**Derry Township School District
Board of Directors Meeting
March 26, 2018
Summary Minutes - XVII**

1. OPENING ITEMS

a. Call to Order

Minutes

The meeting was called to order by Mrs. Sicher at 7:00 pm

b. Roll Call

Members in Attendance: John Abel, Lindsay Drew, Judy Haverstick, Maria Memmi, Lewis Shaw, Kathy Sicher, Tricia Steiner, Terry Singer

Member Absent: None

Non-Voting Members in Attendance: Joe McFarland, Mike Frentz

Staff/Public in Attendance: Dan Tredinnick, Jason Reifsnnyder, Stacy Winslow, Patsy Gilbert, Stephanie Patton, Mike Kause,

c. Flag Salute

d. Approval of Board of Directors Agenda

Approval of the March 26, 2018 Derry Township School District Board of Directors Agenda.

Minutes

Following a motion by Mrs. Memmi and a second by Ms. Drew the Board agenda for the evening's meeting was approved.

Vote Results

Yea: 8

John Abel, Lindsay Drew, Judy Haverstick, Maria Memmi, Lewis Shaw, Kathy Sicher, Terry Singer, Tricia Steiner

Nay: 0

Abstain: 0

Not Cast: 0

MOTION CARRIED

2. INFORMATIONAL AND PROPOSALS

a. Presentation: Music in Our Schools

Minutes

Five middle school students lead by Mr. Woodbridge played for the Board in recognition of Music in our Schools Month.

b. Presentation: Granada Property Business Plan

Minutes

Mr. Frentz reviewed the initial Granada Business plan with the Board.

c. President Communications

Minutes

Mrs. Sicher announced that the Board met in Executive Session prior to this meeting to discuss agency business which, if conducted in public, would violate lawful privilege or lead to disclosure of confidential information. Mrs. Sicher also read a prepared statement on her perspective as Board President.

d. Recognition of Citizens (Agenda Items)

This is an opportunity for residents and taxpayers to address the Board on matters related to the agenda. Those who speak are asked to come to the microphone and state your name and address for the record. To provide other residents with an opportunity to speak, each speaker during the public comment portion is limited to five (5) minutes of speaking time once recognized and limited to one opportunity to address the Board during each of the public comment periods. If necessary, the Board may set a maximum time for the public comment portion of any meeting. Speakers are asked to review the protocol for addressing the Board which can be found at the sign in table prior to speaking. Those wishing to present private concerns or questions needing follow-up outside of the Board meeting are asked to fill out a contact card, which can be found at the podium. Completed cards may be turned in to members of the administration to facilitate a reply.

Minutes

The following citizens were recognized by the Board of Directors:

- None

e. Standing Committee Meeting Report

Minutes

Ms. Drew reported that a Communication and Community Engagement Standing Committee Meeting was held earlier this evening. Lisa Sviben-Miller presented about communications on incident responses. The Committee also discussed school climate survey and surveys that have been conducted in the past.

f. Student Representatives' Report

As per Board Policy 004.1, the purpose of having two non-voting Student Representatives on the Board is to establish a communication link between the Board of School Directors and the student body of Hershey High School. The position will serve in presenting the students' viewpoints to the Board.

Minutes

Miss Blazer and Miss Bhardwaj reported on activities that occurred at the High School over the past two weeks.

g. Finance/Budget Update

Food Service Presentation

Minutes

Mr. Hummel provided a presentation to the Board of the District's food service program.

h. Concession Stand - Board Priorities

Minutes

Following a motion by Ms. Drew and a second by Dr. Shaw the Board approved to remove the Concession Stand at the 322 Field as a budget priority for 2018-2019 and move the item back to the General Services Committee for further review and discussion.

Vote Results

Yea:	8	John Abel, Lindsay Drew, Judy Haverstick, Maria Memmi, Lewis Shaw, Kathy Sicher, Terry Singer, Tricia Steiner
Nay:	0

MOTION CARRIED

i. Anticipated Agenda Items for the Next Board of Directors Meeting

The following items will be on the Agenda for the April 9, 2018 Public Board of Directors Meeting:

1. Approval of March 26, 2017 Board of Directors Summary Minutes
2. Presentation: DCOC Update
3. Requests for the Use of Facilities
4. Personnel
5. Staff Development

Minutes

The anticipated agenda items for the April 9, 2018 meeting of the Derry Township Board of Directors were reviewed.

3. UNFINISHED BUSINESS

4. CONSENT AGENDA ITEMS

Adoption of items of routine nature and those that normally do not require public deliberations on the part of the Governing Board. A Board Member may pull items which will then be discussed and voted on separately.

Minutes

Following a motion by Mrs. Memmi and a second by Mrs. Steiner Consent Agenda Items were approved with the following exceptions, Item 4i was amended to remove Joy of Sports from the original motion and Item 4j was amended to remove approval for Jason Pederson from the original motion

Vote Results

Yea:	8	John Abel, Lindsay Drew, Judy Haverstick, Maria Memmi, Lewis Shaw, Kathy Sicher, Terry Singer, Tricia Steiner
Nay:	0	
Abstain:	0	
Not Cast:	0	

MOTION CARRIED

a. Approval of March 12, 2018 Summary Board of Directors Meeting Minutes - XVI

b. Approval of February 2018 Finance Report

1. The Treasurer's Report for the month ending February 28, 2018 is summarized as follows:

General Fund Revenue	\$1,691,671
General Fund Expenditures	4,198,473
Balance of Cash Plus Investments (Includes Capital Reserve)	33,220,156

2. The listed schedule of investment transactions for the period beginning February 1, 2018 through February 28, 2018, has total interest earnings of \$13,409 comprised of the following:

General Fund	12,714
Capital Reserve	695

The average interest rate for February 2018 was .56%

3. The February 2018 expenditures for the paid bills for all funds total \$1,806,611 excluding net payroll, retirement contributions, and debt service.
4. The March 2018 expenditures for the unpaid bills for all funds total \$946,025 excluding net payroll, retirement contributions, and debt service.
5. Estimated expenditures of the General Fund for the month of March 2018 are in the following amounts:

Operating Expenses	\$1,000,000
Utilities	98,200
Net Payroll (3 pays)	2,166,000
Employer Provided Insurance	614,800
Payroll Deductions	1,089,000
Employer Payroll Taxes (FICA/RET)	2,422,000
Debt Service	<u>70,400</u>
Total Estimated Expenditures	\$7,460,400

c. Approval of Budget Transfers

Section 687 (d) of the Public School Code provides: The Board of School Directors shall have the power to authorize the transfer of any unencumbered balance, or any portion thereof, from one class of expenditures or item, to another, but such action shall be taken only during the last nine (9) months of the Fiscal Year.

The Administration recommends the Board authorize the March 2018 budget transfers.

d. Approval of Field Trip/Excursion - Pennsylvania Junior Academy of Science (PJAS)

The Administration recommends the approval of the proposed overnight field trip/excursion as listed:

Group:	Pennsylvania Junior Academy of Science (PJAS)

SIDE LETTER AGREEMENT

Derry Township School District ("District") and the Hershey Educational Support Professionals Association ("HESPA") hereby agree to the following provisions should the school district operate under a "Three Day Summer Closure" / "Four Day Work Week" from June 11, 2018 through August 17, 2018 and June 10, 2019 through August 16, 2019.

1. 8 Hour/40 Hour/12 Month Employees: (Custodial/Maintenance, Grounds, Administrative Assistant, Stockroom)
 - 10 hour workdays Monday through Thursday (Schedule(s) TBD)
 - Leave Requests for 10 hours = deduction of 10 hours of leave
 - Leave Requests for 8 hours = deduction of 8 hours (2 hours without pay)
2. 7.5/37.5/12 Month Hour Employees: (Administrative Assistant, Graphics Clerk)
 - 9.375 hour workdays Monday through Thursday (Schedule(s) TBD)
 - Timesheets will state 7.5 hours/day Monday through Friday
 - Leave requests for full day = 7.5 hours
 - i. Employee will work with direct supervisor to "make-up" the 1 hour and 45-minute differential during the same pay period
3. 5.75/28.75/12 Month Hour Employees: (Stockroom/Truck Driver)
 - 7.188 hour workdays Monday through Thursday (Schedule(s) TBD)
 - Timesheets will state 5.75 hours/day Monday through Friday
 - Leave requests for full day = 5.75 hours
 - i. Employee will work with direct supervisor to "make-up" the 1 hour and 30-minute differential during the same pay period
4. Section 9 "Overtime" will not apply until an employee exceeds, the 40-hour work week.
5. Bereavement Leave/Jury Duty: One day equals one day regardless of hours to be worked within the day.
6. Holiday (Independence Day): One day equals one day regardless of hours to be worked within the day.
7. Specific shifts will be determined by the Director/Principal.
8. Summer Schedule Time Sheet Submission - To accommodate the District's summer schedule the District has requested, and the Association has agreed, to modify the regular workweek schedule set forth in the contract. Instead of the standard workweek being five – (7.5 hour days - 37.5 hours or 5.75 hour days – 28.75 hours) members of the bargaining unit who normally work a 7.5-hour day agree to work four 9.375 days for their 37.5-hour workweek and members of the bargaining unit who normally work a 5.75-hour day agree to work four 7.188 hours days for the 28.65 hour workweek. We have been advised that the District's payroll processing program is geared to function with a 5-day/37.5 or 5-day/28.75-hour week. To facilitate payroll processing the district has directed all affected workers to continue to record their time on the District's standard 5-day/37.5-hour or 5-day/28.75-hour time sheet, and to submit them for payment. The Association has been in contact with PSEA legal counsel who has advised those affected

that time sheets can be submitted in the manner requested, provided the Association receives a written/signed acknowledgment that it is being done at the request of and for the benefit of the District, and with the further understanding that everyone concerned acknowledges that the hours per day portion of the time sheet is adjusted to facilitate processing and is in no way submission of false or fraudulent data. If the District wants to maintain an un-adjusted time record, the members of the bargaining unit will cooperate in recording actual, unadjusted time records on the four days they actually work. This signed agreement will constitute the District's direction to submit adjusted time sheets as outlined above until further notice.

DERRY TOWNSHIP SCHOOL DISTRICT

Dauphin County Technical School - March 14, 2018 JOC Meeting

Select Highlights

--Career Readiness Indicator for the Future Ready PA Index

The proposed Future Ready system would put more weight on measures that look at students' academic growth during the year. The intent of the proposed tool would broaden the factors that are considered when determining school and student performance.

The "Future Ready PA Index" would replace the School Performance Profile (SPP), which gives schools a score of 0-100. The SPP scores are based on a variety of factors but rely heavily on how schools perform on the PSSA and Keystone exams.

The Future Ready PA Index is comprised of three key areas, which would be viewed collectively when evaluating school success in the Commonwealth. Those components include:

- State Assessment Measures
- On-Track Measures
- College and Career Readiness Measures

The Career Readiness Indicator of the Future Ready PA Index recognizes efforts to ensure that all students have access to career exploration and preparation activities that are standards-aligned and evidence-based, including the development of career plans and portfolios that help students identify pathways and opportunities for postsecondary success.

The Career Readiness Indicator identifies the percentage of students in a reporting cohort who demonstrate meaningful engagement in career exploration and preparation and implementation of individualized career plans through separate, specific measures based on grade level benchmarks aligned to the Career Education and Work (CEW) standards.

The Career Education and Work Standards, Chapter 4 of Title 22, are part of the State Board of Education's regulations of required education for all students in Pennsylvania.

The Career Education and Work Standards address four areas of knowledge:

- Career Awareness and Preparation
- Career Acquisition (Getting a Job)
- Career Retention and Advancement
- Entrepreneurship

The CEW benchmarks are as follows:

- The percentage of students who, by the end of grade 5, demonstrate engagement in career exploration and preparation aligned to the CEW standards, via PA CareerZone or a locally designed career exploration and preparation program/curriculum.
- The percentage of students who, by the end of grade 8, create an individualized career plan and participate in career preparation activities aligned to the CEW standards.
- The percentage of students who, by the end of grade 11, implement their individualized career plan through ongoing development of a career portfolio and participation in career preparation activities aligned to the CEW standards.

The plan will begin to be implemented in the 2017-18 school year with a full rollout - including the Future Ready PA Index report cards - planned for 2018-19.

For nearly two years DCTS has been examining ways of bringing students to DCTS earlier in their education, perhaps as early as fifth grade. The Administrative Advisory Committee (superintendents of sending districts) is in agreement and has been supportive of moving the eighth grade tours down to beginning in sixth grade. The focus on bringing younger students for a tour of DCTS has been further reinforced by PDE's Future Ready PA Index, Career Readiness Indicator.

Traditionally, Dauphin County Technical School opens their doors in the fall for eighth graders to tour its career and technical education programs. A process that initially could be done in one day has now turned into two and sometimes three days. With the addition of Harrisburg School District and the increased interest in career and technical education the number of eighth graders visiting DCTS keeps growing. And with the introduction of the fifth grade CEW benchmark, consideration is now being given to beginning the DCTS tours as early as fifth grade.

However, the prospect of coordinating with seven school districts and numerous elementary schools would be a logistical nightmare. In addition, an even larger challenge is the transition years where DCTS and the sending districts would need to bring both age groups for tours until we cycle through these students ensuring they all are provided a tour. There are many roadblocks which the DCTS administration continues to problem solve.

Therefore, for the long term DCTS is considering the production of virtual tours of our Programs of Study by academies/career pathways. Currently they are reviewing estimates from three video marketing companies. The plan would be to fund this project through Perkin's dollars. Included in the DCTS vision is to work with the sending school district elementary school counselors to create meaningful standards-aligned and evidence-based activities to accompany their virtual tour.

-- Career Readiness Symposium

Hershey Middle School Counselors participated in a February 15 & 16 Career Readiness Symposium at the Hershey Lodge and Convention Center.

--April 11th Joint Board Meeting Budget - 7:00 p.m.

This is the annual DCTS budget review and approval meeting to which all sending district board members are invited to attend.

--DCTS School-to-Work Initiative - See attached presentation.

DCTS Blast - February, 2018 - See attached.

A thick black L-shaped frame is positioned around the text. It starts at the top left, goes right, then down, then right again, forming a large 'C' shape that frames the content.

SCHOOL-TO-WORK INITIATIVE

Joanne Custer, M.Ed. – Cooperative Education Coordinator

Christine Noll, M.Ed. – Vocational Transition Counselor

Vocational Transition Counselor

DCTS Representative

- Conduct 6th and 8th grade presentations at all sending schools
- Coordinate annual DCTS fall tours for middle school students
- Elementary school visits to engage young students in career exploration
- Serve as a liaison between sending schools and DCTS
- Provide individualized tours and information sessions for visitors
- Student Ambassador Advisor

School-Wide Event Coordinator

- Annual Tours
- Career Camp for Middle School Students
- New Student Orientation
- Junior Business and Industry Interviews

February
2018

February was Career and Technical Education Month!

By Ms. Zeager, Special Education Director

February was Career and Technical Education (CTE) Month, increasing public awareness of the numerous benefits CTE provides not only for students but for our nation's economy. The Carl D. Perkins Act revised in 2006 saw a philosophical shift; vocational-technical education (Vo-Tech) became career and technical education (CTE), both in the language of the bill and in the expected outcomes. CTE in the 21st century prepares students to be college and career ready. Students at DCTS gain skills that allow them to instantly enter the competitive work force upon graduation as well as enter 2-year or 4-year technical or college programs.

Last June, Congress passed the Strengthening Career and Technical Education for the 21st Century Act (H.R. 2353). "Today's vote is a win for the American worker," said Rep. Glen Thompson, co-chair of the CTE Caucus. "Given the dramatic evolution of our nation's workforce, it is imperative that we create clear pathways to education and training for students interested in pursuing careers in high-demand industries and technical fields...This bill will work to restore rungs on the ladder of opportunity for every American regardless of age or background."

PA Secretary of Education Pedro A. Rivera strongly supports CTE. "In today's job market, it is more critical than ever that students leave high school with strong academic and technical skills that prepare them for college-level studies or meaningful careers. I applaud these schools for creating the conditions for success, and helping today's students

become tomorrow's leaders in a competitive Pennsylvania economy."

In January, Governor Wolf visited DCTS to meet and encourage students. "My administration is focused on ensuring that students graduate from high school with the skills they need to get a good job, and career and technical education provides critical hands-on experience to prepare our young people...Not every student wants to go to college, but there are many job openings in Pennsylvania that require training and skills, and career and technical education is helping to close that skills gap." Governor Wolf recently released the budget for education that will include \$10 million for CTE.

February was Career and Technical Education Month, continued

DCTS is a career and technical public high school where students earn credentials, licensures, and certifications in their program at little to no personal expense. They prepare for high-demand, high-wage jobs they can obtain straight out of high school. With the wages they earn, they can later pay for college tuition and avoid debt. CTE graduates make an average of 11% more per year than regular high school graduates. They are filling in-demand jobs that did not rack up the average \$40,000 college-graduate debt.

According to the Bureau of Labor Statistics in 2012, the U.S. had 224,000 manufacturing job openings, but only 155,000 prepared hires. These jobs paid a median salary of \$41,710 for sheet metal workers and \$46,660 for diesel engine mechanics. In 2017, according to Payscale, Inc., Information Security Specialists (ISS) in the U.S. took home an average \$73,000 annually. Compensation varied from \$45,000 to \$115,000.

DCTS IST students are preparing to interview for this ISS job, and many other in-demand jobs, straight out of high school! A credentialed DCTS IST graduate can go straight to work as a Network Administrator, Helpdesk Technician, Data Cable Technician, IT Support Specialist, Desktop Support Specialist, and PC and Hardware Repairperson.

Career and Technical Education is the viable option for students all over Pennsylvania enrolled in over 16,000 approved career and technical education programs. Since 2014, statistics show that the number of CTE students earning industry-recognized credentials has increased by 32% and the number of credentials earned by students enrolled in CTE programs has increased by 28%. CTE's national graduation rate is 90% while the national average for regular high school graduation is 74%. DCTS is proud of a graduation rate of 98.4% for the 2016 -17 school year.

Please consider CTE for your daughter, son, grandchildren, and any young person who has a passion at an early age for one of the 26 programs DCTS offers. Applications are now being accepted for the 2018-19 school year.

Students of the Month

9th Grade – Hally Buffington, Criminal Justice/Police Science

Hally's home school is Halifax. She enjoys writing, reading, listening to music, sketching, chemistry, and toxicology. Hally is involved in Girl Scouts, Life Group Church, and Halifax School District Musicals. Her future plans are to study Forensic Toxicology in New York City, work as a Criminal Psychologist, publish a book, and possibly become a Private Investigator.

10th Grade –Taryn Rohler, Carpentry

Taryn's home school is Central Dauphin. She enjoys reading, pets, and carpentry. Taryn is involved in BC Cares and volunteers setting up sheds. Her future plan is to attend college for Criminal Justice.

11th Grade –Abigail George, Culinary Arts

Abigail's home school is Central Dauphin. She enjoys baking, writing, reading, pottery, aikido, and pastry arts. Abigail is involved in Youth Group, Theater, and the National Technical Honor Society. She volunteers at the nursery at the Hershey Free Church. Abigail's future plan is to become a Pastry Chef on a cruise ship.

12th Grade –Christian Jones, Automotive Technology

Christian's home school is Central Dauphin East. He enjoys basketball, racing, and working on cars. Christian is involved in SkillsUSA, works at Volkswagen for Cooperative Education, and volunteers at the Food Bank. His future plan is to learn about engine machining and building high performance engines. Christian is also interested in becoming a NASCAR driver one day.

Rotary – Cheyanne Pearson, Information Systems Technology

Cheyenne's home school is Central Dauphin East. She enjoys reading, cooking, baking, walking, skating, bike riding, gaming, computer networking, cyber security, and solving complex problems. Cheyanne is a member of the National Honor Society and National Technical Honor Society. She also works at Get Air Harrisburg and volunteers mowing and shoveling for her neighbors. Cheyanne's future plans are to obtain her Computer Networking Technology degree from HACC, her Bachelor's degree from Bloomsburg University, and acquire a career in Computer Networking.

Reader – Deja-lysse Eby, Masonry

Deja-lysse's home school is Central Dauphin East. Her favorite authors are Dave Pelzer, Lisa McMann, and Helen Keller. Deja-lysse's favorite books are *Cryer's Cross*, *A Child Called "It"*, *The Cage*, and *The Story of My Life*. Her favorite genres are nature, poetry, horror, and social issues.

Jostens Renaissance

On February 27, the AP Psychology students and a student from yearbook went to Bishop McDevitt to attend a Jostens Renaissance presentation about school climate and culture. The event is designed to promote leadership skills and inspire students to change the culture of their schools in a positive way. Mike Smith, Founder and Executive Director of a non-profit indoor skate park/youth outreach center, THE BAY, encouraged the students to pursue their passions and leave behind a positive legacy.

Congratulations

Dean Jacobs, Electronics Technology Instructor, was awarded the Lower Paxton Township Lions Club Teacher of the Quarter.

Four Diamonds

Thank you to the students and teachers who participated in STALL Day! Together they raised \$3,271.51 for Four Diamonds. If you would like donate to our overall total, please visit:

<https://fourdiamonds.donordrive.com/index.cfm?fuseaction=donordrive.event&eventID=1862>

Regional Science Fair Competition

On February 24, Curtis Heater and Deion Lockett attended the Pennsylvania Junior Academy of Science Regional Competition at Hershey High School. Curtis competed in Computer Science with his project about Phishing. He received the high point award for his category. Deion competed in Botany comparing the root growth of "Wandering Jew" when it was placed in various growth mediums.

Both students received 1st place in their competition and have the opportunity to attend the State Competition at Penn State University, Main Campus in May with their research.

2018 Pennsylvania Home Show

On March 1, four Construction Academy students competed against four local contractors in a Teamwork Builders Challenge at the PA Home Show in Harrisburg.

- Fabian Berrun - Masonry
- Javan Kelly - Electrical Construction & Maintenance
- Kathryn Petrilla - Building Construction Maintenance
- Flavio Rotta - Building Construction Maintenance

For participating in the Challenge, the students received buckets filled with tools to assist them in their future endeavors relating to the building trades. Special thanks to Angel Home Solutions, Dan Mione Construction Services, and RJ Wright Design-Build for participating in the event and donating the tools.

Junior Achievement Symposium

On March 5, Kimmerly Bravo, Lillian Gambone, Yanna Kearns, Angela Pierce, and Cornija Ramsey-McMullen attended the JA's Young Women's Futures Symposium at Lebanon Valley College. The one-day workshop for high school sophomores and juniors offered speakers, presentations, mentoring sessions, and activities for student to learn personal and career success skills.

Shippensburg University

On February 21, several junior and senior students visited Shippensburg University. The students had the opportunity to learn what Shippensburg University has to offer, experience a tour of the campus, and interact with current Shippensburg students.

DCTS Talent Show

On February 2, the DCTS Education Foundation held its second annual Talent Show at DCTS in the Auditorium. There were 23 wonderful acts from students, staff, and the community.

First Place - Students

David Eaton, Senior in Web Development and Design

Comedian – Seinfeld Theme

Sending School: Central Dauphin

Second Place - Students

Allyssa Mayberry, Junior in Marketing

Sign Language—In Case You Didn't Know (Brett Young)

Sending School: Derry Township

Third Place - Students

Aiyana Alvarado, Freshman in Commercial Art

Dance – Peekaboo (Red Velvet)

Sending School: Susquehanna Township

First Place - Adults

Ricardo Pinzon, Math Teacher

Dance - Pa Mayte (Carlos Vives)

Second Place - Adults

Jennifer Lovett, Learning Support Teacher

Vocal - "Why Haven't I Heard From You" (Reba McEntire)

Third Place - Adults

Kristi McConnell, ESL Teacher

Piano Solo - Tears in Heaven (Eric Clapton and Will Jennings)

Wolverine Bowling News

On February 8, the short-handed Wolverines took on the Polar Bears of Northern. In typical Wolverine pride fashion, missing a bowler or two did not stop the team. The squad took all three games and improved their record to 23-13. A big shout out to AJ Wolford for stepping up and bowling his first varsity game of the season!

On March 2 & 3, the Wolverines took their talents to Lancaster to battle the best bowlers from Eastern Pennsylvania. Tanner Goggin was the highest finisher of all Wolverines, riding a high game of 276 to finish in 22nd place in the boys division out of 191 bowlers. On the girls side, Mackenzie Dundore finished in 39th place and Desiree Dent landed in 56th place out of 150 bowlers.

While our team will not be representing DCTS at States this year, the Wolverines put on quite a show. In the team portion of the event, the Wolverines finished in 19th place and were the highest qualifier out of all the teams from our area.

Way to go, Wolverines! Way to show that Wolverine Pride!!!

DCTS Advocacy Day

On February 6, Mrs. Traynor, Assistant Director, and Mrs. Custer, Cooperative Education Coordinator, accompanied the following students to the Capitol for the annual CTE Legislative visits:

- Azhane Parker-Luster, Collision and Refinishing Technology
- Joseph Smullen, Diesel Technology
- Cristina Medina-Rosado, Web Development and Design
- Davin Anderson, Small Engine Equipment Technology

The visits are conducted annually and coincide with Career and Technical Education month. The students visited the following legislators: Senator John DiSanto, Representative Mike Tobash, Representative Patty Kim, Senator Mike Folmer, and Representative Ron Marsico.

Announcements

School is In-Session on March 29!

THE ADDAMS FAMILY MUSICAL

DCTS Theatre proudly presents The Addams Family on **March 23 – 25.**

- Friday, March 23 at 7:00 p.m.
- Saturday, March 24 at 2:00 p.m.
- Saturday, March 24 at 7:00 p.m.
- Sunday, March 25 at 2:00 p.m.

Tickets are \$10 - available in the Business Office or at dctstheatre.ludus.com.

FOUR DIAMONDS MINI-THON®

March 9 from 3:00 p.m. to 9:00 p.m.

BOOK FAIR

The Book Fair will be in the Media Center from March 12-16.

BLOOD DRIVE

Tuesday, March 20 in the Lobby. Everyone receives a FREE Blood Donor t-shirt! A form of ID is REQUIRED to donate blood.

DCTS ALUMNI

DCTS is seeking alumni. Please register on the Alumni Page on the DCTS website, www.dcts.org. Click on "Community", then "Alumni". This webpage is the start of creating an Official DCTS Alumni Chapter and Class Reunions.

BUTTERBRAID FUNDRAISER

Normality Zero is hosting a Freckled Moose Butterbraid Fundraiser. Orders are due March 12 and delivery will be between March 23 -28.

Cost]: \$13 per pastry

Flavors:

- Apple
- Four Cheese and Herb
- Blueberry and Cream Cheese
- Carmel Rolls
- Cherry
- Cinnamon
- Cream Cheese
- Double Chocolate Premium Dessert
- Raspberry
- Strawberry and Cream Cheese

MATTRESS FUNDRAISER

When: May 5 from 10:00 am to 5:00 pm

Where: Mattress Warehouse, 6301 Grayson Road, Harrisburg, PA 17111

Online Ordering: Begins April 23

Benefits: Normality Zero Robotics Team

SAVE THE DATE

- NHS Induction – April 5
- Spring Dinner & Silent Auction – April 20
- BC Cares Golf Outing – May 5
- Co-op Banquet – May 10
- Senior Awards – May 24
- Graduation – June 5

NO SCHOOL

- March 30 – April 2 (Spring Holiday)
- April 13 (In-Service Day)
- May 2 (12th Grade Only – NOCTI)
- May 28 (Memorial Day)

NEW ADULT & CONTINUING ED COURSES

Carpentry Fundamentals will be offered on Tuesdays and Thursdays from 5:00 – 8:00 pm beginning April 3 and ending May 3. This course is designed to provide an introduction to the carpentry trade. A "hands-on" experience that can be taken as a prerequisite to more intense carpentry training. On the other hand, if you just want to get some basic fundamentals to use on home projects, this course is for you!

Warehouse Operations is a 60-hour course offered from 4:30 – 8:30 pm. Tuesdays and Thursdays, beginning April 3 and ending May 22. This is a great course for someone who is interested in entering or re-entering the workforce. Subjects covered include safety, concepts of distribution centers, warehouse layouts and management, equipment usage, pallets, and stacking and racking systems.

Please contact the Adult and Continuing Education Office at 717-652-3170 x 7445 for further information, or go to www.dcts.org Adult Education/Evening Programs to see what other courses are available this spring.

The Dauphin County Technical School is an equal opportunity education institution and will not discriminate on the basis of race, color, national origin, sex, or handicap in its activities, programs, or employment practices as required by Title VI, Title IX, and Section 504. For information regarding civil rights or grievance procedures, contact our Title IX Coordinator or Section 504 Coordinator at 6001 Locust Lane, Harrisburg, PA 17109 (717) 652-3170. For information regarding services, activities, and facilities that are accessible to and usable by handicapped individuals and groups, please contact our Administrative Director.

TOWNSHIP OF DERRY PARK AND RECREATION ADVISORY BOARD MEETING
MARCH 14, 2018

CALL TO ORDER

Mr. Wilhite called the meeting to order at 7:11 pm. In attendance were:

Skip Wilhite, Chair
Trish Foster, Vice-Chair
Tony Potter
John Abel
Matt Mandia, Director Parks and Recreation

DIRECTOR'S REPORT

Mr. Mandia provided the following update:

- A buffer planting will be done at Boathouse Park in conjunction with DTMA and the EAC.
- A Bikes and Beer event will be held on June 9 in conjunction with the Friends of Parks and Recreation and Troegs. A portion of the proceeds will go to the Friends for the express purpose of funding Bike Trail Improvements.
- An Eagle Scout completed an inventory of the Memorial Trees that have been planted in the township creating a spreadsheet for tracking future plantings.

OLD BUSINESS

Mr. Mandia highlighted the following:

- Bullfrog Valley Trail repairs are completed and the trail is open for the busy Spring and Summer seasons. Also, plans are in place to dredge the mouth of the stream leading into the pond. The appropriate agencies are being notified.

NEW BUSINESS

Mr. Mandia highlighted the following:

- Community Center Planning Update – Mr. Mandia provided information about the planning process, potential funding sources and how the current facility amenities were established. He indicated that a public presentation is targeted for the end of April.
- Chocolatetown East Park Update – Mr. Mandia indicated that as this project proceeds he will keep the Board informed as to its progress.

MEETING ADJOURNED 8:11 p.m.
