

CCSD Administrative Guidelines Regarding Arrangement for Substitutes

Pursuant to the School Board's Arrangement for Substitutes Policy (GBRJ), these administrative guidelines are to be utilized by CCSD staff in policy application:

Cherokee County School District (CCSD) recognizes that, to receive maximum results and productivity, employees are expected to report to work and be on time each day unless scheduled absent. Regular employee attendance is essential to CCSD's efficient operation and is a necessary component to ensure CCSD meets objectives.

Employee Time and Attendance Requirements are established to provide attendance standards for employees and to outline the appropriate procedures to follow for scheduled and unscheduled absences. If circumstances necessitate that an employee be absent from work, reporting and documentation procedures must be followed.

I. DEFINITIONS

- A. **Scheduled absence-** a planned absence, approved in advance by the employee's supervisor. This includes but is not limited to the following: vacation leave; sick leave and personal leave; military and military family leave; maternity leave; paternity leave; adoption leave; jury duty.
- B. **Unscheduled absence-** an unplanned absence; the employee has not given advance notice. This may include but is not limited to sick leave, personal leave and/or leaving the workplace before the end of the scheduled work day.
- C. **Scheduled Tardy-** arrival at work after the official start-time for the employee's work day, and where the employee has given at least 24-hour notice to the supervisor.
- D. **Unscheduled Tardy-** arrival at work after the official start-time for the employee's work day; and where the employee has not given notice to the supervisor.

II. EMPLOYEE WORK SCHEDULES

Work Calendars

Work calendars are established for employees based on their assigned position with CCSD. An employee is required to report to work or follow absence reporting and documentation procedures as determined by the employee's immediate supervisor for each designated work day.

Critical Work Days

Critical work days are work days for which employee absences pose a serious hardship on Department and/or CCSD operations and for which any absence will require advance approval by the principal/work location supervisor. Employees are expected to be on duty during critical periods of departmental and district operations as determined annually by the appropriate principal/work location supervisor.

Working Hours

Work day schedules are established for employees based on their assigned position with CCSD and the operational needs of the school/department.

Overtime Requirements for Employees Covered by the Fair Labor Standards Act (FLSA)

The FLSA requires that overtime be paid to covered employees at the rate of 1.5 times the regular hourly rate of pay for the number of hours worked in excess of 40 hours per week, except in cases whereby an employee works more than one job and each job has a different standard rate of pay. For employees working two or more different types of work for which different straight-time rates have been established, the overtime rate for that week is the weighted average of such rates. Employees in the following job classifications are typically covered under the FLSA: paraprofessionals, school nurses, warehouse workers, technology specialists, bookkeepers, school nutrition workers, maintenance workers, clerks, secretaries, bus drivers and attendants, vehicle mechanics, and police officers. Certified employees, supervisors and managers are generally not covered by the provisions of the FLSA. **An employee may refer to the job description for their position to determine coverage or exemption status under the FLSA.**

CCSD Administrative Guidelines Regarding Arrangement for Substitutes

Pursuant to the School Board's Arrangement for Substitutes Policy (GBRJ), these administrative guidelines are to be utilized by CCSD staff in policy application:

CCSD's seven-day work week begins on Sunday and ends on Saturday. Payroll periods begin on the 16th of each month and end on the 15th of the subsequent month. Employees are expected to arrive and depart at the time specified by the District, unless requested to work overtime by their immediate supervisor. Covered employees will accurately record hours worked during each week, including the exact time of arrival and departure from work and all overtime, by time sheet or timecard. The maximum regularly scheduled workload for employees is 40 hours during each seven-day period. Unless otherwise approved or in an emergency, covered employees will not work more than 40 hours during any work week. Employees working two or more jobs for the District will calculate and report to their supervisor their total hourly work week by adding together the total number of hours worked for all jobs. **Covered employees will inform their supervisor immediately if they believe they will work more than 40 hours in any work week.** Supervisors and Principals will review, approve and maintain all timecards within the timekeeper system. Documentation of all overtime hours worked must be submitted to the Chief Financial Officer prior to the end of each pay period.

An employee will not work overtime without prior permission from his/her immediate supervisor, except in cases of emergency. Employees covered by FLSA who work overtime without prior approval will be allowed to claim the hours worked in accordance with the FLSA. If the supervisor determines that the work was unforeseen or emergency in nature, it will be approved. If the supervisor determines the performance of the work was unnecessary at the time it was performed, the employee will receive **pay for the hours worked, but disciplinary action may be taken for failure to follow established policy.**

Each 40-hour weekly employee is provided two 15-minute daily breaks during work time. Each such employee is also provided a non-paid, duty-free 30-minute daily lunch.

III. REPORTING TO WORK AND ABSENCES

Each employee is expected to be in the workplace and ready to work at the start of his/her scheduled work day.

Request for a Scheduled Absence/Tardy

Written request for a scheduled absence must be made in advance to the employee's supervisor for approval in accordance with the following requirements:

- A request for **sick leave** must be submitted for approval at least five work days prior to the date of the request or as soon as practicable when the need to take sick leave is not foreseeable ("as soon as practicable" generally means at least verbal notice to the employer within one or two business days of learning of the need to take sick leave).
- A request for **personal leave** must be submitted for approval at least five work days prior to the date of the request.
- A request for **vacation leave** must be submitted for approval at least five work days prior to the date of the request.

Requests for sick, personal or vacation leave that are not submitted within the required timeframe may be denied; however, in emergency situations shorter notice may be accepted with the supervisor's approval.

Leave of absences expected to extend ten days or more (intermittent or consecutive) must be approved through the Benefits Department. Applicable advance notice requirements and leaves and absences procedures will apply.

CCSD Administrative Guidelines Regarding Arrangement for Substitutes

Pursuant to the School Board's Arrangement for Substitutes Policy (GBRJ), these administrative guidelines are to be utilized by CCSD staff in policy application:

Reporting Unscheduled Absences/Tardy (Late arrival)/Early Departure

An employee who is reporting an unscheduled absence/tardy/early departure must contact his/her immediate supervisor or designee prior to the start of the scheduled work day or as soon as the employee is physically capable to advise that he/she will be absent/tardy/leave early. If a position requires a substitute, the absent employee is to follow the school/departmental guidelines for obtaining a substitute. An employee must notify his/her supervisor on each day of absence/tardy/early departure unless other arrangements have been established by the employee's supervisor. If the supervisor/designee is not immediately available, an employee may leave a message for the supervisor with a phone number where they can be reached.

IV. COMPENSATION FOR ABSENCES, TARDIES, AND EARLY DEPARTURES

Sick Leave

Sick leave is to be used only in accordance with the **School Board Policy Professional Personnel Leaves and Absences Descriptor Code: GBRI** and **School District Guidelines for Sick Leave and Medical and Related Reasons**.

Sick leave should be taken in hourly increments with a one-hour minimum requirement.

Absences Caused by Personal Reasons

Three days of any accumulated sick leave may be utilized during each work year for personal reasons provided prior approval of the absence is given by the employee's supervisor. Even if pre-approved, absences for personal reasons will be unpaid if an employee has exhausted the three personal leave days allotted for a work year.

Personal leave should be taken in hourly increments with a one-hour minimum requirement.

Vacation Leave

Vacation requests for school-based personnel will not normally be approved when school is in session.

Vacation leave should be taken in half-work day increments.

Absences from work due to work-related injuries/illnesses

An employee will not be recorded absent on the day of the injury or on the day a work-related illness is first reported, if the employee's absence from work is required in order to leave work to seek authorized medical evaluation/treatment. For subsequent absences due to a work-related injury or illness, the employee has the option to substitute accumulated sick and/or vacation leave in lieu of unpaid leave or in lieu of receiving workers' compensation (WC) benefits. Note: WC will not pay for the first seven (7) days unless an employee is disabled for (21) days, and WC will only pay two thirds of an employee's average weekly wage up to a maximum benefit.

Absences Caused by Inclement Weather and Other Factors

Absences and corresponding make-up requirements related to inclement weather or other emergencies will be established and communicated to principals/work location supervisors by the Superintendent of Schools.

CCSD Administrative Guidelines Regarding Arrangement for Substitutes

Pursuant to the School Board's Arrangement for Substitutes Policy (GBRJ), these administrative guidelines are to be utilized by CCSD staff in policy application:

Leave Requests Cascading Rules

Leave will be processed from an employee's available accumulated leave: first from the Primary Leave Bank and then from the First Cascade and Second Cascade as applicable. If all applicable accumulated leave is exhausted, leave without pay (LWOP) will be processed.

Leave/Pay Code Request	Primary Leave Bank	First Cascade	Second Cascade
Sick Leave	Sick	Vacation	LWOP
Adoption Leave	Sick	Vacation	LWOP
Bereavement Leave	Sick	Vacation	LWOP
Jury Duty	Paid Time – no deduction from Leave	N/A	N/A

Religious Holiday Leave	Personal (Sick)*	LWOP	N/A
Vacation Leave	Vacation	LWOP	N/A
Workers' Compensation	Sick	Vacation	LWOP
Work-Related Subpoena	Paid Time – no deduction from Leave	N/A	N/A

* Three days of any accumulated sick leave may be utilized during each work year for personal reasons provided prior approval of the absence is given by the employee's supervisor. Even if pre-approved, absences for personal reasons will be unpaid if an employee has exhausted the three personal leave days allotted for a work year.

V. REQUIRING MEDICAL DOCUMENTATION FOR ABSENCES

- 1) For any absence for which sick leave is requested, a supervisor has the right to require a physician's statement indicating that the employee or immediate family member is ill and that the employee is unable to perform his or her duties.
- 2) In the event that an employee has excessive absences for medical reasons, the employee may be required to provide an excuse from his/her health care provider. The employee may be required to provide an excuse if one or more of the following conditions exist:
 - a. A persistent, systematic pattern of absences has been established (example – out every Monday).
 - b. Seven or more days of absences have been accumulated during the previous six months.
 - c. Twelve or more days of absences were recorded during the prior work year.
 - d. Any one absence from work exceeds five work days.
 - e. Any other reason as determined by the supervisor when conditions warrant.
- 3) Medical documentation for absences must be provided by the employee to the supervisor as required in writing on the day the employee returns to work, and must contain the employee's name, date(s) of the absence, reason for the absence, and must be signed and dated by the health care provider on business letterhead. Medical documentation will be evaluated by the supervisor to determine if the absence is approved or unapproved.

CCSD Administrative Guidelines Regarding Arrangement for Substitutes

Pursuant to the School Board's Arrangement for Substitutes Policy (GBRJ), these administrative guidelines are to be utilized by CCSD staff in policy application:

- 4) CCSD at its own expense may require an employee to obtain a second certification from a health care provider confirming the medical necessity of the absence.
- 5) CCSD may require an employee to provide updated and ongoing medical documentation for absences.
- 6) An employee who is absent 10 or more consecutive days due to medical reasons is required to provide documentation from his/her health care provider to verify the employee's work status.
- 7) In the event of a concern that an employee's personal illness or attendance at work may endanger the employee's health or the health of others, the employee may be required to present appropriate medical documentation for the purpose of verifying that the employee is fit for duty.
- 8) CCSD may designate, at its own expense, a physician to attest that the employee is emotionally and physically capable of resuming the responsibilities and duties of his/her position.
- 9) Verification of work status and/or fitness for duty documentation must be provided to the employee's immediate supervisor with a copy to CCSD's Benefits Department prior to the employee's return to work date. The statement from the provider must indicate if the employee is released to return to work, and if so, the effective date, and any applicable work restrictions. Based on the work restrictions as noted by the physician, a determination will be made regarding return to duty.

VI. DISABILITY ACCOMODATIONS AND ATTENDANCE

CCSD will make every reasonable effort to accommodate an employee's disability and/or work restrictions. With or without the accommodation, the employee must be able to perform the essential duties of the position. Documentation from the employee/appropriate health care provider detailing the specific accommodation(s) requested and describing the disabling condition, providing an estimated length of time or duration period [including beginning and ending dates] is required.

VII. EXCESSIVE ABSENCES/TARDIES AND EMPLOYEE PERFORMANCE

Attendance and punctuality are critical components of each employee's performance evaluation. Failure to meet attendance and punctuality requirements and/or failure to meet performance expectations due to excessive absences/tardiness may result in disciplinary action up to and including termination of employment. Principals/work location supervisors are authorized by the Superintendent of Schools to review, monitor, and take appropriate corrective action in matters of employee attendance and punctuality.

VIII. JOB ABANDONMENT

Any one or more of the following circumstances constitute job abandonment and a voluntary resignation from employment:

1. Failure to call in to supervisor/designee for three consecutive work days;
2. Desertion of duties during the work day with no report and explanation to the employee's supervisor;
3. Failure to return to work within three work days following a leave of absence. An employee is expected to report for duty the next scheduled work day following the ending date of an approved leave of absence.

If circumstances prevent the employee from personally reporting an absence, the employee is responsible for making other reporting arrangements.

CCSD Administrative Guidelines Regarding Arrangement for Substitutes

Pursuant to the School Board's Arrangement for Substitutes Policy (GBRJ), these administrative guidelines are to be utilized by CCSD staff in policy application:

IX. FAMILY AND MEDICAL LEAVE ACT (FMLA)

If an employee or the employee's immediate family member (spouse, child, parent) has a recurring medical condition that results in absence(s), the employee may qualify for approved paid or unpaid leave under the FMLA. Request for family medical leave and notice provisions are established in accordance with federal law. In most cases, an absence under the FMLA must be arranged for in advance and does not necessarily relieve an employee from responsibilities as set forth in these guidelines.

Employee absences approved under the FMLA will not be included as a negative evaluation factor in performance reviews. However, FMLA absences will impact an employee's eligibility for excellent and perfect attendance recognitions/awards.

X. OTHER CONSIDERATIONS

An employee must make reasonable efforts to schedule any intermittent absences to minimize disruption of the work day (e.g., for non-emergency appointments).

Employee attendance requirements will not protect an employee from disciplinary action that is based upon substandard job performance.

The confidentiality of any information received by CCSD relative to a medical condition of an employee or an employee's family member will be maintained except as otherwise provided by law.

To the extent that any provision in this Policy conflicts with or is superseded by State or Federal law, including but not limited to the Fair Labor Standards Act, the Family Medical Leave Act and/or the Americans with Disability Act, the applicable regulations control.

XI. EMPLOYEE ACCOUNTING OF TIME AND ATTENDANCE

An employee is required to promptly complete and submit required time and attendance and absence reports, accurately accounting for all hours worked and absences. Kronos is the official time and attendance and absence reporting system for CCSD, and all employees are expected to document time and attendance and absences accordingly. Each employee is required to approve his/her timecard at the end of each payroll cycle before the end of the work day on the 15th of each month. Falsifying, misrepresenting, omitting, or erroneously reporting time and attendance records or reasons for absences will subject an employee to CCSD disciplinary action up to and including termination of employment. Official notice to the appropriate licensing board(s) and/or another professional agency(ies) may also be required.
