

**Bus Drivers**

To be considered for continued employment for any ensuing school term it will be mandatory that bus drivers pass the annual medical examination prescribed by the State Board of Education not more than 60 days prior to the beginning of the school term, and as often thereafter as the School District may deem it necessary.

Additionally, all persons who drive a school bus for the School District must also participate in random drug and alcohol screening as required under federal laws and regulations and as further detailed in state and local board of education policies.
