Cherokee County Board of Education

~~We believe in the democratic way of life and our American heritage. This being true, we have the responsibility of passing on an enriched heritage in which each student recognizes his/her own mental, physical, moral and social responsibility to him/herself, the home, school community and country. We believe that this can best be done through a system of free public schools, supported primarily by state and local funds, receiving such federal assistance as is necessary to provide an adequate program of education for all youth, according to their abilities and needs and for adults, depending on facilities and opportunities.~~

~~We believe that the Board of Education is a policy-making body, that the Board should formulate school policies with the Superintendent, following consultation with principals, representative teachers and interested citizens of the community. We believe that this will permit a free exchange of ideas among those concerned. We also believe that democratic procedure should be applied in the local school in planning and adopting local policies and programs and that each participant should accept and comply with the majority rule.~~

~~We believe the curricula of the schools should be cooperatively planned, continually re-evaluated and revised so as to meet the needs, abilities and interests of not only the college preparatory student, but the student who plans to attend trade, technical, or business school; and terminal student. We believe that student activities are a part of these offerings and that they serve to provide additional opportunities for the student to develop to one's fullest, satisfying his/her interest and desires.~~

~~We believe that it is our responsibility to use the latest proven teaching methods, techniques and materials available in order to create a situation conducive to learning, thereby challenging each student to the maximum of one's potentialities. The effectiveness of the learning process is influenced by the teacher's relationship with the pupil. Therefore, the teacher must accept and respect each student as an individual. The teacher should strive to establish rapport with every child but still maintain the dignity of the position.~~

~~We believe that it is the responsibility of the school program to attempt to instill in the minds of students that education is a right, a privilege and a duty. It is the responsibility of the child to strive to achieve to one's potential.~~

The School Board will be responsible for clearly specifying requirements and expectations of the Superintendent accountable by evaluating how well those requirements and expectations have been met. Cherokee County Board of Education

The Cherokee County Board of Education believes that establishing the vision of the School District ~~the legislation~~ and the creation and adoption of ~~p~~Policies to achieve its vision is the most important function of a S~~s~~chool B~~b~~oard, and that the execution of the ~~p~~Policies should be the function of the Superintendent of Schools.

The Superintendent is granted the authority to operate the schools and School District on a day-to-day basis together with the authority to implement Board Policies and Board approved plans.

The School Board will hold ~~holds~~ the Superintendent responsible for carrying out its ~~p~~Policies within established guidelines and for keeping the School Board informed in a timely manner about school operations.

In an effort to increase public/community engagement/involvement, the Superintendent will establish standing and ad hoc committees to gather data, analyze and make recommendations to him/her and ultimately to the School Board~~, as noted in the 1999 Southern Association of Colleges and Schools (SACS) Accreditation Status Report. As a result of this previous accreditation probation, t~~The School Board will not establish or serve on its own standing or ad hoc committees.

This ~~p~~Policy does not prohibit citizens from organizing education-related committees independent of the School Board (e.g., Renewing the Ed-SPLOST for Cherokee's Children); nor does it prevent an individual School Board member from establishing his/her own committee(s) independent of the School Board to provide him/her with input.

Stakeholders, customers and the public will continue to be provided various opportunities for engagement/involvement including, but not limited to:

- CCSD Partnership Agreements;
- Partners In Education (PIE) agreements, in conjunction with the Cherokee County Chamber of Commerce;
- School Councils;
- Public Participation during the ~~first~~ School Board Meeting ~~of the month~~;
- Opportunity for citizens to speak to agenda items at all School Board Meetings;
- Attendance Area ~~Boundary Focus Group annual~~ redrawing process, including community input meetings and public hearing;

- Communication via CCSD publications, CCSD website, social media platforms, Parent Portal, emergency notification email system, etc.; and,

- Dedicated CCSD email address ~~(publicrelations@cherokee.k12.ga.us)~~ (communications@cherokeek12.net) for community questions.

In an effort to keep the School Board informed, the Superintendent will notify School Board members as promptly as possible of any happenings of an emergency nature which occur in schools.

Harassment

Cherokee County Board of Education prohibits discrimination and harassment based upon "Constitutionally-Protected Differences" and other legally protected statuses (e.g., race, age, gender, gender identity, genetic status, past or present protected military service, pregnancy, color, religion, national origin or disability). As such, it is the policy of the School District to address such complaints at the lowest level of administration in order to quickly and efficiently resolve all such matters.

All employees are responsible for prevention of harassment and discrimination against students/employees, including the responsibility to report any conduct which they believe to be in violation of this policy. No person will be subject to retaliation or reprisal for making a good faith complaint under this policy or for participating in an investigation.

This Policy establishes the role and responsibility of the applicable Title Coordinator(s) ("Coordinator") and the role of the ~~Deputy Superintendent ("DS")~~ Chief Operations Officer (COO) in action steps, and the collection and analysis of reporting data in this regard.

The Superintendent will also develop administrative checklists to aid investigations.

I. DEFINITION

Harassment and discrimination may include any conduct which has the effect of unreasonably interfering with an employee's work based upon a protected characteristic, including conduct by school employees, students or others. Examples may include offensive jokes, slurs or comments; offensive touching or requests for dates or favors; different treatment of employees based upon Constitutionally-Protected Differences; display or communication of offensive photographs, writing or materials; or conditioning employment benefits on an employee's participation in, or reaction to, such conduct.

II. COMPLAINT PROCEDURES

In the event that a Coordinator or CHRO receives verbal or informal notice of a possible complaint, the Coordinator or CHRO will assist the complainant in making a written complaint so that the matter may be investigated. The complainant need not be the victim of the discrimination/harassment but may be any person aware of the conduct. Complaints received by any employee will be forwarded to the

appropriate work location supervisor who will then forward the complaint to the appropriate Title ~~or~~ Coordinator.

2. Upon receipt of a discrimination/harassment complaint the Coordinator or designee will (a) facilitate a prompt investigation of the complaint, (b) take any interim action necessary to protect students, staff or operations pending the result of the investigation, and (c) make any necessary reporting of the allegations. Said investigation will consist at a minimum of interviewing the complainant, accused person(s), and persons with direct knowledge of the alleged events. Said investigation will be concluded as soon as practicable, and generally within fifteen (15) business days (defined as days when the School District central office is open for business) of receipt of the complaint. Upon completion of the investigation the Coordinator will initiate such remedial actions as are necessary to prevent any further harassment. Such steps may include: counseling, suspension, termination, or any other remedial action deemed appropriate to address and eliminate further discrimination/harassment. Upon completion of the investigation the CHRO will notify appropriate parties (which may include the alleged victim(s) and accused) in writing of the substance of the investigation and remedial measures to be taken pending any appeal. The Coordinator will retain, review and analyze the investigative file of each complaint and will report the results of the review and analysis annually to the Superintendent.

3. The complainant may seek a review of the initial decision by written request received by the Coordinator within five (5) business days of the date of the decision.

4. Upon timely written request, the Coordinator will forward a copy of the investigative file to the ~~DS~~ COO. The ~~DS~~ COO or designee will have up to fifteen (15) business days to review the appeal, investigative file and the previous decision and determine, if additional investigation is warranted, any change in the remedial action recommended. 5. The decision of the ~~DS~~ COO or his/her designee will be the final decision under this policy. Additional due process will be provided for any disciplinary measures as required by law.

This ~~p~~Policy will be distributed to all employees annually. Additionally, the Coordinator and other employees designated by the Superintendent will receive appropriate training in investigating, remediating and analyzing complaints of discrimination/harassment on an annual basis.

Employees regularly working less than 100% but at least 50% will accrue sick leave prorated for the percentage of time worked. Employees working less than 50% will not accrue sick leave. All unused sick leave will be accumulated from one work year to the next. Employees are entitled to transfer up to 45 days of accumulated, unused sick leave from one ~~s~~School ~~system~~ District in the ~~s~~State of Georgia to another and to or from the State Department of Education.

Sick leave provided for under this ~~p~~Policy is available only for personal illness, injury, ~~or~~ exposure to contagious diseases and medical related reasons, ~~or~~ for absences necessitated by illness or death in the employee's immediate family, for any reason(s) required by State or federal law or emergency executive orders. For any absence in which sick leave is used, the Superintendent of Schools or appropriate designee will have the right to require ~~a physician's certificate stating that the employee is ill and is unable to perform his or her duties.~~ adequate proof of the reasons giving rise for the need for leave.

An employee will not be charged with sick leave for absence due to an injury caused by a physical assault while employee was engaged in the performance of his or her duties; provided, however, that this paragraph will apply only to the first seven workdays of absence resulting from a single injury. An employee who is absent for up to seven days due to such an injury also will not have his or her regular pay reduced because of such absence or be required to pay the cost of a substitute.

Employees who do not qualify for participation in the State of Georgia Teacher Retirement System and, as such, cannot utilize unused sick leave accumulated toward retirement service, will be allowed, upon completion of service with the School District, to cash in unused sick leave days earned in the service of the School District at one-half of their value up to a maximum reimbursement of 45 days.

An employee may make a one-time ~~donate~~ donation of up to 10 sick leave days to his or her spouse if such spouse is also an employee of the School District for purposes of maternity leave, illness, illness of a family member~~,~~ or death of a family member.

Members may withdraw sick leave days from the Sick Leave Bank only in accordance with the guidelines established by the Sick Leave Bank Committee as appointed by the Superintendent.

ANNUAL (VACATION) LEAVE

Twelve-month employees regularly working in a position full-time (100%) will accrue annual leave at a rate of one day per month up to 12 days per year with a total maximum accumulation

The School District recognizes and affirms the right of a citizen of Georgia to seek and hold public office. Accordingly, personal leave may be requested and granted to employees who are duly elected to a public office.

During the absence of an employee serving in a public office, a substitute (if necessary) will be employed. REVISED: ~~July 19, 2018~~ June/July, 2020

Cherokee County Board of Education

I. CUMULATIVE AVERAGE AND CLASS RANKING

Final ~~C~~class ranking will be determined by the weighted Numeric Grade Average (NGA) of graduating seniors ~~at the~~ upon completion of ~~high school graduation requirements~~ their high school four-year class cohort.

The weighted NGA summarizes each student's academic performance in high school credit courses. The weighted NGA is used in determining eligibility for numerous awards, activities and college applications.

For the purpose of computing class rank, a student's final course grade (if student receives a passing grade in the course) will be weighted with the following quality points for the purpose of calculating a weighted NGA:

Quality Points:

- Honors Courses, Five points
- Advanced Placement (AP) Courses, 10 points
- Dual Enrollment Courses:
  a. 10 points, whenever the college course taken is equivalent to an AP high school course for which the student has not already taken and received quality points, as recommended and approved by the Chief Academic Officer.
  b. A waiver for consideration of quality points (5 or 10) may be submitted to the Office of Curriculum and Instruction for Dual Enrollment Courses taken by students which meet the following criteria:
     - Demonstrates rigor;
     - Serves as a replacement for an on-campus course receiving quality points; or,
     - Exceeds the highest instructional level course available at the local high school.

II. CLASS RANKING/HONOR ROLLS

The graduating senior with the highest class ranking, as determined by weighted NGA, will be recognized as Valedictorian. The student with the second highest class ranking, as determined by weighted NGA, will be recognized as Salutatorian. The weighted NGA will be calculated to four decimal places or more until a tie is resolved.

Students participating in the Dual Enrollment program are also eligible for Valedictorian or Salutatorian recognition per statutory requirements. A Dual Enrollment student who moves into the local school system after his or her sophomore year and has not taken any courses on site at the participating eligible high school will not be eligible for Valedictorian or Salutatorian recognition. Transfer credit used for Valedictorian or Salutatorian will be accepted only from an Accredited School in accordance with Board Policy on Awarding Units of Credit and Acceptance of Transfer Credit and/or Grades (JBC(4)).

III. CUMULATIVE AVERAGE AND HONOR GRADUATE STATUS

~~For the graduates in the Classes of 2019 and 2020, the distinction of Honor Graduate will be awarded to graduating seniors who have a weighted NGA of 90 or above (or 89.5 or above rounded to the nearest whole unit).~~

For the graduates in the Class of 2021 and beyond, the distinction of Honor Graduate will be awarded to graduating seniors who have a weighted NGA of 90 or above.

IV. HONOR ROLL PLACEMENT

~~For the graduates in the Classes of 2019 and 2020, high school students will be placed on the Honor Roll when their weighted NGA is 90 or above (or 89.5 or above rounded to the nearest whole unit).~~

For the graduates in the Class of 2021 and beyond, high school students will be placed on the Honor Roll when their weighted NGA is 90 or above.

e. If a child ceases to reside with an Child Agent for a period in excess of 30 days, such Child Agent will, no later than 30 days after such period, notify all parties to whom he or she has transmitted the Power of Attorney or to whom he or she has caused the Power of Attorney to be transmitted that the child(ren) is no longer in the Child Agent's care.

f. Any individual who knowingly provides false information in executing the Power of Attorney required by this article commits the offense of false swearing within the meaning of O.C.G.A. § 16-10-71 and will be subject to the penalties prescribed by such Code section.

Cherokee County Board of Education

A. Introduction

The Cherokee County Board of Education recognizes that, in order to receive maximum benefit from the instructional program, students are expected to attend school each day. It is understood that good attendance habits positively impact the learning process. While administrators and teachers are responsible for providing quality instruction in an environment where learning can flourish, parents/guardians and students must assume responsibility for being punctual and attending school regularly.

Although circumstances may necessitate that a student be absent from school, the School District recognizes that optimal learning takes place when the student is present and involved in classroom activities. ~~Accordingly, it is critically~~ Unless the student is ill, suspected of being ill or has been exposed to a viral pathogen, it is important that parents/guardians make every effort to have their children attend school.

B. Lawful/Authorized Absences from Class/School

A student will not be absent from class or school or other required school activity except for illness, suspicion of illness, exposure to a viral pathogen or other providential cause ~~unless with prior written permission of the principal or designee~~. No student will encourage, urge or counsel other students to violate this policy.

As permitted under State law and State Board of Education ~~policies~~ Rules, a student's absence, tardy or early checkout may be excused for the following reasons:

a. ~~personal~~ illness suspicion of illness, exposure to a viral pathogen ~~and~~ or when attendance in school would endanger their health or the health of others;
b. serious illness, viral illness or death of an immediate family member;
c. mandated by order of governmental agencies, including pre-induction physical examinations for service in the armed forces, or by a court order;
d. ~~celebrating~~ the observation of recognized religious holidays;
e. conditions that render attendance impossible or hazardous to one's health or safety; and,
f. registering to vote or voting, for a period not to exceed one day.

Additional Notes:

1. A student whose parent or legal guardian is in military service in the armed forces of the United States or the National Guard, and such parent or legal guardian provides documentation to the attention of the ~~p~~Principal that he/she has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting, will be granted excused absences, up to a maximum of five school days per school year, for the day or days missed from school to visit with his or her parent or legal guardian prior to such parent's or legal guardian's deployment or during such parent's or legal guardian's leave or to attend military affairs/sponsored

events provided the student provides documentation prior to or immediately after the absence.

2. A student with an absence caused by an extraordinary hardship not defined under current ~~p~~Policy, can provide to the attention of the ~~p~~Principal a written excuse (as defined in the next subsection of this policy) for further consideration of the absence. In such cases, the Principal has the authority to deem such an absence as excused under current State Board Rule (160-5-1-.10).

For school attendance purposes, students will be counted present in the following circumstances:

a. attending school at least one-half of the instructional day;
b. serving as pages of the Georgia General Assembly (O.C.G.A § 20-2-692);
c. ~~serving as a poll worker on an election day~~ participating in the Student Teen Election Participation (STEP) program; or,
d. as a student in foster care, attending court proceedings related to that care (O.C.G.A § 20-2-692.2).

C. Excuses

Excuses for absences will be provided by the parent/guardian in writing on the day the student returns to school, and will contain the student's name, date of the absence, reason for the absence~~,~~ and the signature of the parent/guardian. All written excuses will be evaluated by the ~~p~~Principal or designee to determine if the absence is excused or unexcused.

D. Requiring Medical Documentation for Absences

In the event that a student's personal illness or attendance at school endangers a student's health or the health of others, the school may require the student to present appropriate medical documentation upon return to school for the purpose of validating that the absence is an excused absence.

In the event that a student has excessive absences for health reasons, the school may require a physician's excuse in order to consider the absence as an excused absence. The school may ask for physician's excuses if one or more of the following conditions exist:

1. A persistent, systematic pattern of absences has been established (example – ~~out~~ student is absent every Monday).
2. Seven or more days of absences have been accumulated during the semester.
3. Twelve or more days of absences were recorded the prior school year.

Physician's notes must be specific as to the number of days the illness is to be excused or must state when the student is expected to return to school.

E. Qualifying for Hospital/Homebound Instruction

If major sickness or injury occurs and the absence is lengthy, the student may receive credit by instruction through application of the School District's hospital/homebound instructional process.

F. Make-Up Work

It is the expectation of the School District that all work missed due to absence will be made-up. Some work, by its very nature, is impossible to make-up and may necessitate alternative assignments. The ~~p~~Principal (or designee) is the final authority in determining alternative assignments.

The responsibility for arranging to complete work missed due to absence is to be assumed by the student and parent/guardian, in conjunction with the teacher. Make-up work is to be completed at the time specified by the teacher/~~p~~Principal.

The time limit to complete missed work is not to exceed ~~ten~~ 10 school days after the date the student resumes attendance. Exceptions will be decided by the parent/guardian, student, teacher and ~~p~~Principal, with the ~~p~~Principal having the final decision.

Final course grades of students will not be penalized because of absences if the following conditions are met:

1. Absences are justified and validated for excusable reasons.
2. Make-up work for excused absences was completed satisfactorily.

G. Incentives for Good Attendance

Each individual school is responsible for providing incentives for good and perfect attendance.

H. Truancy, Parent Notifications and Reporting Protocol

Truancy is the act of willful and/or continued unexcused absences, tardies and/or early checkouts from school. Absences, tardies and early checkouts of this nature are unlawful within the State's compulsory attendance law and can result in penalties under that law. Students and parents/guardians are notified of the State's compulsory attendance law on an annual basis through the School District's Student/Parent Handbook.

Parents/guardians of students with five unexcused absences will be notified by the school regarding the consequences of such absences. ~~This notification will be accomplished through certified or first-class mail, if all other reasonable attempts to notify the parents/guardians have failed.~~ After two reasonable attempts to notify the parent, guardian or other person who has charge of the student, the School District will send written notice via certified mail with return receipt requested, or first-class mail. Further parent notification will be made at 10 and 12 days of excused or unexcused absences.

Students with seven or more unexcused absences in a class per semester will be referred to a school social worker for truancy evaluation. It is the role of the school social worker to work collaboratively with the school, student and parents/guardians to resolve truancy issues.

When all administrative actions taken to correct truancy have not had the desired effect, the school social worker may require families to attend the Cherokee County Truancy Panel and request them to sign a contract designed to help improve attendance, file proceedings in Cherokee County Juvenile Court for violation of the State's compulsory attendance law for students under ~~sixteen~~ 16 years of age or refer families to the ~~Cherokee County~~ School Police if proceedings need to be filed against parents for failure to send their children to school.

Chronically truants~~—~~students will be referred each school year to the school social worker. School administrators will not assume that cases will be held over by the social worker for monitoring from one school year to the next. Some cases that have been referred to the Cherokee County Truancy Panel or to court may be held over; but an updated referral by the school may be requested.

I. Absence Notification Procedures

School personnel will monitor absences by following the steps below:

1. The School District's Learning Management System sends electronic notifications to parents/guardians.
2. Student absentee phone calls are made to parents/guardians and documented in a log at each school.
3. The classroom teacher will invite the parents/guardians in for a conference immediately after the second unexcused absence has been recorded.
4. The school will notify the parent/guardian on the fifth unexcused absence that continued absences will result in a referral to the school social worker.
5. On the seventh unexcused absence in any class during a semester, a referral to the school social worker will be filed.
6. The school social worker will notify the proper authorities if unexcused absences continue.

J. Additional High School Absence Procedures

Any student having seven or more excused, approved or unexcused absences in a semester will receive no credit for that class unless a waiver is granted by the School Attendance Committee. However, students will not be denied credit for a course if they have seven or more excused absences in a semester when the following conditions are met: (1) the absences are validated by the School Attendance Committee as excused; (2) make-up work is satisfactorily completed; and, (3) a passing grade has been earned for course work during the semester. Eligibility for credit will be restored if recommended by the School Attendance Committee. The Principal has the final decision on this matter.

The Attendance Committee is a standing committee composed of five members appointed by the Principal and chaired by an administrator. The chair will vote only in case of a tie.

A high school student under the age of 16 who has seven or more unexcused absences in a semester or 14 or more unexcused absences in a year will be referred to the school social worker.

K. Student Withdrawals and Notification

Any student who is absent unlawfully either ~~ten~~ 10 consecutive days or ~~forty~~ 40 total days in a school year, is beyond the compulsory attendance age or is not receiving instructional services from the School District through hospital/homebound instruction or instructional services required by the Federal Individual with Disabilities Education Act (IDEA), may be withdrawn. The ~~p~~Principal has the discretion of entering or re-entering in the present grading period any student 16 years old or older, who has failed to attend for unlawful reasons.

In the case of a school's plan to withdraw a student, the ~~p~~Principal will use reasonable measures to notify the parents/guardians if the student is not ~~eighteen~~ 18 years old.

L. Driver's License/Learner's Permit Denial

The School District will establish appropriate protocol relative to State law regarding the ~~denial or suspension of driver's licenses/learner's permits for truant students~~ the documentation of students who are enrolled in the School District and not under an expulsion for purposes of denial or suspension of driver's licenses/leaner's permits.

Harassment

The Cherokee County Board of Education prohibits discrimination and harassment based upon "Constitutionally-Protected Differences" and other legally protected statuses (e.g., race, age, gender, gender identity, color, religion, national origin, disability or any other constitutionally protected class or status). As such, it is the policy of the School District to address such complaints at the lowest level of administration in order to quickly and efficiently resolve all such matters.

All employees are responsible for prevention of harassment and discrimination against students/employees, including the responsibility to report any conduct which they believe to be in violation of this policy. No person will be subject to retaliation or reprisal for making a good faith complaint under this policy or for participating in an investigation.

This Policy establishes the role and responsibility of the applicable Title Coordinator(s) ("Coordinator") and the role of the ~~Deputy Superintendent ("DS")~~ Chief Operations Officer (COO) in action steps, and the collection and analysis of reporting data in this regard.

The Superintendent will also develop administrative checklists to aid investigations.

I. DEFINITION

Harassment and discrimination may include any conduct which has the effect of unreasonably interfering with a student's participation in an educational program or activity, including conduct by school employees, students or others. Examples may include offensive jokes, slurs or comments; offensive touching or requests for dates or favors; unwelcome sexual conduct or unwelcome conduct on the basis of sex that effectively denies a student access to an educational program; different treatment of students based upon Constitutionally-Protected Differences and/or other legally protected statuses; display or communication of offensive photographs, writing or materials; or conditioning educational benefits on a student's participation in, or reaction to, such conduct. Discipline and/or supportive measures may be imposed for such conduct without regard to whether it rises to the level of a violation of law.

II. COMPLAINT PROCEDURES

Complaints made to the School District regarding alleged discrimination, harassment or retaliation for complaints about, or opposition to discrimination or harassment will be processed in accordance with the following procedure:

1. Any student or other person with a complaint alleging a violation as described above will promptly notify the Coordinator, as annually appointed by the Superintendent, and/or principal of the school or work site location supervisor attended by the person believed to have suffered discrimination/harassment. If a report is made to a principal or work location supervisor, the principal or work location supervisor will forward the complaint to the Coordinator. The complainant need not be the victim of the discrimination/harassment, but may be any person aware of the conduct.

2. Upon receipt of a discrimination/harassment complaint, the Coordinator will (a) facilitate a prompt investigation of the complaint, (b) take any interim action necessary to protect students, staff or operations of the school or work location pending the result of the investigation, and (c) make any necessary reporting of the allegations. Said investigation will consist at a minimum of interviewing the complainant, accused person(s), and persons with direct knowledge of the alleged events. Said investigation will be concluded as soon as practicable, and generally within fifteen (15) business days (defined as days when the School District Central Office is open for business) of receipt of the complaint. Upon completion of the investigation the Coordinator will initiate such remedial actions as are necessary to prevent any further harassment. Such steps may include: counseling, suspension, expulsion, or any other remedial action deemed appropriate to address and eliminate further discrimination/harassment. Upon completion of the investigation the Coordinator will notify appropriate parties (which may include the alleged victim(s), accused, and/or their parents or legal guardians) in writing of the substance of the investigation and remedial measures to be taken pending any appeal. The Coordinator will retain, review and analyze the investigative file of each complaint and will report the results of the review and analysis annually to the Superintendent.

3. The complainant may seek a review of the initial decision by written request received by the Coordinator within five (5) business days of the date of the decision.

4. Upon timely written request, the Coordinator will forward a copy of the investigative file to the ~~DS~~ COO. The ~~DS~~ COO or designee will have up to fifteen (15) business days to review the appeal, investigative file and the previous decision and determine, if additional investigation is warranted, any change in the remedial action recommended. The ~~DS~~ COO or designee will promptly notify appropriate parties of the appeal decision.

5. The decision of the ~~DS~~ COO or his/her designee will be the final decision under this policy. Additional due process will be provided for any disciplinary measures as required by law.

The complainant retains at all times the right to contact the Office of Civil Rights or the Equal Employment Opportunity Commission with regard to any allegations that the School District has violated any law.

This ~~p~~Policy will be distributed to all students annually. Additionally, the Coordinator and other employees designated by the Superintendent will receive appropriate training in investigating, remediating and analyzing complaints of discrimination/harassment on an annual basis.

*Appropriate Federal agencies promulgate regulation from time-to-time to implement Federal Laws prohibiting discrimination in schools and the work place. To the extent that this Policy is inconsistent with or conflicts with any of those regulations, the current regulation controls,

and the part or parts of this Policy inconsistent with or in conflict with those regulations will be rescinded.

I. DUE PROCESS HEARINGS

A hearing by a disciplinary panel will determine what, if any, disciplinary action ~~shall~~ will be taken in instances when schools have recommended long term suspension or expulsion. Any student suspended for more than 10 days will be afforded the opportunity for a hearing.

II. SELECTION OF DUE PROCESS HEARING PANEL MEMBERS

The Superintendent of Schools will ~~have the authority to designate~~ recommend to the School Board for approval active and/or retired personnel to serve as a hearing panel or Tribunal to conduct due process hearings in accordance with ~~s~~State and ~~f~~Federal law and impose punishment, if necessary including suspension or expulsion for violations of the School District Code of Conduct.

III. COMPOSITION AND CHARGE OF THE DUE PROCESS HEARING PANEL

At least t~~T~~hree members will be selected to serve on a tribunal panel to hear the facts surrounding disciplinary cases and to provide due process with an evidentiary hearing. The tribunal panel's decision will be in writing and based solely on the evidence received at the hearing. The Superintendent will arrange and provide annual training to the members of the tribunal panel.

IV. RIGHTS OF STUDENTS

In due process hearings, students have the right to be represented at their own cost by legal counsel or be assisted by the parent(s) or legal guardian.

Additionally, ~~they~~ students have the right to testify ~~in~~ on their own behalf or to remain silent. If they remain silent, ~~then~~ the panel will imply no inference of violation of school rules.

Students are entitled to subpoena witnesses ~~in~~ on their own behalf and to cross-examine witnesses brought by the School District.

Students and/or their parents/guardians may obtain copies of any documents introduced at the hearing.

V. RIGHTS OF APPEAL

Decisions made by the panel may be appealed to the School Board. The request for appeal must be in writing to the Superintendent within 20 days of the date of the decision. Any Tribunal decision may be upheld, modified or suspended at the Superintendent's discretion pending the outcome of the appeal.

The Superintendent will develop and recommend annually to the School Board a "~~Parent/~~Student/Parent Handbook" and "Student Code of Conduct" that will contain, among other things deemed necessary by the Superintendent, due process hearing procedures.

In the event of a conflict between this ~~p~~Policy and current law, current law ~~shall~~ will prevail.

ADOPTED: August 2, 2001
REVISED: ~~August 11, 2016~~ June/July, 2020

Cherokee County Board of Education

The ~~p~~Principal of a school may suspend any pupil for any violation of the Student Code of Conduct and/or state criminal law occurring at or disrupting school or a school function. ~~Such suspension will be for a period not longer than 10 days.~~

I. SUMMARY SUSPENSION

If the ~~p~~Principal witnesses any serious student misconduct and immediate removal of the student(s) is necessary to restore order or to protect persons on the school grounds, the ~~p~~Principal may, after hearing from the student, suspend the student immediately for not more than ~~the~~ 10 school days.

Once a ~~p~~Principal has decided to suspend a student, he/she will follow the procedures described below for sending a student home during the school day.

II. SHORT-TERM SUSPENSION

A short-term suspension is a denial to a student of the right to attend school and to take part in any school function for any period of time but not longer than 10 school days. The principal may invoke a short-term suspension after conducting a (Level I) investigation that will at a minimum consist of a formal or informal interview with the student wherein the principal will explain the nature of the offen~~e~~se and give the student an opportunity to respond.

III. SENDING A SUSPENDED STUDENT HOME DURING THE SCHOOL DAY

When a student is suspended, the ~~p~~Principal will attempt to reach the student's parents or legal guardian (hereinafter the term parent(s) including legal guardian) to inform them of the school's action and to request that they come to the school for their child. If the parents are unable to come for their child, or if the ~~p~~Principal cannot reach the parents, the student must remain on school property until the close of the school student day (except that a high school student may be sent home if there is a parent at home).

Notwithstanding the above requirement that a suspended student be released only to a parent, the ~~p~~Principal may order a student~~s~~ to leave the school premises immediately when he/she is faced with mass violations to school rules, and it is not possible to keep ~~the~~ a student~~s~~ on school grounds and restore order to protect people on the school grounds. Even in this case, distance to home and the age and sex of the individual student may require keeping him/her until the parents can be contacted.

IV. INFORMING THE PARENTS IN CASES OF SHORT-TERM SUSPENSION

When a student is suspended, the ~~p~~Principal will:

1. Send a statement to the parents fully describing the misconduct, stating the rule violated, and stating the ~~p~~Principal's reasons for action;

2. Make every effort to ~~hold a conference~~ confer with ~~the~~ parents before or at the time of the students return to the school;

3. Secure written statements and keep on file all documents and relevant information received about the misconduct.

V. IN-SCHOOL SUSPENSION PROGRAM

The In-School Suspension (ISS) program is ~~a program~~ designed to provide a student~~s~~ with a school-based consequence rather than to suspend them out of school. A ~~S~~student~~s~~ assigned to ~~in school suspension~~ ~~(~~ISS~~)~~ will be afforded appropriate due process. The program is designed to isolate a student~~s~~ from the regularly assigned classrooms and activities of the school until ~~they~~ he/she demonstrates sufficient adjustment to warrant returning to ~~their~~ his/her previously assigned classes. The program allows the student to continue progress relative to classroom assignments.

When a student is assigned to the ~~In-School Suspension~~ ISS program, the ~~p~~Principal /designee will attempt to reach the student's parents or legal guardian to inform them of the school's action. A letter will be sent to the parents stating the rule violated, the period of suspension and the rules of the ~~In-School Suspension~~ ISS Program.

The two types of ~~In-School Suspension~~ ISS programs provided for ~~Cherokee County~~ students are:

- ~~In-School Suspension~~ ISS - this program is housed in the regularly assigned school.

- Alternative School - this ~~school~~ placement is specifically organized to house students suspended for five days ~~or more and can be located away from the regularly assigned school~~.

VI. SUSPENSION OR EXPULSION OF STUDENTS WITH DISABILITIES

Students with Disabilities (SWD) served with an Individualized Education Plan (IEP) or a 504 plan must be afforded a meeting to determine if the misconduct is related to or caused by the diagnosed disability or the School District's failure to follow the student's IEP. If it is concluded that the misconduct is the result of a diagnosed disability, or the School District's failure to follow the IEP, the student may not receive further consequences ~~be punished~~. If it is determined that the misconduct is not directly related to the ~~does not arise from the~~ diagnosed disability ~~and is not attributable thereto~~, the student then is subject to discipline, however, under no circumstances can special educational services be discontinued altogether for a student served under the Individuals with Disabilities in Education Act (IDEA) ~~handicapped child~~.

VII. LONG-TERM SUSPENSION/EXPULSION

Where the suspension/expulsion is for a period in excess of 10 days or where outright expulsion is involved, either for the remainder of the school year or longer, the student must be afforded (Level II) due process rights of notice and hearing~~.~~. Level II due process procedures ~~which~~ are more formal than those ~~involved where~~ involving a suspension ~~is~~ for 10 days or less. In the case of long-term suspension/expulsion, due process will include those procedures required by O.C.G.A. § 20-2-754, as amended.

VIII. SCHEDULING THE HEARING

In accordance with state law, due process hearings must generally occur within 10 school days of a student's short term suspension from school. This time period may be extended upon the parent's or adult student's written request or to conclude complicated investigations. In order to postpone a hearing based upon the parent's or adult student's request, the parent must agree, in writing, to waive the scheduling requirement and keep the student out of school until the hearing can be rescheduled. If the hearing is postponed as a result of the school's request or because the student is served by an IEP or 504 plan, the student will be allowed to return to ISS or school-based alternative school pending the rescheduled hearing. In some cases, a student may be returned to school prior to a hearing as a result of their IEP or 504 plan.

Cherokee County Board of Education

The Cherokee County Board of Education ~~shall~~ will require that all schools and programs within the School ~~d~~District comply with State Board of Education Rule 160-5-1-.35 and associated State Guidance concerning "seclusion" and "restraint," as those terms are defined within the rule.

Seclusion of students, where a student is isolated and confined in a separate area without adult supervision and is prevented from leaving, is prohibited by the School District in its schools and educational programs.

The use of physical restraint is prohibited by the School District in its schools and educational programs except in those situations in which the student is an immediate danger to himself or others and the student is not responsive to less intensive behavioral interventions, including verbal directives or other de-escalation techniques. Additionally, the use of prone, mechanical and/or chemical restraint is prohibited in all schools and educational programs.

This ~~p~~Policy is not intended to prevent the use of physical restraint in limited circumstances where a student exhibits behaviors that place the student or others in imminent danger, and the student is not responsive to verbal directives or less intensive de-escalation techniques. The ~~CCSD~~ School Board ~~of Education~~ recognizes that in determining when and how to implement this ~~p~~Policy and any procedures related to it, educators will have to exercise their professional judgment and discretion. Therefore, the ~~p~~Policy is not to be construed as imposing ministerial duties on individual employees. Further, it is not intended to interfere with the duties of law enforcement or emergency medical personnel.

For schools and educational programs within the School ~~d~~District that use physical restraint as defined within the ~~Georgia Department of Education~~ State Board of Education ~~r~~Rule, the Superintendent of Schools or designee ~~shall~~ will develop (or adopt) and implement written procedures governing its use, which ~~shall~~ will include the following provisions:

1. Staff and faculty training on the use of physical restraint;

2. Written parental notification within a reasonable time, not to exceed one school day from the use of restraint, when physical restraint is used to restrain a student;

3. Procedures for observing and monitoring the use of physical restraint;

4. Documentation by staff or faculty participating in or supervising the restraint for each student in each instance in which the student is restrained; and,

5. Periodic staff and faculty review of the use of restraint and the required documentation. ~~described in item 4.~~

Guidelines necessary to provide for implementation of this Policy will be incorporated into the Principals' Handbook.

The term 'child abuse' also includes the neglect or exploitation of a child by a parent or caretaker, as well as the sexual abuse or sexual exploitation of a child by any person."

In order to meet legal responsibilities, reports of suspected child abuse and neglect are to be made in good faith, and the education of School District personnel and school-affiliated volunteers in the identification of child abuse and neglect ~~shall~~ will rest with the School District. This reporting is legal under Section 99.31(a)(5) and 99.36 of the Family Educational Rights and Privacy Act and does not constitute a violation if the disclosure is to appropriate parties in connection with ~~the~~ a health or safety emergency and knowledge of the information is necessary to protect the health or safety of the student or others.

The School District also encourages involvement and participation of parents/guardians and realizes the importance of effective and timely communication regarding potential opportunities available through student clubs.

Accordingly, ~~p~~Principals will ensure that the School District's standard procedures for notification of all parents/guardians at the beginning of each school year regarding all school-sponsored clubs and organizations available for students enrolled in their respective schools are followed. This notification will include, but may not be limited to, the following information for each club or organization: name, sponsor(s), times/location of meetings, mission/purpose and a description of past or planned activities.

Cherokee County Board of Education

The Cherokee County Board of Education is aware of the constructive role which parent-teacher groups play in the ~~s~~School District ~~system~~. The effective leadership provided by the PTA organizations and ~~advisory~~ School ~~c~~Councils is valuable to the improvement of educational programs and community support of schools. The School Board ~~shall~~ will offer these groups its cooperation and ~~shall~~ urge parents, teachers and administrators to become active participants.

PARENT/FAMILY INVOLVEMENT

In keeping with the belief that learning should take place at home, in school and in the community and with research showing that parent involvement is the single most important indicator of school success, the School Board has identified "Family, Partner and Community Engagement" as one of its Priority Areas in its Five-Year Strategic Plan "Blueprint." ~~of Cherokee County has identified~~ **~~"Increasing parental and community involvement through public engagement policies and practices that treat parents, businesses, community-based organizations and agencies, local institutions of higher learning and other public entities as true partners in the educational process"~~** ~~as a major system priority~~. The purpose of this policy is to promote meaningful parent and family participation and to identify standards for effective parent/family involvement.

Other School Board ~~p~~Policies that directly support parent/family involvement are ~~School Accountability~~ Goals and Objectives and Public Participation at School Board Meetings.

The parent/family involvement policy is adopted from "National Standards for Family-School Partnerships ~~Parent and Family Involvement Programs~~," developed by National PTA.

~~The specific initiatives and procedures for implementing this policy will be included in the District Strategic Plan; for example, schools should extend an offer to parents/guardians to attend parent/teacher conferences.~~

I. Parent~~'~~s' Responsibilities
Assumptions:

1. In order for students to achieve, parents must provide a climate in the home that supports education; sets high but reasonable expectations for student learning; and be involved in their children's education at school and in the community.

2. Students whose parents are involved in the above manner have better grades, higher test scores, better attendance records and more homework assignments completed.

3. Regardless of socio-economic status, ethnic/racial background or education level, when parents are involved in their children's education process, students achieve more.

4. When parents and teacher collaborate, there are higher expectations for the students' success.

5. There are significant benefits for learners when parents of students of all ages and all grades are directly involved with their education.

6. There are many different ways for parents to be involved in their child's education. To have long-lasting results, parent and family involvement activities must be planned, continuous, inclusive and comprehensive.

II. **Schools' Responsibilities**
Assumptions:

1. Schools that work well with families improve teacher morale and engender more teacher support by parents.

2. When parents receive frequent and effective communication from a school and ~~s~~School District ~~system~~, their attitude about the school is more positive and their involvement increases. A school's and the ~~system's~~ School District's practices to inform and involve parents are strong determinants in the frequency and quality of parent involvement.

3. Parents contribute most effectively to improved student achievement and school effectiveness when they are treated as equal partners and given needed information in a timely manner.

4. Parent and family involvement is a critical component of school reform. It is not a substitute for high quality educational programs, effective instruction or systemic research-based school improvement.

III. ~~Standards for Family Involvement*~~

~~A. *Communicating* – Communication between home and school is common, consistent, two-way and meaningful.~~

~~B. *Parenting* – Parenting skills are promoted and supported.~~

~~C. *Volunteering* – Parents are welcome in schools, and their support and assistance are actively sought and appreciated.~~

~~D. *School Decision-Making and Advocacy* – Parents are full partners in decisions that affect children and families.~~

~~E. *Collaborating with the Community* – Community resources are used and/or redirected to strengthen schools, families and student learning.~~

~~F. *Student Learning* – Parents play an integral role in assisting student learning.~~

National Standards, Goals and Indicators for Family-School Partnerships

Standard One: Welcoming All Families into the School Community
Families are active participants in the life of the school, and feel welcomed, valued and connected to each other, to school staff and to what students are learning and doing in class.

Standard Two: Communicating Effectively
Families and school staff engage in regular, two-way, meaningful communication about student learning.

Standard Three: Supporting Student Success
