

Future Sophomore Enrollment

Counselor Corner Special Edition

Enrollment Timeline

Jan 27th- Students work on their Individual Plan of Study (IPS) in Xello during Seminar.

Feb 8th - Presentations during seminar provide students with the information needed to complete enrollment for next year's classes on line. (The presentation slide show will be made available in the Counselor's Google Classroom for Class of 2026.)

Feb 8th - Parent/Teacher Conferences and Enrollment Fair, 7:00 p.m. - 8:00 p.m.

Feb 8-24th - Online Enrollment Open

Feb 21-24 - Counselors will meet with future sophomore students individually to answer questions during their science classes.

July- Students will have access to their schedules in PowerSchool.

Online Enrollment is February 8th - 24th! Log into your PowerSchool page and click on Class Registration to pick courses.

Sophomore Required Classes

- English 2 or Honors English 2
- Math - Students will take Geometry, Geometry in Construction, Honors Geometry, or Honors Algebra 2. Please visit with your current math teacher to determine the ideal placement for your student.
- Science - Chemistry, Honors Chemistry or Physical Science
- Foundations of Health - .5 credit
- Modern World History - .5 credit

Honors English 2 Summer Reading Assignment

If your child signs up for Honors English 2, he or she will need to complete a summer reading assignment, which is due during the first week of school. Teachers will talk to the students and hand out books before the end of the school year. If your child is moving from English 1 to Honors English 2, it is important that he or she check with their current English teacher to obtain the assignment.

Accelerated US History 10

Students that want to take AP US History their junior year need to take Accelerated US History 10 their sophomore year. This class is a semester long and is usually taken the semester opposite of the semester they take Modern World History. This class also serves as the social studies elective needed to meet the student's graduation requirements.

Andover Central High School Graduation Requirements

To meet the Andover Central High School graduation requirements, students need to complete the following credits during their four years at ACHS.

English - 4 credits

Math - 3 credits

Science - 3 credits

Social Studies - 3 credits

Fine Arts - 1 credit

Health - 0.5 credit

P.E.- 0.5 credit

Computer Science - 0.5 credit

Speech - 0.5 credit

Elective Classes - 9 credits

Total Required: 25 credits

Students who have excelled academically during their time in high school are recognized based on the Latin Honors System. The Latin honors, Summa Cum Laude, Magna Cum Laude, and Cum Laude, are assigned according to students' weighted GPA and will be distinguished at commencement by different color cords which will be worn with other regalia. Because we have moved to this system of recognition, which relies on weighted GPA's, we do not rank students and we do not recognize a Valedictorian or Salutatorian.
