*Welcome and Thank You for serving on our SIC this year!*

### **SIC Agenda & Minutes for 5-18-22** South Carolina School Improvement Council

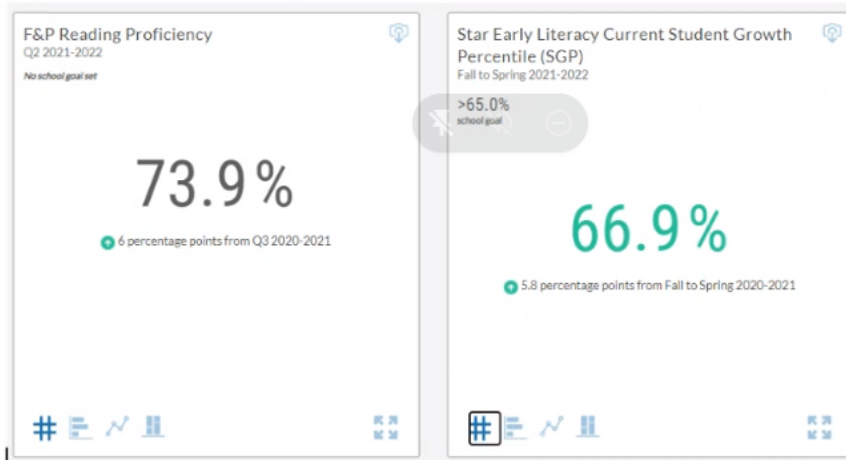

Insert Google Meet Picture

#### **I. Welcome**

1. Purpose of SIC ([tab](#) on school's website)
2. [Previous Minutes](#) From Last Month's Meeting (Seeking Approval)
  - a. Motion made by **L. Evans** and seconded by **C. Padgett**

#### **II. Updates and Student Growth**

- a. A. DeMeio - ELA Growth, Fall to Spring
  - i. RVES is currently ranked #4 in the district, among 20 schools, in the area of student growth.

ii.

iii. Teachers provided Professional Development (PD) needs via survey provided by Literacy and Numeracy Coaches, and current data will be used to support the PD planning.

b. E. Gaither - Math Growth, Fall to Spring

- i. Starting in 1st grade, students take STAR (Math). All grade levels increased at/above from fall to spring on STAR (Math).
- ii. Math continues to have gaps, since March 2020, and Long Range Plans are being adjusted to incorporate measurement and geometry standards into other concepts to ensure students access all the standards. More discovery based instruction will be focus in 4th and 5th grade. Also, K-3rd is working on prevention as the best intervention. Priority standards will be revised to ensure our focus is on the areas needing more support, in the coming year. Incorporating Math Recovery strategies in the classroom will be included to provide all students with the critical strategies.

c. K. DeWalt - Title I

- i. Our 3rd and final Title I night will be Thursday, May 19th, and last month we were able to have our 1st in-person family night since fall 2019.
- ii. End-of-the -Year Title I documentation is underway.

III. **Closing Remark** - Principal Chinchila

IV. **Future Meeting Dates**

V. **Questions/Concerns**

- ☐ [School Improvement Plan](#) is on school website. Student growth fall to spring is listed with graph for reading and graph for math. It also shows our school's demographics.
- ☐ Last day of state testing (3rd-5th) was completed, yesterday at Riverview Elementary with a few make up tests to administer.
