

Community Council

Agenda

Date: November 18, 2022

Attendance: Neesha Killpack, Guy Foutz, Adam Christensen, Jessica Powell, Lori Schliegel, Angie Richardson

Welcome: Neesha Killpack

Review of Minutes: Minutes were already approved

School improvement plan:

New data was presented on our RISE end of level scores, grades 4-6. Last month Mrs. Killpack presented whole school data. Today she presented the same data minus the Spectrum class. Our school was still higher than the state and the district in Language Arts and Math. We were high than the state in science, but below the district in this area.

School Business:

- We had some members of the school board visit today. Ms. Killpack reported on her meeting with them.
- Thanked the PTA for Dinner for parent teacher conferences and for Veteran's Week.
- Musical information will be sent home soon, Ornament Contest happening the first weeks of December and Pantry Packs happening in January.

Community Business:

- None

Next Meeting: January 13 @ 2:00
