

Bringing the correct things to outdoor school can make a world of difference in a student's experience.

It is very important that all daytime outfits follow our dress code include long pants and close toed shoes. Furthermore, it is extremely important to check the weather forecast (make this into a link) for the dates that your student will be at Camp Green Meadows. We frequently get much more rain than students may be used to back home, and in the winter we can get quite a bit of snow! Since our classes run rain or shine, it is important for students to pack a raincoat and warm clothing in accordance with the forecasted temperatures. At Camp Green Meadows, we also have ponchos and rubber boots that students can borrow for the duration of their stay if they do not have their own raincoat or waterproof shoes. In addition, it's always a good idea to pack many extra pairs of socks in case your feet get wet from rain or snow or from exploring in the creek!

### **Packing List:**

- |   |   |
|---|---|
| _____ <i>Sleeping bag or sheets and blankets</i>  | _____ <i>Sweatshirt or sweater</i>          |
