

DASD Preschool Parent Outreach Program
Presents

STEM FUN!

The DASD Mobile Innovation Lab

A handicap accessible school bus transformed into a state-of-the-art STEM mobile classroom for all DASD students to work with advanced technologies and participate in educational experiences including coding, robotics, and other science skills.

Join us for STEM Activities & Tour the DASD Mobile Innovation Lab

We will be highlighting the benefits of STEM activities by providing play-based provocations paired with children's picture books. Preschoolers and their grownups will also be able to take a tour of DASD's Mobile Innovation Lab.
