January 18, 2023

Dear Santa Paula Unified School District Staff:

This notice is to advise you that the medical provider network (MPN) for the workers' compensation program will be changing to the Ventura County Schools MPN, effective **February 1, 2023**. This new MPN is a county specific network of doctors and clinics approved by the State of California Department of Workers' Compensation (DWC) to provide medical care to employees who have been injured on the job.

For those employees who have an open claim, there will be no change to your medical care provider. **For future claims, effective February 1, 2023,** we will now start utilizing the following designated clinic:

Ventura Urgent Care
5725 Ralston St. #101
Ventura, CA
805-658-2273

Note: Mileage to and from Ventura Urgent Care will be reimbursed. If an employee does not have transportation he/she may utilize an Uber or Lyft and be reimbursed for that as well.

For more information regarding the Ventura County Schools MPN, please see the attached brochure or feel free to visit their website at www.venturacountyschoolsmpn.com.

We are excited to provide our employees with quality medical care for work related injuries with doctors and clinics familiar with the workers' compensation system, which will aid in expediting treatment for these injuries.

If you have any questions, please contact:
