*True Cost of tuition is \$15,000 per student, but thanks to generous donors and our successful fundraising campaigns (Grants, Corporate and Individual donations, PA Tax Credit Program) each year, the cost of educating each student is offset significantly. FCA passes these savings along to **every family** so that **no single student will pay more than \$10,206 in tuition for the 2023-24 school year.***

**Policies and Procedures-** Blackbaud Tuition Management has been contracted to process FCA's tuition and fee payments. The enrollment process includes registering with Blackbaud Tuition Management at <https://enroll.blackbaud.school/#/findschool>

Faith Christian Academy's past due tuition policy states that if an account becomes past due by more than thirty days during the school year, the account must be brought current within ten days or the student(s) will be removed. If necessary, special arrangements should be made with the Business Office prior to the tuition/fee due date.

**Financial Aid-** Each family's savings are varied based on financial factors. To maximize your family's benefit, the FCA financial aid application may be found online at <https://studentfinancialaid.blackbaud.school/#!/login> School Code: 13280. If enrollment becomes available, for your student(s), FCA will contact you directly with the results and work out a payment arrangement. Please note: Applications take a few weeks to process. Your provision of all required documents from the onset is key to timely processing of your application.
