CLASS TITLE: INSTRUCTIONAL ASSISTANT-SEVERELY DISABLED

BASIC FUNCTION:

Under the direction of a Principal or designee, assist in providing instruction to individual or small groups of severe learning, emotionally, mentally and physically disabled students in a variety of special education programs in a classroom or other learning environment; assist in the preparation of instructional materials and implementation of lesson plans and individualized education plans (IEPs); monitor and report student progress regarding behavior and performance.

DISTINGUISHING CHARACTERISTICS:

An Instructional Assistant Special Education-Severely Disabled provides instruction to individual or small groups of severe learning, emotionally, mentally and physically disabled students in a variety of special education programs; monitor and report student progress regarding behavior and performance.

An Instructional Assistant Specialized Health Needs assists the teacher in performing instructional assistant medical procedures necessary in providing specialized physical health care services to pupils with exceptional needs and performs assigned tasks to facilitate learning. An incumbent under the technical direction of the District School Nurse works cooperatively with others in providing specialized health care services and performing standardized procedures as prescribed by the student’s physician and requested by the student’s parents/guardians.

REPRESENTATIVE DUTIES:

ESSENTIAL DUTIES:
Assist a certificated teacher in providing and reinforcing instruction to individual or small groups of students with severe learning, emotional, mental and physical disabilities in a classroom or other learning environment; monitor and oversee student drills, practices and assignments in various subjects; assist with the implementation of IEPs.

Monitor student health conditions and provide first aid and CPR as needed; assist with administering medications according to prescribed physician’s instructions and written parent/guardian consent; respond to seizures, respiratory problems and other medical emergencies; prepare related paperwork as appropriate; assess and notify parents/guardians and/or appropriate staff of student health conditions and progress.

Observe, monitor, manage, and redirect behavior of students within approved procedures and assist with appropriate discipline in accordance with grade level and student’s ability to understand discipline; utilize approved techniques for responding to students whose behavior may escalate to self-injurious or physically aggressive acts, including but not limited to spitting, pinching, biting, hair-pulling, kicking and hitting; assist with reporting student performance and behavior progress.

Assist students in completing classroom assignments, homework and projects; ensure student understanding of classroom rules and procedures; assist students by answering questions, providing proper examples, emotional support, friendly attitude and general guidance; confer with the teacher concerning lesson and individualized education plans and materials to meet student needs.

Assist in assembling and preparing lessons, instructional materials and homework for individual students as directed by the teacher; maintain daily records of achievement and attendance.
Assist students with fine motor abilities; assist with strength, hand and muscle coordination and eye and hand coordination.

Perform a variety of duties in support of classroom activities such as making telephone calls to parents/guardians and agencies; preparing, typing, duplicating and filing instructional materials; maintain student records and files as assigned.

Provide classroom support to the teacher by setting up work areas, displays and exhibits; operating audio-visual equipment; operating instructional equipment; and distributing and collecting paper, supplies and materials.

Assist students with personal hygiene; toilet, clean and diaper students as necessary; assist students with various perceptual, motor-sensory and body awareness skills.

Confer with teachers concerning programs and materials to meet individual student needs; assist students with achieving the goals of IEPs; communicate with parents/guardians as assigned.

Ensure the health and safety of students by following established practices and procedures; maintain learning environment in a safe, clean and orderly manner.

Attend school functions, staff and other meetings and professional development programs as assigned.

Assist with supervising students during library, recess and meal activities as assigned; monitor and oversee playground activities, physical education and field trips as assigned; make home visits according to established procedures as directed.

Encourage and maintain a positive and supportive learning environment for students.
