleaning program that includes the use of cleaning products approved by Department of Administrative Services (DAS), provides the green cleaning written statement to all staff, parents and guardians, and meets the statutory deadlines for fulfilling the requirements of the green cleaning program for all facilities in the district?	True
24	Have custodial/maintenance staff been trained in the proper use of cleaning products?	True
25	Has the district established a school security and safety committee at each school?	True
26	Has the district conducted a security and vulnerability assessment at each school?	True
27	Has the district developed and implemented a school safety and security plan?	True
28	Has the district given Department of Emergency Services and Public Protection (DESPP) their annual fire and crisis drill reports for each school?	True
29	Has the district submitted its annual school safety and security plan to DESPP/DEMHS? (Question revised 4/6/2021.)	True
