Banks Trail Middle School

Together, Building a Tradition of Excellence.

With a motto of,
"Together, Building
a Tradition of
Excellence," Banks
Trail Middle School
believes diversity is
our strength. We've
brought together
many different
backgrounds,
talents, and ways of
thinking to create
one of the finest
middle school
environments
imaginable.

Located in the Piedmont in Fort Mill, South Carolina, Banks Trail Middle School opened its classrooms to students in the fall of 2011. The school contains 126,000 square feet of space that accommodates our current enrollment of approximately 900 students. There are 30 classrooms (100% of which are equipped with state-of-the-art Smart Boards), nine science labs, classrooms for fine arts and vocational education, and a gymnasium for special performances and assemblies. Our physical education and sports facilities include a gymnasium, a turf football/soccer stadium, a baseball field and batting cage, and four paved basketball courts.

It is our desire to create a school environment that will be enriched with academic, extracurricular, and community-based opportunities that equip

all Banks Trail students for their journey into high school and beyond. It is our responsibility to ensure that students have the knowledge, skills, and understanding to compete locally, nationally, and globally in all aspects of their lives. We sincerely believe middle school is a time when students are establishing the foundation for their successes in life through academic and social development and individual and societal awareness. We firmly believe these variables are cultivated by: classroom lessons that are rigorous, relevant, and engaging; extracurricular activities that enhance student learning and self-development; and community involvement, interaction, and service that make relevant connections to practical and educational experiences

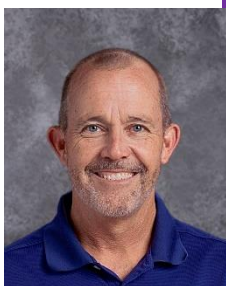

In striving for that vision, our school has

realized many accomplishments (see page 5). BTMS students' academic achievements have been well documented by an Excellent rating every year in both absolute and growth ratings on the State School Report Card. Students participate and excel in local, regional, and state competitions that represent all aspects of school life including academics, the arts, and athletics.

Though always proud to discuss our successes; the faculty, parents and students of Banks Trail Middle School realize that excellence is the *vision* and not the *destination*.

Working together, we continue to identify and set goals that must be attained in order to continue providing the best possible educational community.

Banks Trail Middle School

Teamwork, Responsibility, Ambition, Integrity, Leadership

Report to Parents 2018-2019

Dear Parents,

Banks Trail Middle School's goal is to help all students develop the world-class skills and life and career characteristics needed in the 21st Century. Our school's reputation of excellence and tradition spans only eight years in the Fort Mill community. Our goal is to raise the academic achievement of all of our students through STEAM inquiry-based learning, literacy strategies that span across content areas, and real-world applications.

We continue to implement new instructional strategies to impact each student's individual learning styles and needs. Banks Trail's teachers participate in professional learning opportunities throughout the school year. Sessions are developed and determined based on test data, observational data, student needs, and the goals of our school. We continue to include research-based instructional practices, parent communication, data analysis, and technology integration. Through funding provided in our district, we will continue to offer one-to-one technology for our students and fully integrate technology into our curriculum and instructional programming.

Banks Trail Middle School strives for excellence in the arts, athletics, and academics. We offer students the opportunity to take band, orchestra, art, chorus, and drama. We offer Gateway to Engineering courses and a computer science class that helps prepare students for possible STEM majors and future careers. Athletic opportunities at the middle school level include football, volleyball, cheerleading, basketball, soccer, track, and baseball. Other sports options for 7th and 8th grade are offered at our local high school.

Banks Trail follows a model of high expectations and continuous improvement as we strive to be on the cutting edge of student engagement and achievement. We make every effort to provide an educational environment in which all students have the opportunity to inspire, motivate, and live the "TRAIL" (Teamwork, Responsibility, Ambition, Integrity and Leadership) both at school and in the world. We strive for our students to be globally prepared for 21st Century challenges and for them to be caring people who help create a better and more peaceful world through intercultural understanding and respect.

A handwritten signature in black ink that reads "Michael W. Pratt".

Michael W. Pratt

Principal

Banks Trail Middle School

Elijah Peters, 6th Grade

BTMS Student Council President 2018-19

"The TRAIL. This is something I will never forget when I leave BTMS in 2 years. This is my first year here and I love it. I used Teamwork to get through hard obstacles. Responsibility to not get lost in the school. Ambition, to win student council president. I had to want it. Integrity, to be nice to everyone around you. Last Leadership, to be a leader not a follower. This is all you need to be great at BTMS."

Amy Rossett

BTMS Teacher of the Year 2019-20

"What an honor it is to represent BTMS as teacher of the year for 2019-20. In my 26 years of teaching, BTMS is the best school I've ever worked in. As literacy specialist, I look forward each day to serving the extraordinary students and staff of BTMS. Watching our students grow as readers and writers throughout their three years at our school brings me immense joy. We are blessed to have a staff that is so dedicated and committed to each child's success!"

Vicki Ellowitch

PTO Co-President

"This is our first year in Fort Mill and we are loving it here at Banks Trail Middle School. All of the teachers and staff have been extremely welcoming and helpful. Our child comes home happy and tells us wonderful things about her day. We couldn't be more pleased with our transition into middle school and Fort Mill!"

Marie DeMartino

PTO Co-President

"The PTO enables parents to volunteer, stay involved in their child's education and get to know the amazing teachers and staff of BTMS. With the growth in student population this year we have added amazing creative teachers who have hit the ground running. It has been a pleasure getting to know them. We were able to provide teacher grants for theatre spotlights, lilies for our 6th grade flower dissection project and sewing supplies for Family & Consumer Science. Through parent support with our fundraising efforts we provided the first author visit in the history of our school and will make author visits an ongoing budget item. It has been a rewarding 2 years leading our PTO and I can't wait to see what next year brings!"

Don Elliott

BTMS SIC Chair

"The Banks Trail Middle School Strategic Initiatives Committee (SIC), in collaboration with the BTMS administration, proudly presents the 2018-2019 Annual Report, which highlights the school's on-going pursuit of strategies and initiatives that promote innovative and rigorous educational experiences that empower BTMS students to achieve their greatest success."

As a member of this year's SIC, I have had the opportunity to see first-hand how the BTMS staff, students, parents and community work together to make the Fort Mill School District one of the best in the state of South Carolina. In light of the unprecedented growth in the Fort Mill School District, this plan is designed to enrich the educational experience of each BTMS student. Secondly, the plan is designed to prepare students for a successful transition to high school. The SIC committee applauds BTMS's staff for their leadership in implementing actions that are necessary to maintain the school's strong academic standards while expanding the breadth of its extracurricular opportunities."

Our Mission

- Gifted and Talented Classes in ELA, Math, Science, and Social Studies
- Daily Power Period time
- High School Credit Courses
 - English 1 Honors
 - Algebra 1 Honors
- Related Arts Electives
 - Gateway to Technology (ITE) courses in:
 - Intro to Engineering, Design & Modeling, Orthopedics in Motion, and Automation & Robotics

Academic

- Spanish
- Physical Education
- Computer Technology
- Family and Consumer Science
- Art, Theater Arts and Music
- Extra Help – before school, during lunch, and after school
- Special Education Classes (resource and inclusion)
- Six-period daily schedule
- Intervention/Enrichment time (Monday/Wednesday)
- Smart Boards, which allow for interactive learning
- 1:1 Chrome Book roll out Pilot school
- Media Center with 10,000+ volumes, one full-time certified librarian

Enrichment

- Junior Beta Club
- Character Education Program
- Cultural & Performing Arts
 - Art Honor Society
 - Band
 - Chorus
 - Drama/ Dance
- A/ B Honor Roll program
- Academic Challenge Teams
- Science Olympiad Team
- MATH COUNTS Team
- Service Learning
- Student Council
- Yearbook Staff
- The Howl – Student News Program
- Class field trips
 - 6th: Carowinds
 - 7th: Charleston, SC
 - 8th: Washington, DC
- Club Time (Tuesday and Thursday)
- Career Development

Athletics

- **Middle School Sports**
 - Football
 - Volleyball
 - Cheerleading
 - Basketball Boys and Girls
 - Soccer Boys and Girls
 - Baseball
 - Track Boys and Girls
- **High School Sports**
 - Cross Country Boys and Girls
 - Golf Boys and Girls
 - Swimming Boys and Girls
 - Softball
 - Wrestling

Home School Connection

- Active School Improvement Council
- Awesome PTO
- Rising 5th graders Tour and Orientation
- Back-to-School Orientation

2018-19 School Improvement Council Members

- Don Elliott, SIC Chairperson
- Marc Pyrc, Assistant Principal
- Bradley Wagner, Teacher Representative
- Melanie Kugler, Teacher Representative
- Adam Miller, Teacher Representative
- Sara McCart, Parent Representative
- Amy Merrigan, Parent Representative
- Kelly Wilson, Parent Representative
- Celia McCarter, Parent Representative
- Nikki Godfrey-Hill – Community Representative

School Improvement Council Purpose

Mandated by law, the SIC serves as an advisory group to the school. The SIC Brings together parents, school faculty, and community stakeholders to collectively establish, monitor, and evaluate specific long and short-range goals for students achievement. In addition, the SIC is a forum for parents, community members, and faculty members to share ideas and concerns about the school. Other functions of the SIC are to provide an annual school report to parents and the community and to increase parental awareness of and involvement in SIC initiatives. The BTMS SIC meets monthly. Updates and reports about the SIC are available on the school website.

Athletic Booster Club Board Members

- Kelly Thomas, President
- Ashley Causey, Treasurer
- Kristen Privette, Concessions/ Secretary

Testing Data

Science and Social Studies SC PASS Data:

The percentages below reflect students who have scored Exceeds and Meets Expectations in Science and scored Met or Exemplary in Social Studies for the year prior. Only 6th & 8th took the Science SC PASS test. Only 7th grade took the SC PASS Social Studies test.

Grade	Science	Social Studies
6 th	76.8%	
7 th		80%
8 th	69.6%	

English and Math SC College & Career-Ready (SC READY) Assessment Data:

The percentages below reflect students who have scored Exceeds and Meets Expectations for the prior year.

Grade	English	Math
6 th	65.6%	77.2%
7 th	56.6%	60.9%
8 th	55.2%	62.5%

English 1 and Algebra 1 End of Course Data:

English – 99% passing
Algebra 1 – 100% passing

Annual Report

Banks Trail Middle School and its School Improvement Council would like to share this Annual Summary Report with parents and community members who are interested in our school. The report provides information about our student academic achievement, school accomplishments, programs, and community service and involvement.
