TREATS FOR FINALS

Our annual Treats for Finals was again successful this year! The students were served cinnamon rolls, muffins and hot chocolate. It is always a popular event for students. If you would like to participate in our next treats for finals, it will be held May 30 and 31.

SMCHS FRESHMEN CLASS WELCOME DRIVE THRU 2023

February 9, 2023 marked the annual on campus drive-through welcome and celebration of the future incoming 2023-24 SMCHS freshmen. The 15 Grandparents Club members participating began setting up their shaded table and chairs, their signs and their large bowls containing 400 hand-wrapped assorted candies, each tagged with a printed note of Congratulations from the Grandparents Club. The Mother's and Father's Club members shared the area along side the Grandparents in the front parking lot B.

Throughout the campus were individual stations set up for the Band, the Steel Drum band, the ASB, cheerleaders and individual school teams like: Football, Girls' soccer, Volleyball, Swim & Dive, Water Polo, Baseball and Tennis; everyone

cheering and waving as a future 9th grader rode by. As a car slowed down in front of the grandparents, the future 9th grader in the car was handed one small hand wrapped pouch of candies, and a short explanation to the parent and student talking up the school and the Grandparents Club.

VALENTINE PARTY AT DOVE CANYON COUNTRY CLUB

The SMCHS Grandparents Club invited current members to a Valentine's cocktail and appetizer party on February 10, 2023, from 4:30-6:30 pm.

Cocktails were served in the Dove Canyon no-host bar room. Appetizers, served in the Club's grand first floor room as you enter, included a sumptuous display of assorted cheeses, crackers and abundant pieces of prepared warm vegetarian flat bread pizza.

44 members attended the cocktail party. Julie and Andy Sulick stopped by to say Hi to their favorite Club. After cocktails, a two-course dinner, your choice of filet mignon or salmon, with red-wrapped chocolate hearts for dessert, was served in the dining room. Though late, the dinner was quite delicious! 25 members stayed for the dinner.

LUNCH BUNCH AT HANNA'S RESTAURANT

SMCHS Grandparents' Club members, including active committee members, started off the 2023 year with a get-together at Hanna's, Santa Margarita, on January 11th, for lunch and conversation. Hanna's private Wine Room was reserved ahead for the 20 grandparents who attended. Menu items were varied, and lunch was delicious! Several members took advantage of this time together to talk about plans for the February 9th SMCHS "Freshman Welcome Drive Thru" on-campus event.
