<u>Academy Committee</u>	<p>Academy Update: Mr. Wydra is our representative. He shared that the committee worked on options for activities such as the community builders and added more academic networking days. Both were in response to feedback. C / I suggested:</p> <ul style="list-style-type: none"> • Academy Committee release all survey data from December 2022 and on to the teachers • For next year consider enrolling students by program. For example, the D. Avila would have football players in his academy class. 	
<u>Ethnic Studies</u>	<p>I. Alatorre presented the Ethnic Studies graduation requirement to the committee. He shared the options of creating a new class and/or including the framework as part of an existing class in Art, English, Social Studies or World Languages. Committee members will review the following links for continued discussion next meeting.</p> <p>https://www.cde.ca.gov/ci/cr/cf/documents/ethnicstudiescurriculum.pdf https://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?sectionNum=51225.3.&nodeTreePath=2.3.4.3.3&lawCode=EDC</p>	
<u>Independent Studies</u>	<p>I. Alatorre shared current status of Independent Study. A. Purther asked how many students this first semester have dropped out and returned to in-person school at BCCHS. I. Alatorre noted he would research that question and answer it next time. I. Alatorre also noted that next year, students will not be able to drop Independent Study and go to BCCHS, they will be returned to their home school.</p>
