Title

Superintendent's Recommended Modifications to the SY2019-20 and SY2020-21 Organizational Chart

Requested Action

School Board Consideration of Superintendent's Recommendation for Modifications to the SY2019-20 and SY2020-21 Organizational Chart

Summary Explanation and Background

Following a recent review of operational efficiencies and the current classification structure for the School District's management positions, the Superintendent is recommending modification to the SY2019-20 and SY2020-21 Organizational Chart so that all Division Chiefs report directly to the Superintendent, removing the designated assignment of one Division Chief also serving as Deputy Superintendent.

The modified SY2019-20 and SY2020-21 organizational structure would continue to enable staff to: maintain clear focus on addressing the School Board's Major System Priorities; increase student achievement; increase productivity, efficiency and maintain accountability; and insure clarity and continuity regarding administrative/supervisory reporting lines and relationships.
